F L Handcock offers to pay face of sale book for the assignment of the tax sale certificate of lot 26 Block 20 Argentine.

Ordered by the Board that said proposition be accepted.

David Buckland introduced the following resolution and moved its adoption. Second by Clarke Ayes; Lyons Clarke and Buckland.

RESOLUTION

We find that the Kansas City Structural Steel Company, the contractors for the construction of the East Kansas Avenue Bridge over the Kaw River, have completed to the satisfaction of these Commissioners, the construction of the new bridge excepting only the making of the street railway track connection and the laying of some wood block pavement at the west end of the structure, which work cannot be done until the abandonment of the old bridge. The other work which they are to perform under their contract is the taking down of the old bridge, and the removal of the sub structure and the earth approaches to the old bridge between the harbor lines.

We find that said contractors can do nothing further toward the completion of the unfinished work under this contract until the completion of the temporary approach to the new structure upon the east end thereof, which work is being done by the City of Kansas City, Mo., and will likely consume from two to three months.

We further find that there is still due the said contractor the sum of \$63128.05.

It is therefore ordered that the sum of \$30,000.00 be withheld until the final completion of all the remaining work to be performed under the contract, and that the balance be paid said contractor, and the County Clerk be instructed to draw a warrant for said amount.

We further find that the County having had the option to pay said contractor in either bonds at par or cash; and the Commissioners having elected to pay said contractor in bonds; and Four hundred and fifty thousand dollars (\$450,000.00), face value of said bonds having been delivered to said contractor; it is therefore ordered that the warrant be paid in bonds at par and accrued interest, to the amount of \$15,000.00 and balance in cash.

Moved by Buckland
Second by Clarke
Ayes: Lyons, Clarke, Buckland

I, Frank M. Holcomb, County Clerk of Wyandotte County, Kansas, hereby certify that the above is a true and correct copy of the proceedings of the Commissioners of Wyandotte County, Kansas, relative to the contract for the construction of the East Kansas Avenue bridge over the Kaw River.

Frank M. Holcomb.
County Clerk.

The following named persons offers to pay face of sale book for redemption of the property named.

Joe Soden and Art Swanson petitions permission to lay 2 inch Gas main across the DeFries Road. Motion by Buckland that same be granted, Second Clarke Ayes: Lyons Clarke and Buckland.

- R E S O L U T I O N . -

Be it ordered by the Board of County Commissioners of Wyandotte County, Kansas, that permission is hereby granted to Joe Soden and Art Swanson, of Wyandotte County, Kansas, their personal representatives and assigns to construct, lay and maintain a Gas main two (2) inches in diameter along and across the De Fries Road, from the Turner Bridge west to a point in said DeFries road, due south of the west line of the farm now owned by O Swanson, All in Wyandotte County, Kansas, with the right to place tap lines running to the various farm houses along said road.

This permission is given for the purpose of enabling the citizens living in the south part of Wyandotte Township in and near the town of Muncie, to secure natural Gas for heating and lighting purposes; and the grantees may, when deemed necessary, lay natural Gas mains along any adjacent county road in the vicinity of the grant hereby made, when necessary to reach persons desirous of consuming the Gas going through their mains.

The period for this permission is granted shall be for twenty (20) years, the county of Wyandotte to receive no remuneration for the privilege, granted, and shall not in any way be responsible for any procedure on account of maintaining or laying of said Gas mains.

The grantees shall lay all mains eight (8) inches below the natural surface of the highway and shall not lay mains in the part of the highway now travelled or ever parallel with or under that part of the highway macadamized.

At bridges or creeks they are not required to lay it beneath the ground but shall not interfere in any way with public travel.

Whenever the grade is changed, the grantees, at their own expense shall lay mains to conform with said grade.

Attest. F M Holcomb, County Clerk,
By L B Holcomb, Deputy.

T. J. Lyons.

In matter of resolution for new court house.

RESOLUTION
ELECTION NOTICE

On Proposition to Build New Court House and the Manner of raising Funds Therefore.

The Electors of the County of Wyandotte, State of Kansas, are hereby notified:-

That the Board of Commissioners of said County, on the 5th day of September, A. D. 1916, by its order duly entered upon its Journal, determined that it was necessary to erect a new court house, on the site of the present court house, namely, the Northwest corner of the intersection of Minnesota Avenue and Seventh Street, in the City of Kansas City, in the County of Wyandotte, at the cost of Four Hundred Thousand Dollars:

Now, therefore, the foregoing proposition and the additional proposition as to the manner of raising the necessary funds therefor, whether by issuing bonds of said County, or by levying a special tax, is submitted to the voters of said county to be voted upon at the next General election to be held on the Tuesday succeeding the first Monday in November, A. D. 1916.

Printed ballots will be provided for the voters and a special ballot box will be provided at each voting place for the reception of ballots.

Each ballot will be headed "County Building Proposition" and there shall be printed thereon the following questions:-

1. "Shall the County erect a court house".

2; "Shall the funds required for the erection of said improvements be raised by the issuance of bonds or by the levying of a special tax".

Published by Order of the Board of County Commissioners of Wyandotte County, Kansas.

- R E S O L U T I O N. - - -

RESOLVED, By the Board of County Commissioners that the State Highway Commission, and the State Highway Engineer at Manhattan Kansas, forthwith make a survey of the two miles of Parallel Road in Wyandotte County, Kansas, between the west end of present macadam on said road, and the Leavenworth County line, and the joint road between Wyandotte and Leavenworth County ~~XXXX~~ running north from the Parallel Road to the Leavenworth County line, to the end that we may avail ourselves of the benefits of the Federal Aid Fund.

WITNESS, my hand and Official Seal of the County this 4th, day of December
A.D. 1916.

Frank M. Holcomb.
County Clerk.

Petition to improve the Road known as 22nd Street in Shawnee Township from the South City limits of Kansas City, Kansas, to the Steel Road, under Chapter 201, Laws 1909 and amendments thereto.

Ordered by the Board that said petition be received and placed on file and that the County Surveyor shall make accurate survey of said road and a careful estimate of cost of such improvement with profiles and specifications thereof together with a map showing the several tracts of land within the district stated in the petition, and the Board further finds and declares that the improvements as prayed for in said petition are a public utility and therefore it is ordered that said improvements be made.

In the matter of designating County Depositories for County Fund under the law the Board of County Commissioners are requested to designate Depositories for County Fund.

Now therefore be it resolved that depositories be designated and bonds required for safe keeping of funds belonging to Wyandotte County, or other funds under the charge and control of the County Treasurer of Wyandotte County, Kansas. Said contract to take effect this date and expire October 10, 1917.

Be it further resolved that the following Banks are designated as such depositories.

| | COUNTY | Drainage. | Pay 3 per cent Int. |
|-------------------------------------|-------------|--------------|---------------------|
| ✓ Bankins Trust Company | \$25,000.00 | | " |
| ✓ Central State Bank | 5,000.00 | | " |

- R E S O L U T I O N. -

Dear Sir:-

Wyandotte County, Kansas, has let the contract to take down and load on cars the steel bridge now spanning the Kansas River at Central Avenue, Kansas City, Kansas. This is a double deck bridge, about six hundred feet long. This steel is for sale, and can be delivered within sixty days.

The Board of County Commissioners of Wyandotte County, Kansas, invite sealed bids per thousand pounds for this steel on board the cars at either end of the bridge. Bids should be delivered or mailed to the County Clerk, Court House, Corner Minnesota Avenue and Seventh Street, Kansas City, Kansas, up to ten o'clock a.m. of Monday, January 8, 1917, at which time the bids will be opened and the award made. The Commissioners reserve the right to reject any and all bids. A certified check for One Thousand Dollars, payable to the treasurer of Wyandotte County, Kansas, must accompany each bid, which will be returned to all but the successful bidder.

Each delivery shall be paid in cash and deposit applied on last delivery.

Please acknowledge receipt of this letter.

Yours Truly,

Frank M Holcomb.
County Clerk

Honorable Board of County Commissioners of Wyandotte County, Kansas.
Gentlemen:-

Your petitioner, The City of Rosedale a municipal corporation within the County of Wyandotte and State of Kansas, duly organized and existing as a city of the second class under and by virtue of the laws of said State, comes now and respectfully represents to your Honorable Board, that a natural water course known as Turkey Creek, having its source in the County of Johnson in said state, the channel of which extends in a devious course into and through the County of Wyandotte and through the City of Rosedale in said County, the waters of which at times of heavy rainfall in and upon the water shed over flow the banks of said channel within and without the limits of said City and cause great loss and damage to real and personal property and endanger human life; that the further maintenance of said channel in its present condition will be a constant menace not only to the safety of the lives, the property and the welfare of the inhabitants and the business interests of the City of Rosedale, but likewise to the County of Wyandotte; and in order to prevent the continuance of and to remove such a source of disasters, and constant menace to the safety of life and property, your petitioner proposes to change, straighten, alter and divert the

(OVER)

Continued.

channel of said water course, in accordance with certain surveys, plans, maps, specifications and estimates theretofore prepared, and by said petitioner considered, approved and adopted, and in connection therewith construct and maintain within and without the limits of said City a channel, ditch and tunnel required and necessary to form an outlet and drain for the waters carried by such water course into the Kansas River at a point on the South or right bank thereof, approximately 100 feet East or down stream from the Easterly abutment of a County bridge across said River known as the 5th Street Bridge. That in the construction of said work as so planned it will be and is necessary to go under certain roads heretofore and by the County of Wyandotte duly laid out and established as and for County roads some of which lie outside of the City limits of said petitioner, and partly within the limits of Kansas City, Kansas, and partly outside of the limits of either city.

That the City, of Kansas City, Kansas, has by ordinance duly passed, approved and published consented to the construction of said work within the limits of said City, and the Board of Directors of the Kaw Valley Drainage District has by a resolution duly and properly approved and adopted given your petitioner the right to construct the outlet of said channel and tunnel through said South or right bank of said river within the boundaries of said Drainage District.

WHEREFORE your petitioner prays that it may be given the right to construct and maintain said ditch, channel and tunnel under any and all public roads or highways and public property of said County, under the control of your Honorable Board, if deemed necessary and required, in accordance with the plans, survey and map hereto attached; and your petitioner will ever pray, etc.

The City of Rosedale.

James S Gibson,
Of Counsel.
Motion Carried.

(by) L.R.Gates
Its City Attorney.

William Blodgett
Clerk.

Samuel Clarke
Chairman.

Monday. January 22, 1917. 2 P.M.

Pursuant from adjournment taken from January 18th, The Board of County Commissioners met for transaction of business, Present, Samuel Clarke, Chairman, David Buckland and William Blodgett.

Minutes of previous meeting read and approved.

The following Bids for printing Personal tax Statements was read.

| | |
|-----------------------|--------|
| The Republic | 309.28 |
| Gazette Globe | 343.50 |
| E.R.Callender | 332.00 |
| The Lane Printing Co. | 294.00 |
| The Kansan | 372.28 |
| Emerick Printing Co. | 372.50 |
| Russell Printing Co. | 322.50 |

On Motion by William Blodgett Seconded by David Buckland, The Lane Printing Co. be awarded the contract for the printing they being the lowest bidders. Motion Carried.

County Clerk was instructed by the County Commissioners to notify the Sheriff that a double Assessment was made on Mr. C.B.McCall and that the warrant be returned.

J.H.Barren offers to pay face of sale book plus 6 per cent Int. on lots 14 and 15 Terrace Place. Ordered by the board that said proposition be accepted.

M.Holzmark offers to pay face of sale book with 6 per cent Int. added on the South $\frac{1}{2}$ of lot 25 all of 26 Marie Place. Ordered by the board that said proposition be accepted.

John Downey offers to pay face of sale book plus 6 per cent Int. on tract 192a. Ordered by board that said proposition be accepted.

Communication of J.W.White read and ordered placed on file.

Agreement of Lewis Duncan read and ordered laid over until next Meeting.

Bond of R.L.Cahill Superintendent of roads was referred to the County Atty. after carefully investigating the bond by Mr. Maher Asst. County Atty. the board approved the bond. Mr Samuel Clarke Chairman Signing for the board.

Agreement of T.W.Sutherland to settle his trouble with the board was read and after carefully examining the same Mr Blodgett made a Motion to settle for the \$2500.00 offered by Mr Sutherland to the board also that Mr Sutherland agreed to pay all costs in the case. Seconded by Mr Buckland, Mr Blodgett and Mr Buckland Voting aye, Mr Clarke Voting No. The above agreement to be spread on the Journal as follows:

In the matter of the settlement of the litigation pending against T.W.Sutherland, I wish the records to show my reasons for voting therefore.

Mr. Sutherland was Register of Deeds of Wyandotte county, Kansas, two terms, from 1907 to 1911, and during his term of office, failed to deliver to the county treasurer the county's portion of the fees collected.

Upon ascertaining said failure to make such payment, no criminal prosecution was started and the statute of limitations have run against said action.

Thereafter, a civil suit was started and the civil suit was not started until the statute of limitations had run against part of said claim. In the litigation started, it developed that the surety company during one of his terms is insolvent and has gone out of business. It now transpires that Mr. Sutherland's property is mortgaged for practically all it is worth and it is exceedingly doubtful whether any sum could be recovered by execution, save and except the sum of \$2,000.00 covered by his bond for one of the terms.

For the reasons above stated, I favor and vote for the proposition to compromise and end said litigation upon the payment of the sum of \$2500.00 to the county and for the further payment of expenses and costs of the litigation.

Whereas, A suit is pending against T.W.Sutherland, former Register of Deeds of Wyandotte County, Kansas, for the county's portion of fees during his term of office; and

Whereas, The Board can find no trace of property upon which to levy an execution excepting such as is mortgaged for all it is worth; and

Whereas, T.W.Sutherland and his friends offer to pay the sum of \$2500.00 to Wyandotte County and in addition thereto, pay all expenses and Court costs in said action:

NOW THEREFORE,

BE IT RESOLVED, That Keplinger & Trickett, the attorneys for the County in said litigation are hereby instructed and directed to compromise and settle said suit at and for the sum of \$2500.00 debt to the county, the said T.W.Sutherland to pay in addition thereto, all expenses and costs in said litigation.

Adopted January 22, 1917. Motion Carried.

Mr Duer County Mechanic makes a complaint on the boiler at the pump house at County Poor farm and was instructed to see if he could find one that would be satisfactory.

On Motion by William Blodgett Seconded by Samuel Clarke, the purchasing agent be instructed to purchase 50 feet of Section of $1\frac{1}{2}$ inch hose, 1 Section 100 feet long also a suitable number of fire extinguishers. Motion Carried.
Board Adjourned.

Attest. *William Beggs*
Clerk.

Samuel Clarke
Chairman.

| George Rushton | at 6 cents per loaf |
| Chriss Kopp | " 7½ & 8 cents loaf |
| Nascholds Steam Bakery | " 8 cents per loaf |
| Murray Baking Co. | " 8 cents per loaf |
| E.R.Schafer | " \$6.50 per 100 lbs. |

On Motion by David Buckland, Seconded by William Blodgett the bids on bread be laid over until thursday. Motion Carried.

A Petition for Macadamizing 1 mile of road beginning on the Parallel and going north in Prairie Twp. was on Motion by David Buckland, Seconded by William Blodgett be received and placed on file. Motion Carried.

A Delegation of tax payers from Piper would like to have the Parallel road resurfaced for about 1½ miles, they think it better to keep up the main traveled roads than build new ones.

A Delegation of Citizens from Rosedale boosting for good roads waited on the County Commissioners and make a request that the road known as the Jefferson Highway be improved to the Johnson County line, they also extended an invitation to the County Commissioners of Wyandotte County to meet with the County Commissioners of Johnson County on Wednesday Feb. 7, at 12 o'clock M. at the Commercial State Bank where they go to dinner in a body.

Motion by Mr Blodgett Seconded by Mr Buckland, The Court House bond resolution be adopted and spread on the Journal as follows:

WHEREAS, the Board of County Commissioners of the County of Wyandotte, State of Kansas, in a regular meeting assembled on the 5th day of September, A. D. 1916, determined that a new court house was necessary for the transaction of the County's business and should be erected upon the site of the present court house, viz.: the northwest corner of the intersection of Minnesota Avenue and Seventh Street in Kansas City, Wyandotte County, Kansas, at the cost of Four Hundred Thousand Dollars (\$400,000.00), and has been recorded on the Journal of this Board; and

WHEREAS, notice of said election was published by the direction of said Board of County Commissioners of Wyandotte County, Kansas, in the Kansas City Weekly "Press", the official paper of said Wyandotte County, Kansas, for more than thirty days before the seventh day of November, 1916, and

WHEREAS, at the general election held upon said seventh day of November, A. D. 1916, the electors of said County cast 21,770 votes for the erection of said court house and 480 votes against the erection of said court house, and cast 17,189 votes in favor of issuing bonds for the payment of said improvement, and 2,742 votes for a tax to pay for said improvement; Now, therefore,

BE IT RESOLVED, by the Board of County Commissioners of Wyandotte County, Kansas, and there shall be, and it is hereby ordered, that the bonds of said County be issued in the sum of Four Hundred Thousand Dollars (\$400,000.00) for the erection of said court house.

Each of said bonds shall be of the denomination of One Thousand Dollars (\$1,000.00) and shall be numbered from one to four hundred (1 to 400) both inclusive, and shall be designated, "Court House Bonds", shall bear date the 1st day of April, 1917, and shall bear interest at the rate of four and one-fourth (4¼) per cent per annum, payable semiannually. The interest shall be evidenced by interest coupons attached to the said bonds, and shall be executed by the lithographed facsimile signature of the chairman of the Board of County Commissioners and the County Clerk, thereon. Said bonds shall be signed on behalf of the County by the Chairman of the Board of County Commissioners and attested by the County Clerk, and authenticated by the seal of said County.

One-sixteenth of said bonds shall mature on the first day of April, 1922; and one-sixteenth of said bonds shall mature every year thereafter until all of said bonds mature; the maturity of said bonds being more specifically stated as follows:

\$25,000 of said bonds shall mature on the 1st day of April, 1922.
 \$25,000 of said bonds shall mature on the 1st day of April, 1923.
 \$25,000 of said bonds shall mature on the 1st day of April, 1924.
 \$25,000 of said bonds shall mature on the 1st day of April, 1925.
 \$25,000 of said bonds shall mature on the 1st day of April, 1926.
 \$25,000 of said bonds shall mature on the 1st day of April, 1927.
 \$25,000 of said bonds shall mature on the 1st day of April, 1928.
 \$25,000 of said bonds shall mature on the 1st day of April, 1929.
 \$25,000 of said bonds shall mature on the 1st day of April, 1930.
 \$25,000 of said bonds shall mature on the 1st day of April, 1931.
 \$25,000 of said bonds shall mature on the 1st day of April, 1932.
 \$25,000 of said bonds shall mature on the 1st day of April, 1933.
 \$25,000 of said bonds shall mature on the 1st day of April, 1934.
 \$25,000 of said bonds shall mature on the 1st day of April, 1935.
 \$25,000 of said bonds shall mature on the 1st day of April, 1936.
 \$25,000 of said bonds shall mature on the 1st day of April, 1937.

(OVER)

Cont'd.

That, except as to numbers and date of maturity and amount, said bond shall be of substantially the following form; that is to say, that each of said bonds will be of the denomination of One Thousand Dollars (\$1,000.00) to-wit:

UNITED STATES OF AMERICA

STATE OF KANSAS

WYANDOTTE COUNTY, KANSAS

Court House Bond.

No.-----

\$1,000.00.

Series: Court House Bonds.

KNOW ALL MEN BY THESE PRESENTS: That the County of Wyandotte in the State of Kansas acknowledges itself to owe and for value received promises to pay to bearer One Thousand Dollars (\$1,000.00) on the first day of April, 1922, with interest thereon from date hereof at the rate of four and one-fourth per cent ($4\frac{1}{4}$) per annum, payable semi-annually on the first day of April and October of each year, on presentation of the annexed interest coupons as they severally become due. Both principal and interest of this bond are hereby made payable at the office of the Treasurer of the State of Kansas, Topeka, Kansas.

This Bond is one of a series of four hundred (400) bonds of like date, which are for One Thousand Dollars (\$1,000), each, making a total of Four Hundred Thousand Dollars (\$400,000) issued by said Wyandotte County, Kansas, pursuant to Sections 2078, 2079 and 2080 of the General Statutes of Kansas, 1909; and for the payment of the principal and interest of this bond, as and when the same shall become payable, the faith and credit of Wyandotte County, Kansas, are irrevocably pledged.

And it is certified and recited that this bond is issued under the provisions of said Sections 2078, 2079 and 2080 of the General Statutes of Kansas, 1909, and in conformity with the provisions, restrictions and limitations thereof, and that such bonds and the interest thereon are to be paid by a general tax levied upon all of the taxable property of Wyandotte County, Kansas, and that all conditions and things required to be done precedent to and in the issuance of this bond have been done, have happened and have been performed in the regular and due form of law, and that the total indebtedness of said County, this bond included, does not exceed any constitutional or statutory limitations.

IN TESTIMONY WHEREOF, the Board of County Commissioners of Wyandotte County, Kansas, has caused this bond to be signed by its Chairman and attested by the County Clerk of said County and authenticated by the seal of said County; and the interest coupons hereto to be signed by the lithographed and facsimile signature of said Chairman and County Clerk, as of the first day of April, 1917.

SAMUEL CLARKE,

Chairman of the Board of
County Commissioners of
Wyandotte County, Kansas.

Katherine Holmes for 75.28 Not in possession on March 1st, 1916.

Resolution by Buc kland.

The Wyandotte County Commissioners hereby urge the Senator and Representatives from Wyandotte County, and members of the Legislature from other Counties, to use every effort to give to the people of the State, the opportunity to vote on a call for a constitutional convention. We believe that the Constitutional Convention affords the only opportunity for Kansas Counties to procure a responsible and business like system of County Government, as well as other needed reforms. Kansas cannot afford to let politicians and special interests stand in the way of an opportunity for a revision of the Constitution.

Chairman, Samuel Clarke.

The following bids for Courthouse Bonds was submitted as follows:

J R Sutherlin & Co. of Kansas City Mo. offers for the \$400,000 legally issued Court House Bonds of Wyandotte County, Kansas, in denominations of \$1,000, to be dated April 1, 1917, maturing \$25,000 April 1st each year until all are paid beginning in 1922, bearing interest at the rate of four and one-quarter per centum (4 1/4 per annum, payable semi-annually, both principal and interest payable at the State Fiscal Agency, Topeka, Kansas, we will pay you par, Four Hundred Thousand (\$400,000.00) Dollars, Accrued interest to date of delivery, and a premium of ONE thousand and Sixteen (\$1,016.00) Dollars. This offer is made for immediate acceptance only.

Prior to delivery of the bonds to us, we are to be furnished with the opinion of Charles B. Wood, of Wood & Oakley of Chicago, approving the legality of said bonds; and we are to be furnished complete certified transcript of the records of all proceedings and other documents on which said opinion is based.

We enclose herewith our certified check on the Southwest National Bank of Commerce of Kansas City, Missouri, No. 1004, for \$10,000, evidencing our good faith in carrying out our part of this contract; said check to be held by you uncashed pending delivery of said bonds, same to be returned immediately upon our taking up and paying for said bonds.

Your acceptance of this proposal will constitute a contract by and between the Board of Commissioners of Wyandotte, County, Kansas, and J R Sutherlin & Company of Kansas City, Missouri.

Respectfully submitted,
J.R. Sutherlin & Co.
By R.S. Bennett

D.E. Dunne & Company offers for the legally issued \$400,000.00 Court House bonds of Wyandotte County, Kansas to be dated April 1, 1917, due serially \$25,000.00 each year from April 1, 1922 to April 1, 1937 both inclusive, bearing interest at the rate of 4 1/2 per cent per annum payable semi-annually, both principal and interest payable at the State Treasurer's office in Topeka, denomination \$1,000.00 or \$500.00, WE WILL PAY YOU PAR AND ACCRUED INTEREST TO DATE OF DELIVERY OF SAID BONDS TO US AT THE OFFICE OF THE COUNTY CLERK OF WYANDOTTE COUNTY IN THE CITY OF KANSAS CITY, KANSAS AND IN ADDITION THERETO A PREMIUM OF \$250.00, said bonds to be a direct obligation of Wyandotte County, Kansas.

This bid is made with the understanding that we are to be furnished with an original opinion of Messrs. Wood & Oakley of Chicago unqualifiedly approving this issue of bonds, also a complete certified copy of the transcript of proceedings covering this issue of bonds prior to our paying for and taking up the same.

We enclose herewith cashier's check for \$10,000 payable to the Treasurer of Wyandotte County, Kansas as evidence of good faith in making this bid.

(OVER)

This bid is made for immediate acceptance and in the event that this bid is not accepted, the above mentioned cashier's check is to be returned to us at once.

Respectfully submitted,
D.E. Dunne & Company
By A.O. Klausner

Otis & Co. of Cleveland offers in response to your call for bids for \$400,000 Wyandotte County, Kansas, Court House Bonds offered for sale March 6, 1917, we desire to submit the following bid under the following conditions.
That the legality of this issue shall be unquestioned, and that there shall be no litigation, either pending or threatened, at the time we shall be expected to take up these bonds.

The issue to bear interest at the rate of $4\frac{1}{2}$ per cent, payable semi-annually on April 1st and October 1st, the bonds to be dated April 1, 1917, and to mature one-sixteenth, or \$25,000, April 1, 1922, and one-sixteenth, or \$25,000, thereafter annually on April 1st of each year until paid.

We make this offer subject to the favorable and unqualified opinion of Messrs. Wood & Oakley, Attorneys, Chicago, Illinois, as to the legality of this issue.

We will pay you, under the conditions mentioned, 99.25 and accrued interest for this issue.

Please find enclosed a certified check in the sum of \$10,000, made payable to William Bees, County Clerk, Wyandotte County, Kansas, which accompanies our bid as a guarantee of good faith.

In the event that our offer is not accepted, it is a condition of this bid that our check be returned to us at once.

Very truly yours,
OTIS & COMPANY,
By John S. Manley

The Fidelity Trust Co. of Kansas City Mo. offers for the bonds of your County of the par value of \$400,000.00, to be issued for the purpose of providing funds for the erection of a Court House, said bonds to be dated April 1st, 1917, and to mature: \$25,000 on April 1st, 1922 and a like sum on April 1st in each succeeding year, to and including 1937 bearing interest at the rate of $4\frac{1}{2}$ per cent per annum, payable semi-annually in accordance with coupons attached to bonds, both principal and interest payable at the Kansas State Treasurer's Office, Topeka, Kansas, denomination \$1,000.00, we bid par plus accrued interest to date of delivery plus a premium of \$ Eleven Hundred Fifty seven Dollars (\$1157.00) and will furnish blank bonds ready for execution free of cost.

This proposition is subject to all of the bonds being, in the opinion of Judge Charles B. Wood, in proper and legal form, and that they are the valid and binding general obligations of the County, and are payable from general taxes levied against all of the taxable property in said County. We shall also be furnished free, by the officials, a complete certified transcript of all proceedings authorizing said bonds, which shall establish the above conditions.

The delivery of the bonds shall be made on or before April 15th, 1917, in Kansas City, Kansas, to be paid for in funds known as "Kansas City Exchange."

We enclose herewith certified check for \$10,000.00, which shall be returned to us if this bid is not accepted; otherwise the same to be retained to be credited on the purchase price of the bonds on delivery to and acceptance of same by us.

An acceptance of this offer by the Board of County Commissioners shall cause this instrument to become a contract between the undersigned and said board, by which it agrees to take any and all official action permissible and necessary to the proper authorization, execution and delivery of said bonds.

Respectfully submitted,
Fidelity Trust Company.

Motion Carried.

Communication of Harrington Howard and Ash consulting EnGineers Kansas City Mo. April 17, 1917.

Board of County Commissioners, Wyandotte Co. Kansas
Gentlemen: As per your request I Give you the following report of conditions found in the Rutledge-Lannon road from the Reidy road to the Muncie road which I examined in company with your board, Mr. McAlpine and other parties last week Width of macadam, the Specifications and plans call for a width of 16 ft. for the macadamized portion of the roadway Several measurements taken show the width as constructed to be considerably less than this amount. Most of the measurements show a width of about 14 ft. 6 inches and occasionally a width less than 14 ft. was found, at no place where the road was measured did the width come up to the specifications required of 16 ft.

(OVER)

Depth of Road.

The specifications and plans call for a depth of road on the center of the roadway of 12 in. and on the sides of 9 inches. The first layer of rock is to be what is known as $3\frac{1}{2}$ inches of stone and is to be 6 in. thick for the full width of the macadamized portion, the upper layer is to be $2\frac{1}{2}$ in. stone, 6 inches thick at the center of the roadway and 3 in. thick at the sides, holes were dug at frequent intervals both at the center and at the sides of the macadamized portion. And the depth at the center was found to be from 9 to $9\frac{1}{2}$ inches while the depth at the sides was about $7\frac{1}{2}$ inches.

Fills and Cuts.

The fills were in places found to be narrower than required, and the shoulders were not in good alignment, this may be due however, to some extent, to the erosion of the fill since the road was finished, the principal cut on the road near the school house seemed to be of the full width required.

General Observations.

From the examination of the road it appears evident that the bounding of the stone has not been properly accomplished and also the grading of the stone is not good, the condition of the macadam is such that a heavy loaded wagon will undoubtedly rut the surface in a very short time.

It is my opinion that in addition to the fact that the width and thickness of macadam do not comply with the specifications, the construction itself is not good and the result will be far from satisfactory.

Very Respectfully Yours,

L.R. Ash.

The Board of County commissioners setting as a County Board of Convassers met pursuant to law to convass the returns of an election held upon April 3rd, 1917, throughout the cities of Rosedale and Edwardsville, of Wyandotte County, Kans. in the various voting precincts as shown by the poll books duly returned to the County Clerk. In accordance with your advertisement, first published April 20th 1917, we hereby offer 1.95 per 100 f.o.b. site of bridge for the steel in the double deck bridge spanning the Kansas River at Central Avenue, Kansas City, Kansas.

Yours very truly,

Arkansas Bridge Company
By O.P. Allee,

Board of Commissioners,
Wyandotte County,
Kansas City Kansas.

May 14 1917

Gentlemen:

After filing our bid this morning note from carbon copy of letter that the stenographer made a typographical error reading 1.95 whereas it should have read 95 cents per 100 on the Central Avenue Steel.

We wish you would kindly correct the bid or return our check. You will appreciate the fact that this is an honest mistake as 19.00 is all that the steel could possibly be worth.

Thanking you for making the correction requested above or for returning our check, we remain,

Yours very truly

Arkansas Bridge Company

Sent in Duplicate.

By O.P. Allee.

No further business appearing the Board adjourned to meet Thursday May 17th 1917.

William Beys Clerk.

Samuel Clarke
Chairman

Thursday May 17th 1917 2 P.M.

In regard to K.C. Cotton Mills Co.

Motion made by D. Buckland Seconded by Wm Blodgett, that the assessment of the Kansas City
Cotton Mills Co. be reduced from \$75,000. to \$55,000. said reduction is made on improvements
for the reason, that a good and sufficient showing was had by the Representative of the
Cotton Mills Co. that prior to March 1, 1916 the Greater portion of the Machinery Contained in
said Building had been removed. And for the further reason the machinery had been sold in
December 1915 and was in the course of removal on said date to March 1, 1916, said assessment
for the further reason, that all of the above and foregoing statements and facts were present-
ed by the Cotton Mills Co. to T.J. Lyons on or before May, 1 1916, Mr Lyons being at the time
a member of the Board of County Commissioners, said T.J. Lyons stating to representative
of the Cotton Mills Co. that he would personally look after the equalization, said Cotton
Mills Co through its representative relied on the statement and promise of T.J. Lyons and
suffered and permitted the 1916 assessment to stand believing that Mr. Lyons had as a member
of the Board of County Commissioners and Chairman thereof caused said property to be equal-
ized, and for further reason that said Cotton Mills Co did not discover until Dec. 1916
that said assessment had not been equalized, and for the further reason that it is the

belief of the County Commissioners that on March 1, 1916 there was not in excess of \$55,000. in value of improvements of said company on said date. Full Board votins Aye, Motion Carried.

Motion made by David Buckland that U.G. Gates, Register of Deeds be allowed to burn in their presence all Chattel Mortgages 5 years old or older. Seconded by Blodgett Motion carried.

Resolution creating the office of County engineer of Wyandotte Co. Kans was on motion by William Blodgett seconded by David Buckland, received and ordered spread upon the Journal. Motion Carried.

-----Resolution-----

Be it resolved, by the Board of County Commissioners of Wyandotte County, Kansas, that under and by virtue of Chapter 264, of the Session Laws of 1917, there was on the 11th day of June, 1917 by this Board created the office of County engineer of Wyandotte County, Kansas; that pursuant to the creation of said office there was appointed on said date O.K. Williamson as County engineer of Wyandotte County, Kansas, for a term of two years.

Whereas, the duties of said office of County engineer are so numerous and the requirements so great that it will be impossible for said O.K. Williamson alone to properly carry out and execute said duties.

Therefore Be It Resolved, that there is at this time an existing necessity that assistants in the way of deputies be given and allotted to said County engineer in order that he may fulfill the duties of said office.

Be It Resolved therefore, that there be on this date created the offices of Deputy County engineer and Assistant County engineer of Wyandotte County Kansas, and,

Be it further Resolved, that the salary of said Deputy County engineer shall be one hundred and twenty five (\$125.00) per month, payable monthly, and that the salary of said Assistant County engineer shall be one hundred (\$100.) Dollars per month payable monthly.

Be It Resolved, that said salaries so paid shall be in full for all services of whatsoever kind or character that may be rendered by said Deputy County engineer and Assistant County engineer, respectively, for and in behalf of Wyandotte County, Kas

Be It Further Resolved, that said Deputy County engineer and said Assistant County engineer shall devote all of their time to the duties of Deputy County engineer and of Assistant engineer, and shall not engage their services or accept employment of any kind or character from any one whomsoever, except Wyandotte County, Kansas.

Be It Further Resolved, that said Deputy County engineer and Assistant County engineer shall at all of the time during their tenure in office be subject to and under the control of the County engineer of Wyandotte County, Kansas.

Be It Further Resolved, that no person shall be eligible to hold the office of the Deputy County engineer and the office of the Assistant engineer who is not a practical and competent surveyor and engineer and who has not had at least five years experience in such work.

Be It Further Resolved, that any and all appointments of said Deputy County engineer and Assistant County engineer shall not be binding, valid or effective unless said appointment has been approved by the County engineer of Wyandotte County, Kansas

Be It Further Resolved, that said Deputy County engineer and Assistant County engineer shall, before entering upon their duties, enter into a bond payable to Wyandotte County, Kansas, in the sum of two thousand dollars (\$2000.00) for the faithful performance of their duties, and

Be It Further Resolved, that said Deputy County Engineer and Assistant County engineer before entering upon their duties as such Deputy and Such Assistant, shall take and subscribe an oath or affirmation that they will faithfully, impartially and to the best of their skill and ability discharge the duties of the Deputy County engineer and Assistant County engineer, respectively.

Be It Further Resolved, that the tenure of office of the Deputy County engineer and the Assistant County engineer herein provided for shall be at the pleasure of the Board of County Commissioners of Wyandotte County, Kansas and the County engineer of Wyandotte County, Kansas, and

Be It Further Resolved, that said Deputy County engineer and Assistant County engineer may be removed by said Board of County Commissioners and County engineer at any time with or without cause.

Be it Further Resolved, That the official duties performed by said Deputy County Engineer and Assistant County Engineer shall be assigned officially by the County Engineer of Wyandotte County, Kansas.

Be It Further Resolved, That there be created by the Board of County Commissioners of Wyandotte County, Kansas, the office of Clerk to the County Engineer, whose term of Office shall be at the pleasure of the Board of County Commissioners and the County Engineer, and whose salary shall be one Hundred Dollars (\$100.00) per month payable monthly, and who shall have had at least two years experience as a draughtsman.

ABSTRACT OF PROCEEDINGS

of the Board of County Commissioners, and of records on file in the office of the County Clerk of Wyandotte County, Kansas, in relation to the Improvement of the RIVER Road, (sometimes known as the Fred Sorter Road).

The petition for the improvement of the River road was filed, and all proceedings therein were had, prior to March 3 1917, and were taken under the provisions of Chapter 201 of the

Laws of Kansas of 1909, as amended, said act as amended and in force at the time of these proceedings being as follows:--

Sec 8815. Sec. 61. Wherever sixty per cent of the landowners along the lines of any regularly laid out road who shall own at least fifty per cent of the land to be taxed, within such distance as shall be stated in the petition hereinafter referred to, or on each side thereof, or within a radius of the distance prescribed in such petition on each side of such road, from any point thereof, and between the terminal points mentioned in such petition, shall petition the board of County Commissioners of the county in which such road is located for the improvement of such road, or any part thereof, said county commissioners shall cause said road or part of road thereof to be improved as prayed for in said petition and as hereafter provided: Provided However, That before such improvements as prayed for in such petition are ordered by the county commissioners they shall, by order of the board, find and declare it to be of public utility. (L. 1909, ch. 201, Sec. 1; March 10)

Sec. 8816. Sec 62. Such petition shall state: First, the name of the Road which or any part of which is to be improved; second, the points between which said improvements are to be made, third, the kind of improvements prayed for; fourth, the number of annual assessments to be made in payment thereof, not exceeding ten. (L. 1909, ch. 201, Sec. 2; March 10.)

Sec. 8817. Sec. 63. Upon the filing of such petition the said county Board shall cause an accurate survey of such road, or any part thereof, to be made by the county surveyor, or by some surveyor or engineer to be employed by them for that purpose, and a careful estimate of the cost of such improvement, with profile and specifications thereof, together with a map showing the several tracts of land within such distance as shall be stated in the petition, and cause the same to be filed in the office of the County Clerk of the county, (L. 1909, ch 201, sec 3; March 10.)

Sec. 8818. Sec 64. The county commissioners shall take charge of and conduct the improvements of such road in conformity with the profile and specifications so filed as aforesaid, and shall be authorized and empowered to make contracts for doing the work required in making such improvements, and in payment for any work so done or for any material furnished for the same said commissioners shall issue special-improvement bonds, payable within the time or times mentioned in the petition of such road, bearing interest at the rate of six per cent or less per annum. Such contracts shall be let in all cases to the lowest responsible bidder, the county commissioners reserving the right to reject any or all bids. Each bidder must accompany his bid with a certified check for one thousand dollars, payable to chairman of the board of county commissioners as a guarantee that if said work is awarded him he will enter into a contract with said board of county commissioners for the same; and if such bidder so awarded such contract shall fail to enter into or fulfil the same, the said one thousand dollars so deposited as aforesaid shall become and be the property of said county as its liquidated damages in the premises, and same shall become a portion of the general revenue fund of the county. Notice shall be published for one month previous to letting said contracts, in the official county paper. Each contractor shall give a bond in double amount of the contract price, securing to the county in which such work is done the faithful performance of such contracts; Provided, That no such commissioner or employ of the county shall be in any wise interested in such contract or work done thereunder. (L. 1909, ch. 201, Sec. 4, March 10.)

Sec. 8819. Sec. 65. The said county commissioners shall keep and file with the county clerk a complete record of their proceedings hereunder, and shall appoint a qualified person as superintendent to oversee and direct the work done hereunder, who shall receive as compensation therefor a sum not exceeding three dollars per day for the time actually employed in overseeing such work, such claim or account to be presented, duly verified under oath, as other claims against the county, and shall be paid from the general fund of the county. (L. 1909, ch. 201, sec. 5. March 10)

Sec. 8820. Sec. 66. Under the completion of any improvement hereunder, said county commissioners shall meet at the office of the county clerk and apportion three-fourths of the cost of said road among the several tracts of land, designated in the map, filed as aforesaid, according to the benefits accruing to the real property and improvements within the limits shown by said map. In making such apportionment of cost the commissioners shall give credit thereon for damages occasioned to the property through which said improvements are made; the remaining one-fourth of such cost shall be charged to the township, or townships in which such road improvements are made, which shall be raised in the manner now provided by law, for raising taxes for all township purposes. When said appraisal is returned the county commissioners shall appoint a time for holding a special session to hear any complaint that may be made as to the apportionment of costs of such special improvements, and at such special session the county commissioners may alter or change the appraisal of the tracts of land where the owner or agent feels aggrieved. (L. 1909, ch 201, Sec. 6, as amended by L 1911, ch 249, Sec 1; April 6.)

Sec. 8821. Sec 67. Whenever in the judgment of the county commissioners any part of said road is of general importance to the county, or if by reason of sand creeks or other reasons which would cause an unusual expense, the commissioners

may make an order to that effect and pay for such part of the road out of the general fund of the county, (L.1909, ch. 201, Sec.7; March 10.)

Sec 8822. Sec. 68. The county commissioners may receive subscriptions and donations in money and real or personal property which shall be applied in the construction or improvement of said road, and it shall be their duty to provide means in any manner they deem best for the partial payment of road construction or improvements as the work progresses, but in no case shall such payments be greater than seventy per cent of the engineer's estimated cost of the work finished. (L.1901, ch 201, Sec.8, as amended by L.1911, ch 249, Sec. 2; Apr.6.)

Sec 8823. Sec.69. Upon the completion of such apportionment of the cost of the improvement, aforesaid, the county clerk shall enter the same upon the duplicate tax rolls of the county, and the taxes shall be collected as other taxes; Provided, That the county clerk shall mail a written or printed notice to the owner of any tract of land liable to assessments for improvements, provided by this act; thirty days or more before the disposition of the bonds issued for such improvements. The notices to set forth the amount of assessments, and upon the payment of the same the property is relieved of further liability for such improvements. (L. 1901, ch.201, Sec.9, as amended by L.1911, Ch.249, Sec.3; April 6.)

Sec. 8824 Sec 70. The Township Board of each township, through which such improved road runs, are empowered to maintain and keep in repair such improved road. (L.1911, ch.249, Sec. 4; April 6.)

Sec. 8825. Sec. 71. All necessary bridges and culverts costing more than two hundred dollars along the line of any such road shall be built and made at the expense of the County and paid for from the general fund or the bridge fund of the county, and the expenses of surveying, locating and mapping such road shall be paid by the county and the fee therefor shall be the same as fixed for other county work: Provided, That this act shall not be construed to supersede or repeal any special act heretofore passed and under which any county is now operating or building roads: Provided further, That when such petition is filed with the county commissioners, no signer thereon shall be permitted to withdraw his name therefrom. (L.1909, ch.201, Sec.10; March 10.)

Sec. 8826. Sec. 72. The provisions of this act shall not apply to the construction or improvement of roads costing less than five hundred dollars per mile. (L.1909, ch. 201, Sec. 11; March, 10.)

MONDAY, January 3, 1916.

Pursuant to law, this being the first Monday in the month, the Board of County Commissioners met for the transaction of business. Present, David Buckland, Chairman, T.J. Lyons, Samuel Clarke, and F.M. Holcomb, County Clerk.

Petition signed by sixty per cent of the land owners who own more than fifty per cent of the land to be taxed on the River Road, to grade and macadam the same under Chapter 201, Laws of 1909, and amendments thereto, filed. Commissioners Journal Q, P. 531.

Said petition is in words and figures as follows:-
ROAD IMPROVEMENT--PETITION (Laws of 1909)

(The provision of this act shall not apply to the construction or improvement of roads costing less than five hundred dollars per mile,-- Sec.11, Chap.201, Laws of 1909.)

ROAD IMPROVEMENT PETITION.

To the HONORABLE BOARD OF County Commissioners of Wyandotte County, Kansas:

The undersigned land-owners, whose land lies adjacent to ro within a distance of 1/4 mile of the highway known as the River Road, in Quindaro Township, respectfully petition your honorable body to improve that portion of said road beginning at Fred Sorters at Leavenworth road running north ft. then N.W. to Mo.P.R.R. and terminating at what is known as bell crossing-----by ---- to be broken Rock or Macadam

(Here state the kind of improvement)

said improvements to be paid for in 10 annual assessments.

(Note-- No petitioner can withdraw his or her name from this petition after it has been filed with the county clerk.)

State of Kansas, Wyandotte County, SS.

I, the Undersigned, one of the land-owners whose name is subscribed to the foregoing petition, do solemnly swear that every one of the petitioners whose names are subscribed thereto is a land owner in the vicinity of the road proposed to be improved and that said names were written by the hand of or at the request of said petitioners; that they represent sixty per cent of the land owners along the line of the road proposed to be improved, and own fifty per cent of the land to be taxed for said improvement. So Help Me God.

A. E. Stinson. Principal Petitioner.

Subscribed and sworn to before me, this 30th day of August, 1915.

(Seal)

Frank M. Holcomb, County Clerk.

ORDER OF BOARD.

Finding that the within petition is legal and that the improvement petitioned for will be of public utility, it is ordered by the Board of County Commissioners that accurate survey shall be made and careful estimate of the cost shall be determined, and that such survey and estimate, together with a map showing the location of the road and the several tracts of land included in the petition, shall be filed with the County Clerk on or before the -----day of ----- 19--

Done by the Board this -----day of ----- 19--

Samuel Clark Chairman.

Attest:

William Bequa County Clerk.

Chapter 201, Laws of 1909.

Road Improvement Petition.

River Road
by Fred Sorter and others of Quindara Township-

Filed Dec. 29, 1915, F M Holcomb County Clerk

Ordered, that the same (said petition) be referred to the County Engineer to check the same in regard to acreage and land owners. Commissioners Journal Q, p 531.

Board adjourned to meet January 6, 1916, at 2 o'clock P.M.

Attest:

Frank Holcomb, County Clerk.

David Buckland, Chairman.

Thursday January 20, 1916.

Pursuant to adjournment taken upon Jan 17, 1916, the Board of County Commissioners met for the transaction of business, Present, T J Lyons, chairman, Samuel Clarke, David Buckland and F.M. Holcomb County Clerk.

The County Engineer reports the petition to grade and macadam the River Road under Chapter 201, Laws of 1909, contains sixty per cent of the land owners, owning fifty per cent of the land in said district. Commissioners Journal Q, p. 535.

Said report of the County Engineer is in words and figures as follows:

Office of County Engineer, Wyandotte County

Kansas City Kansas, Dec. 29th 1915.

Hon. Board of County Commissioners
Wyandotte County, Kansas.

Gentlemen:-- The attached petition for the improvement of the "River" Road in Quindaro Township from the Leavenworth Road to Bell Crossing of the Mo. Pacific R.R. is signed by 60% of the land owners owning 50% of the land in the district described in said petition.

Respectfully submitted

R.L. McAlpine, County Engineer.

Attached petition sufficient as to form
James M Meeks, Co. Atty.

Ordered by the Board that the same (the County Engineers report) be placed on file and the County Engineer instructed to prepare a plat of said district and check the same with the petition, and that the Engineer make an actual survey of said road and make a profile and specification, with a careful estimate of the cost thereof.

The Board adjourned to meet Monday, January 24th 1916, at 2 P.M.

Attest: F M Holcomb, Clerk.

T J Lyons, Chairman,
Commissioners Journal Q p 535-

Monday, January 24, 1916.

Pursuant to adjournment taken upon January 27, 1916. The Board of County Commissioners met for the transaction of business. Present, T.J.Lyons, Chairman, Samuel Clarke, David Buckland and F.M.Holcomb, County Clerk.

Journal of previous meeting read and approved.

Commissioners Journal Q. p 537.

Monday, February 7, 1916.

Pursuant to law this being the First Monday in the month, the Board of County Commissioners met for the transaction of business. Present, T J Lyons, chairman, Samuel Clarke, David Buckland and F M Holcomb, County Clerk.

Petition to macadam the Fred Sorter or River Road.

RESOLUTION.

Whereas, a petition signed by Fred Sorter and others whose lands lie along, adjacent to and within one-fourth mile on each side of the highway in Quindaro Township, Wyandotte County, Kansas, praying the improvement of that portion of said road, beginning at Fred Sorter's at the Leavenworth Road, running thence north and then northwest to the Missouri Pacific Railway and terminating at what is known as Bell's crossing, by macadamizing said highway between said points named;

And Whereas, said highway is a regularly laid out road, and it is made to appear to us that said petition contains the signatures of sixty per cent of the landowners along the line of said road who own at least fifty per cent of the land to be taxed to pay three-fourths of the cost of said improvements;

And Whereas, we have caused R.L.McAlpine, the County Engineer, to make an accurate survey of such road and a careful estimate of the cost of such improvement, with profile and specifications thereof, together with a map showing the several tracts of land within the radius of one-fourth mile on each side of said road, all of which are now on file in the office of the County Clerk;

And Whereas, it appears to us that said improvement will be of public utility, but before so finding and declaring we desire all parties interested to have an opportunity to be heard,

Therefore, Be It Resolved, that the County Clerk be and is hereby directed to publish in the official county paper, for three consecutive weeks, the following notice, to-wit:

Road Improvement Notice.

A petition praying that the highway in Quindaro Township, known as the River Road, be macadamized between Fred Sorter's, at the Leavenworth Road, and the Missouri Pacific Railway at Bell's Crossing, under the provisions of Chapter 201 Laws of 1909, signed by sixty per cent. of the land owners along the line of said road and who own fifty per cent of the land to be taxed, has been presented to the undersigned, and, together with a map showing the several tracts of land to be taxed to pay three-fourth of the cost of said improvements, a careful estimate of the cost of said improvements, with a profile and specifications thereof made by the County Engineer, are now on file in the office of the County Clerk of Wyandotte County Kansas.

Unless cause be shown to the contrary, on Monday, February 28th, 1916, at 2 o'clock P.M. of said day, to the undersigned, at their office in the Court House, Kansas City Kansas, the undersigned will find and declare said improvement to be of public utility and cause the same to be made.

The Board of County Commissioners
of Wyandotte County, Kansas.

Attest: F.M. Holcomb, County Clerk (Seal)

Be it Further Resolved, that further consideration of such petition be adjourned until Monday, the 28th day of February, 1916, at 2 o'clock p.m. said day.

The County Clerk will spread this resolution upon our journal.

Commissioners Journal Q. p. 539 40.

The Board adjourned to meet on Thursday, February 10, 1916, at 2 o'clock, P.M.

Attest: Frank M Holcomb, County Clerk.

T J Lyons, Chairman,

Attest: F.M. Holcomb, County Clerk.

(First published Feb, 11 1916)

Thursday, March 2, 1916.

Pursuant to adjournment taken upon February 29, 1916, the Board of County Commissioners met for the transaction of business- Present T J Lyons, Chairman, Samuel Clarke, David Buckland and F.M. Holcomb, County Clerk.

R. L. McAlpine, County Engineer, files plans and specifications and an estimate of the cost to grade and macadam the river Road from the Leavenworth Road to the Missouri Pacific Railway Company.

Commissioners Journal Q. p. 550.

The estimate of the County Engineer is in words and figures as follows:

R. L. McAlpine, County Engineer
J. M. Lindsay, Assistant
Wm. P. Henry, Assistant

Phones:
Bell 3320 West
Home 1600 West.

Office of County Engineer
Wyandotte County, Kansas.

Kansas City, Kansas, Feby. 4th 1916.

Hon Board of County Commissioners
Wyandotte County, Kansas.

Gentlemen: The following is a detailed estimate of the cost of improving the River Road from the Leavenworth Road to the Missouri Pacific Ry. as petitioned for by Fred Sorter and others.

| | |
|-------------------------------|----------------|
| 10800 Sq. yds. Macadam at 60¢ | \$6480.00 |
| Contengencies 5% | 324.00 |
| Total | <u>6804.00</u> |

Respectfully submitted

R.L. McAlpine, County Engineer.

Subscribed in my presence and sworn to before me this 2nd day of March, 1916.

Frank M. Holcomb, County Clerk.

Endorsement: filed March 2, 1916.

Frank M Holcomb, County Clerk.

The specifications filed by the County Engineer are in words and figures as follows:

Specifications for the improvement of the River Road from the
Leavenworth Road to the Missouri Pacific Railway,

LOCATION

This road is located in section 19 and 30 Twp. 10 S. R. 25 E. beginning at the south east corner of the south west quarter of said Section 30 and running thence north and north westerly to the Missouri Pacific Railway tracks in said Section 19, a distance of $1\frac{1}{2}$ mile.

ROAD-BED

Grading: The road is substantially to grade now but such surfacing shall be done as shall

make a road bed 22 feet wide on top and nine inches below the grade line at outer edges.

All embankments shall be brought up full width from the bottom and those of 2 feet depth or more, shall be thoroughly compacted by being rolled in layers of not to exceed 12 inches in depth with roller weighing not less than two (2) tons

Ditches shall be constructed as shown on the cross section plan and finished so as to thoroughly drain the road bed, carry the water to the proper outlets and leave no pools or standing water.

The sides of the ditches next to the road bed shall be true and regular slopes from the bottom of the ditch to the edge of the crown.

Cross roads and farm approaches shall be under drained or dispensed with whenever possible, without injuring the road ditches. The bottom of the ditches shall be made straight and parallel to the road.

All stumps and large stones that will interfere with the proper construction of the road shall be removed; but corner stones or other monuments to land lines must not be disturbed except under the personal direction of the County Surveyor or his Deputy who will superintend the raising or lowering of the same.

Sub-grade:

The sub-grade shall be constructed by the contractor as shown on the cross section plan; fourteen feet in width, four inches below the grade line at the center and nine inches at the sides after being thoroughly compacted by rolling as hereinafter specified.

Rolling:

After the sub grade has been properly shaped and before any macadam material has been placed thereon the sub-grade shall be thoroughly rolled and compacted with a roller weighing not less than 400 pounds per lineal inch of wheel which shall be the character and weight of roller used throughout the work. All hollows which develop during the process of rolling shall be filled with acceptable material and rolled and so treated until the depressions disappear.

Culverts & Drains:

Whenever the construction of culverts or drains is necessary the same will be done by the County as separate work from this contract and finished in advance of the sub-grade.

Macadam

Upon the subgrade surface prepared as above described there shall be placed a covering of broken stone fourteen (14) feet wide, twelve (12) inches deep in the center and nine (9) inches deep at the sides; the surface to be finished in an arc of a circle as shown on the cross section drawing.

The stone shall be placed on the road in two layers.

1st Layer:

The first layer shall be spread to a depth of about six (6) inches over the full specified width of macadam to the earth berms at the sides and shall consist of limestone broken into fragments of a diameter as near as possible of $3\frac{1}{2}$ inches. Stone less than $1\frac{1}{2}$ inches must not be too freely used in either layer and while these specifications are intended to provide for the entire output of a crusher, they must not be interpreted to permit the use of any excess of stone of less than $1\frac{1}{2}$ inches in diameter. This layer shall be thoroughly rolled with the above described roller but no rolling of first layer will be permitted when foundation is wet or soft.

2nd Layer:

The second layer shall consist of limestone broken into fragments of a diameter as near as practicable of $2\frac{1}{2}$ inches, and spread over the first layer in such quantity that after having been thoroughly rolled it will make the required thickness of macadam. The rolling of this course shall continue until settlement ceases.

Screenings:

After the second layer has been sufficiently compacted, a filler consisting of limestone fragments or screenings all of which shall pass through a $\frac{3}{8}$ inch ring, shall be applied during the finishing process of rolling to such an extent as to completely fill the interstices of the larger stone and form a compact mass. Rolling shall be continued until the stone ceases to sink or creep under the roller.

Screenings or filler shall not be dumped on the surface of the road, but

make a road bed 22 feet wide on top and nine inches below the grade line at outer edges.

All embankments shall be brought up full width from the bottom and those of 2 feet depth or more, shall be thoroughly compacted by being rolled in layers of not to exceed 12 inches in depth with roller weighing not less than two (2) tons

Ditches shall be constructed as shown on the cross section plan and finished so as to thoroughly drain the road bed, carry the water to the proper outlets and leave no pools or standing water.

The sides of the ditches next to the road bed shall be true and regular slopes from the bottom of the ditch to the edge of the crown.

Cross roads and farm approaches shall be under drained or dispensed with whenever possible, without injuring the road ditches. The bottom of the ditches shall be made straight and parallel to the road.

All stumps and large stones that will interfere with the proper construction of the road shall be removed; but corner stones or other monuments to land lines must not be disturbed except under the personal direction of the County Surveyor or his Deputy who will superintend the raising or lowering of the same.

Sub-grade:

The sub-grade shall be constructed by the contractor as shown on the cross section plan; fourteen feet in width, four inches below the grade line at the center and nine inches at the sides after being thoroughly compacted by rolling as hereinafter specified.

Rolling:

After the sub grade has been properly shaped and before any macadam material has been placed thereon the sub-grade shall be thoroughly rolled and compacted with a roller weighing not less than 400 pounds per lineal inch of wheel which shall be the character and weight of roller used throughout the work. All hollows which develop during the process of rolling shall be filled with acceptable material and rolled and so treated until the depressions disappear.

Culverts & Drains:

Whenever the construction of culverts or drains is necessary the same will be done by the County as separate work from this contract and finished in advance of the sub-grade.

Macadam

Upon the subgrade surface prepared as above described there shall be placed a covering of broken stone fourteen (14) feet wide, twelve (12) inches deep in the center and nine (9) inches deep at the sides; the surface to be finished in an arc of a circle as shown on the cross section drawing.

The stone shall be placed on the road in two layers.

1st Layer:

The first layer shall be spread to a depth of about six (6) inches over the full specified width of macadam to the earth berms at the sides and shall consist of limestone broken into fragments of a diameter as near as possible of $3\frac{1}{2}$ inches. Stone less than $1\frac{1}{2}$ inches must not be too freely used in either layer and while these specifications are intended to provide for the entire output of a crusher, they must not be interpreted to permit the use of any excess of stone of less than $1\frac{1}{2}$ inches in diameter. This layer shall be thoroughly rolled with the above described roller but no rolling of first layer will be permitted when foundation is wet or soft.

2nd Layer:

The second layer shall consist of limestone broken into fragments of a diameter as near as practicable of $2\frac{1}{2}$ inches, and spread over the first layer in such quantity that after having been thoroughly rolled it will make the required thickness of macadam. The rolling of this course shall continue until settlement ceases.

Screenings:

After the second layer has been sufficiently compacted, a filler consisting of limestone fragments or screenings all of which shall pass through a $\frac{1}{2}$ inch ring, shall be applied during the finishing process of rolling to such an extent as to completely fill the interstices of the larger stone and form a compact mass. Rolling shall be continued until the stone cease to sink or creep under the roller.

Screenings or filler shall not be dumped on the surface of the road, but

shall be shoveled from wagons or piles in order to secure even and proper distribution.

Samples of stones should be submitted to the Board of County Commissioners with each bid and when approved the material of inferior quality shall be used.

A sample should consist of about 25 pounds.

Water:

When necessary, water shall be freely applied and rolling continued until a compact bond is formed; screenings to be renewed whenever in the process of rolling the broken stones appear on the surface.

Stone: The stone used shall be hard limestone of good quality and with fractured faces, quarried from solid ledges; no water worn faces will be permissible. Stone to be uniform of texture and free from rotten and inferior stone; shall be well screened and free from earth clay and foreign matter of all kinds.

Approaches

Approaches shall be made at the intersection of all public roads, and approaches shall extend fifty feet from the edge of the road bed to the surface of the ground at that distance, the outer end of said approach shall be fourteen feet wide and increased to twenty four feet at the edge of the road-bed; each approach shall receive 20 cu.yds. of $3\frac{1}{2}$ inch stone without binder.

FARM APPROACHES

One approach shall be built to the driveway of each residence along the line of the improvement. These driveways shall be graded twelve feet wide on top and extend back fifteen feet from the edge of the road bed. Each farm approach shall receive four cu.yds. of broken stone of a diameter between $2\frac{1}{2}$ and $3\frac{1}{2}$ inches.

GENERAL.

All work shall be done in a neat workmanlike manner and to the complete satisfaction of the County Engineer or his agent, and notice to foremen or person in charge of the work shall be considered notice to the contractor if the latter is not on the work.

No extras will be allowed unless especially ordered in writing by the Board of County Commissioners and all material, tools, machinery and labor necessary for the prompt and complete execution of the work shall be furnished by the contractor.

The Board of County Commissioners may, if the work is not commenced and carried forward satisfactory notify the bondsmen of the contractor and relet the work at the expense of the contractor or complete the work by force account, employing machinery, teams, superintendent, etc. and charge the same to contractor and bondsmen.

The work will be staked out by the County Engineer or his assistant and the contractor will be required to carefully preserve all stakes until authorized to remove them and any expense of replacing same by reason of negligence in this respect by the contractor or his subordinate will be charged to the contractor.

Before final payment the contractor shall furnish evidence that all labor, materials and damage has been paid for.

The right is reserved to reject any and all bids.

The work shall commence at such points as the County Engineer May designate; the Engineer may from time to time suspend the work at certain places or altogether if in his opinion the public requires it.

In case of such suspension the time is which the contractor is required to complete the work shall be extended as many days as the same was suspended.

Day and night watchmen, barricades and lights will be so employed or erected by the contractor as to safeguard public travel and the contractor shall hold the county harmless from and all claims resulting from the obstruction of the traveled road on the part of the contractor or his agents or employees either in failing to keep watchmen, barricades or lights or otherwise.

The plans and specifications are a part of the contract and will be held to cover any and all work that could be reasonably inferred as needed for a complete and workmanlike job. Any work shown on the plans and not mentioned in the specifications and vice versa shall be done as if shown by both.

Any question as to measurements or any question in dispute will be determined by the County Engineer whose decision shall be final.

The successful bidder shall satisfy the Board of County Commissioners before the contract is awarded to him that he has or will promptly provide suitable and proper men, tools and machinery to perform and complete the work.

The contractor shall not transfer or sublet any part of this contract without written consent of the County Commissioners.
All excess or waste material shall be removed by the contractor before the final acceptance and the work shall be left with a neat and finished appearance

Endorsement: filed March 2, 1916

Frank Holcomb, County Clerk.

On motion by D. Buckland, that the same (the plans and specifications and estimate) be approved, adopted and placed on file, and the County Clerk to advertise for bids, same to be opened on Monday, April 10, 1916, at 12 o'clock M. Second, s, Clarke; Ayes, Lyons, Clarke and Buckland. Motion Carried.

Commissioners Journal Q, p. 550.

The Board adjourned to meet Monday, March 6th 1916, at 10 o'clock A.M.

T J Lyons, Chairman

NOTICE TO CONTRACTORS.

Sealed bids will be received by the Board of County Commissioners of Wyandotte County, Kansas, at my office in Kansas City, said County, until 12 M. upon Monday, April 19, 1916, at which time said bids will be opened for furnishing all the material and labor for to grade and macadam the River Road from the Leavenworth Road to the Missouri Pacific Railway Company according to plans and specifications now upon file in my office.

Each bid must be accompanied by a deposit of one thousand dollars (\$1,000.) in cash or by certified check for that amount drawn upon some responsible bank in said county and payable to the order of Frank. M. Holcomb, County Clerk, as an earnest of good faith upon the part of the bidder, that if awarded the contract he will forthwith accept same, and will enter into a bond and contract satisfactory to said board, and that if he fail so to do, said onethousand dollars (\$1,000) deposit

shall therefore be forfeited to said county as liquidated damages for the benefit of its road fund.

Said bond furnished by the successful bidder must be a corporation Bond in a sum not less than that of the contract price entered into and must be executed by a guarantee company authorized to do business in this state.

Said contract and work must be completed within 120 days from and after the date upon which the contract is signed by both parties thereto, and for each and every day delay after the expiration of said 120 days upon the part of the contractor incompleting his work and contract he shall forfeit to said county the sum of ten dollars per day as liquidated damages and said forfeit money may be withdrawn by said Board out of the contract price in final settlement with the contractor.

Said Board reserves the right to reject any and all bids.

Witness My hand and official seal of this County this 2nd day of March 1916.

Commissioners Docket M p. 168.

Thursday April 20 1916.

Pursuant to adjournment taken on April 17, 1916, the Board of County Commissioners met for the transaction of business. Present, T.J. Lyons, Chairman, Samuel Clarke, David Buckland and F.M. Holcomb, County Clerk.

Archie Turner files bond and contract to macadam the River Road from the Leavenworth Road to the Missouri Pacific Railway Company. Commissioners Journal Q, p 577.

The contract and bond of Archie Turner in relation to the improvement of the River Road are in words and figures as follows:

This contract and agreement made and entered into this 17 day of April, 1916, by and between Archie Turner, party of the first part and the Board of County Commissioners of the County of Wyandotte and State of Kansas, party of the second part,

Witnesseth: That the said party of the first part for and in consideration of the payment hereinafter mentioned to be made as herein agreed and stipulated by said party of the second part, hereby agrees and obligates itself to furnish all the material, perform all the labor and to macadam the River Road from the Leavenworth Road to the Missouri Pacific Railway Company in said county and each and every part thereof in strict compliance with and according to the plans and specifications therefor on file in the office of the County Clerk of said county, and which are referred to hereto attached and made a part of this contract and agreement as fully as though herein set out at length.

And said party of the first part also agrees that all of the material aforesaid by the terms and provisions of said plans and specifications to be furnished and used in and about said work, shall be in every respect good, proper and sufficient for the construction, building and completion of all the work necessary to be done in and about the construction of said work, and put in place and finished in a good and workmanlike manner in strict compliance with and conformity to said plans and specifications and under the supervision, and to the entire satisfaction of the County Surveyor of said county, who shall supervise and examine said work and material.

The whole of said work provided for and contemplated by said plans and specifications to be approved and accepted by said party of the second part before any payments shall be made as hereinafter agreed and specified,

It is also agreed by said party of the first part that said work shall be commenced within thirty (30) days after the date of the signing of this contract, and the whole of said work finished and completed as in said plans and specifications set out, and as in this contract agreed to be done within ninety days from the date of said signing; and for each and every day's delay by said party of the first part in completing the work beyond the date fixed herein for its completion, there shall be, by said party of the first part, forfeited to said County of Wyandotte, Kansas, the sum of Ten Dollars per day and as for liquidated damages for said failure to complete said contract and work within the time hereby fixed, which said sum of ten Dollars per day shall, upon the final settlement with said party of the first part, be withheld out of the sum herein agreed to be paid. Provided, that should the weather or condition of the stream be such as to actually delay said work, or any cause or causes beyond the control of said party of the first part, prevent the completion of said work within the time herein specified, then the time for the completion of the same shall be extended for a period of time not less than that caused by such delay.

And said party of the second part hereby agrees and promises to and with said party of the first part, in consideration of the full, complete and faithful performance by said party of the first part of all the conditions, obligations and agreements herein set out to be done and performed by said party of the first part and the faithful construction of said work, and the furnishing of all the labor and material in and about the same in strict conformity with the plans and specifications and in accordance with this contract, and upon the final approval and acceptance thereof by said party of the second part to pay to said party of the first part the sum of Sixty (60) Cents per Square Yards Dollars.

Contract No. 100-10000

Contract for the construction of a building to be located on the corner of Main Street and 1st Street, City of St. Louis, Missouri. The building to be constructed shall be a two-story brick building with a total area of approximately 10,000 square feet. The building shall be constructed in accordance with the plans and specifications attached hereto and approved by the Board of Public Works of the City of St. Louis.

Contract No. 100-10000, dated this 1st day of May, 1910.

Witness my hand and the seal of the City of St. Louis, Missouri, this 1st day of May, 1910.

Contract No. 100-10000

Contract for the construction of a building to be located on the corner of Main Street and 1st Street, City of St. Louis, Missouri. The building to be constructed shall be a two-story brick building with a total area of approximately 10,000 square feet. The building shall be constructed in accordance with the plans and specifications attached hereto and approved by the Board of Public Works of the City of St. Louis.

Contract No. 100-10000, dated this 1st day of May, 1910. Witness my hand and the seal of the City of St. Louis, Missouri, this 1st day of May, 1910.

The contract for the construction of the building to be located on the corner of Main Street and 1st Street, City of St. Louis, Missouri, shall be subject to the following conditions:

1. The contractor shall commence work on the building on or before the 1st day of June, 1910, and shall complete the same on or before the 1st day of September, 1910. The contractor shall be responsible for the completion of the building within the time specified herein.

2. The contractor shall be responsible for the construction of the building in accordance with the plans and specifications attached hereto. The contractor shall be responsible for the quality of the materials used in the construction of the building and for the workmanship of the construction. The contractor shall be responsible for the safety of the building during the construction.

3. The contractor shall be responsible for the payment of all taxes and assessments levied on the building during the construction. The contractor shall be responsible for the payment of all costs incurred in the construction of the building, including the cost of the materials, the cost of the labor, and the cost of the construction.

4. The contractor shall be responsible for the maintenance of the building during the construction. The contractor shall be responsible for the removal of all debris and waste from the building site during the construction.

5. The contractor shall be responsible for the completion of the building in accordance with the plans and specifications attached hereto. The contractor shall be responsible for the quality of the materials used in the construction of the building and for the workmanship of the construction. The contractor shall be responsible for the safety of the building during the construction.

6. The contractor shall be responsible for the payment of all taxes and assessments levied on the building during the construction. The contractor shall be responsible for the payment of all costs incurred in the construction of the building, including the cost of the materials, the cost of the labor, and the cost of the construction.

Commissioners Docket M p. 168.

Thursday April 20 1916.

Pursuant to adjournment taken on April 17, 1916, the Board of County Commissioners met for the transaction of business. Present, T.J. Lyons, Chairman, Samuel Clarke, David Buckland and F.M. Holcomb, County Clerk.

Archie Turner files bond and contract to macadam the River Road from the Leavenworth Road to the Missouri Pacific Railway Company.
Commissioners Journal Q, p 577.

The contract and bond of Archie Turner in relation to the improvement of the River Road are in words and figures as follows:

This contract and agreement made and entered into this 17 day of April, 1916, by and between Archie Turner, party of the first part and the Board of County Commissioners of the County of Wyandotte and State of Kansas, party of the second part,

Witnesseth: That the said party of the first part for and in consideration of the payment hereinafter mentioned to be made as herein agreed and stipulated by said party of the second part, hereby agrees and obligates itself to furnish all the material, perform all the labor and to macadam the River Road from the Leavenworth Road to the Missouri Pacific Railway Company in said county and each and every part thereof in strict compliance with and according to the plans and specifications therefor on file in the office of the County Clerk of said county, and which are referred to hereto attached and made a part of this contract and agreement as fully as though herein set out at length.

And said party of the first part also agrees that all of the material aforesaid by the terms and provisions of said plans and specifications to be furnished and used in and about said work, shall be in every respect good, proper and sufficient for the construction, building and completion of all the work necessary to be done in and about the construction of said work, and put in place and finished in a good and workmanlike manner in strict compliance with and conformity to said plans and specifications and under the supervision, and to the entire satisfaction of the County Surveyor of said county, who shall supervise and examine said work and material.

The whole of said work provided for and contemplated by said plans and specifications to be approved and accepted by said party of the second part before any payments shall be made as hereinafter agreed and specified,

It is also agreed by said party of the first part that said work shall be commenced within thirty (30) days after the date of the signing of this contract, and the whole of said work finished and completed as in said plans and specifications set out, and as in this contract agreed to be done within ninety days from the date of said signing; and for each and every day's delay by said party of the first part in completing the work beyond the date fixed herein for its completion, there shall be, by said party of the first part, forfeited to said County of Wyandotte, Kansas, the sum of Ten Dollars per day and as for liquidated damages for said failure to complete said contract and work within the time hereby fixed, which said sum of ten Dollars per day shall, upon the final settlement with said party of the first part, be withheld out of the sum herein agreed to be paid. Provided, that should the weather or condition of the stream be such as to actually delay said work, or any cause or causes beyond the control of said party of the first part, prevent the completion of said work within the time herein specified, then the time for the completion of the same shall be extended for a period of time not less than that caused by such delay.

And said party of the second part hereby agrees and promises to and with said said party of the first part, in consideration of the full, complete and faithful performance by said party of the first part of all the conditions, obligations and agreements herein set out to be done and performed by said party of the first part and the faithful construction of said work, and the furnishing of all the labor and material in and about the same in strict conformity with the plans and specifications and in accordance with this contract, and upon the final approval and acceptance thereof by said party of the second part to pay to said party of the first part the sum of Sixty (60) Cents per Square Yards Dollars.

And it is also understood and agreed by and between the parties hereto that the plans and specifications are intended to co-operate, so that any work shown upon the plans and mentioned in the specifications, or vice versa, is to be executed the same as if it was of said plans and specifications, and without any extra charge therefor.

And the said party of the second part hereby agrees to allow monthly the said party of the second part estimate to the amount of 70% of work.

And it is stipulated by and between the parties hereto that if in the construction of said work the said party of the second part should desire to change or alter the plans or specifications herein as to any part of said work, it shall have the right to do so upon such terms and conditions as may be agreed upon between the parties hereto, but no such change shall be made except in writing and signed by both parties.

It is further understood and agreed that if said party of the first shall at any time during the progress of said work neglect or refuse to supply material of the character stated in said plans and specifications necessary for said work, or shall refuse or neglect to proceed with said work, the said party of the second part shall have the right either to provide material and workmen and finish said work, or to declare this contract at an end and forfeited and re-let the said work. Provided, however, that said party of the second part shall first give the said party of the first part five (5) days notice in writing to proceed with said work or furnish the necessary material before taking charge of said work or re-letting the same; and, providing further, that in case said party of the second part shall be compelled to take charge of and complete said work or re-let the same, then and in either of these cases the said party of the first part shall not be entitled to, or have any claim or claims against said party of the second part for the value of any work or material furnished under and by virtue of this contract.

It is also distinctly understood and agreed that during the progress of said work and before its completion and final acceptance as a whole, by said party of the second part, the said party of the second part shall not in any event be liable or answerable for any loss or damage that shall or may happen to the said work or any part or portion thereof, or for the loss or damage of any material or things used and employed in and about said work from any cause or causes whatever, but said work and each and every part thereof shall be done and carried on until its final completion and acceptance as a whole by said party of the second part at the sole risk of said party of the first part.

It is further agreed and understood that in the construction of said work said party of the first part shall and will use every reasonable and proper precaution to avoid and prevent accidents or damages to persons and property, and shall at all times respond to the County of Wyandotte, and save it harmless from all and every damage, loss, cost and expenses of every kind and nature resulting from or caused by any act of the said party of the first part, its servants, agents and employes in the construction of said work, or by reason of any act done under the provisions of this contract.

It is also agreed that said party of the first part shall, before final payment is made furnish and deliver to said party of the second part full and complete receipts and releases of all claims, liens or demands for labor or material furnished in and about said work and chargeable to said party of the first part, and if at any time there shall be any claims, liens or demands presented or established which should be charged to and paid by said party of the first part, and which might become a lien or charge against said party of the second part, or the basis of an action or proceeding against the County of Wyandotte, the said party of the second part shall have the right to retain from any payments due said party of the first part an amount or amounts sufficient to completely indemnify the said county against such claims or liens.

In Witness Whereof, said party of the first part has caused these presents to be signed by Archie Turner and the said party of the second part has caused the same to be signed by its chairman and attested by the seal of said party of the second part this 17th day of April 1916.

Attest: Frank M. Holcomb, County Clerk (SEAL)

(Signed) T. J. Lyons, Chairman
of the Board of Co. Com.

Form No. 879

FIDELITY AND DEPOSIT COMPANY of MARYLAND.

Home office: Baltimore Maryland.

-----B O N D-----

KNOW ALL MEN BY THESE PRESENTS: That we, Archie Turner of Rosedale, Kansas, as principal, and Fidelity and Deposit Company of Maryland, a corporation, duly organized under the laws of the State of Maryland with its principal office in the City of Baltimore, Maryland, and qualified in the State of Kansas to become surety upon bonds and undertakings, as surety, are held and firmly bound unto the Board of County Commissioners of the County of Wyandotte, State of Kansas, in full and just sum of Six Thousand Four Hundred and Forty (\$6,440.00) Dollars, for the payment of which, well and truly to be made we do hereby bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

The conditions of the above obligation is such: That, whereas on the 12th day of April, 1916, the said Archie Turner entered into a contract with the Board of County Commissioners of Wyandotte County, Kansas, for furnishing all the material and performing all the labor necessary to construct macadam road or pavement on the River Road from the Leavenworth Road to the Missouri Pacific Railway Company in said Wyandotte County, Kansas, in accordance with the terms of said contract and the plans and specifications for said work, on file in the office of the County Clerk of said Wyandotte County, Kansas which contract plans and specifications are hereby referred to and made a part hereof, the same as though copied at length herein.

NOW, THEREFORE, if the said Archie Turner shall furnish all of the labor and material, in and about said work, in strict conformity with the plans and specifications, and in accordance with all the terms of said contract, and shall complete said work in a good and workmanlike manner within the time specified in said contract or within the time provided for in any extension granted by the said Board of County Commissioners to the said Archie Turner for the completion of said work, then this obligation shall be void; otherwise to be and remain in full force and effect.

Attest: (Signed)

Dated this 12th day of April, 1916.

Power of Attorney

Fidelity and Deposit Company of Maryland, Home office Baltimore, Maryland

KNOW ALL MEN by these Presents:

That the Fidelity and Deposit Company of Maryland, by Fred S. Axtell, its Vice-President, and Frank P. Welsh, its assistant Secretary, in pursuance of authority granted by Article VI, Section 3 of the By-Laws of said Company a copy of which section is hereto attached, does hereby nominate, constitute and appoint James Van Buren, E. E. Tutt, James G. Guinotte, and H. P. Fones all of the City of Kansas City State of Missouri, its true and lawful agents and attorneys-in-fact, to make, execute, seal and deliver for and on its behalf, as surety, and as its act and deed, any and all bonds and undertakings.

Bonds authorized to be executed by this power of attorney to be signed for the Company by said James Van Buren, as Resident Vice President, and countersigned and the seal of the Company affixed by either said E. E. Tutt, James G. Guinotte, or H. P. Fones, as Resident Assistant Secretary.

It being understood that any bond executed under this power required in any State which has a resident agents law, shall be countersigned by a licensed agent of the Company, residing in the state where the bond is required.

And the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Company, as fully and amply, to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its office in Baltimore, Maryland, in their own proper persons.

In Witness Whereof, the said Fred S. Axtell, Vice-president, and Frank P. Welsh, Assistant Secretary, have hereunto subscribed their names and affixed the Corporate Seal of the said Fidelity & Deposit Company of Maryland, this 26th day of July, A. D. 1915.

Attest:

Petition from citizens of Quindaro Township on the River Road reports contract not up to specifications. Ordered by the Board that the same be placed on file.

Motion by Lyons that the County Engineer be instructed to investigate the contract on the River Road and, if work is not up to specifications, to stop same at once; seconded by Clarke, Ayes, Clarke and Lyons, motion carried,

Commissioners Journal R. p.11

The petition of Quindaro citizens is in words and figures as follows;

Quindaro, Kansas, June, 28 1916.

We, the undersigned taxpayers and residents residing along the road known as Bell Crossing which is under the course of construction, extending from the Leavenworth Road, running northwesternly to the Missouri-Pacific Railroad, about one and one fourth miles long, desire that the road be put down according to the way it is specified in specifications. The work being done is unsatisfactory to us, as we are paying for a good road and that is what we want.

We, therefore, authorize John R. Barnett to present this petition to the Honorable Board of Commissioners and the County Engineer. We would appreciate your immediate attention to the above matter.

Signed.

Adopted (T J Lyons)
 (Samuel Clarke) Board of County Commissioners.
 (David Buokland)

Mailed Cards Jan 31.

In the matter of the assessment and apportionment of cost of grading and macadamizing the River Road under Chapter 201. Laws of 1909 and amendments thereto, ordered by the County Board that the County Clerk notify the land owners of the assessment and their apportionment of the cost of grading and macadamizing the River Road; that a special meeting of the Board be held on Thursday, January 18, 1917, at 2 P M for the purpose of hearing any complaint that may be made against said assessment and apportionment.

Commissioners Journal R, p. 48-

Board adjourned to meet Monday, January 8 1917, 2 o'clock P.M.

T J Lyons, Chairman.

F M Holcomb, County Clerk

Monday January 8, 1917.

Pursuant to adjournment taken on January 4, 1917, Board of County Commissioners met for the transaction of business. Present: T J Lyons, Chairman, Samuel Clarke, David Buokland and F M Holcomb, County Clerk.

Whereas said County Surveyor duly prepared accurate survey of said road and made a careful estimate of the cost of such improvement together with a profile and specifications thereof and a map showing the several tract of land within the distance stated in the petition, and

Whereas the County Commissioners thereupon took charge of the improvement of such road in conformity with the profile and specifications so filed as aforesaid and duly advertized and let a contract for the doing of the work required in making such improvement and,

Whereas the County Surveyor has heretofore reported that the making of such improvement upon such road have been completed, and

Whereas the Board of County Commissioners by personal inspection found that said improvements have been completed in accordance with the plans and specifications adopted therefor, and

Whereas the Board of County Commissioners personally viewed all the property together with the improvements thereon shown upon the map heretofore referred to which said map showed the several tracts of land within the distance stated in the petition and by such personal inspection of several tracts of land together with the improvements thereon did duly meet for the purpose of assessing and apportioning three-fourths of the cost of improvement of said road among the several tracts of lands so designated according to the benefits accruing to the real property and the improvements within the limits shown by said map and giving due credit thereon for any damages occasioned to the property through which said improvements were made, and

Whereas after returning of said apportionment the Board duly appointed the 18 day of Jany. 1917 at the rooms of the County Commissioners in the Court House in the City of Kansas City, Kansas as the time and place for the holding of a special session to hear any complaints that might be made as to the apportionment of costs of such special improvements, and

Whereas various persons appeared before said Board and were heard respecting any complaint they might have and

Whereas said Board of County Commissioners at such special session took the matter under advisement in order to make a further personal inspection of the road and improvement to determine whether there should be any change or alteration in the apportionment of the tracts of land regarding which the owners expresses themselves as aggrieved and Whereas the Board of County Commissioners after full and due consideration and being fully advised in the premises and having made personal inspection of the land and improvements and hearing all complaints from the owners thereof and

Whereas upon full and due consideration it is found that the tracts of land marked upon said map together with the number of acres the value thereof the value of improvements the total value together with the names of the owners so far as the Board is able to ascertain the same are as follows, to-wit:

Now Therefore be it resolved that therebe and is hereby assessed and apportioned three-fourths of the costs of said road among the several tracts of land designated in the map filed as aforesaid according to the benifited accruing to the real property and improvements within the limits shown on said map after making the allowance for all damages occasioned as follows, to-wit:

RECAPITULATION

Be it further resolved that the County Clerk shall enter 1/10 of the above assessment upon the tax rolls of the County each year for ten years provided however that the County Clerk shall mail a written or printed notice to owners or owner of any of the tracts of land whose addresses he can ascertain and that he publish a notice in the official paper to all owners of any of the tracts whose addresses he is unable to ascertain and that the notice set forth the amount of assessment and further notify the parties that upon the payment of the same their property will be relieved of every liability for such improvements if payments are made thereunder on or before the 10th day of _____.

And be it further resolved that one-fourth of the cost of said improvement to-wit: the sum of \$1605.00 be charged to Quindaro Township and that said sum be raised by said Township in the manner now provided by law for raising taxes for all township purposes, and

Be It Further Resolved that the assessments and apportionments herein made shall be in lieu of all road tax assessments upon the land described in the petition for the time such assessments are levied.

according to the benefits accruing to the real property and improvements within the limits shown by said map, giving credit thereon for damages occasioned to the property through which said improvements were made and causing the remaining one-fourth of such cost to be charged to Quindaro Township, the Township in which such road improvements were made, and cause said appraisal to be returned and filed, and thereupon did appoint a time for the holding of a special session to hear complaints as to the apportionment of the cost of such special improvements, at which special session complaints were heard and overruled and said appraisal confirmed and filed: and,

Whereas, upon the completion of such apportionment as aforesaid, the County Clerk of Wyandotte County entered the same upon the duplicate tax rolls of this County for collection as other taxes, and mailed a written and printed notice to the several owners of the tracts of land liable to assessment for said improvements at least thirty (30) days prior to the disposition of any bonds issued or to be issued thereof, which notices set forth the amount of the assessment and that upon payment of the same the property therein described would be relieved of further liability for such improvements; and,

Whereas the cost of said improvements, including the expense of executing and registering bonds to pay therefor, amounts to Six Thousand Four Hundred Nineteen and 17/100 Dollars, (\$6419.17) and,

Whereas, thirty days have elapsed since the sending of such notices and certain of the property owners within the district shown on said map have paid their assessments in full, and in the aggregate there has been paid on account thereof the total sum of Three Thousand Three Hundred Forty Four and 55/100 Dollars, (\$3244.55), leaving a balance unpaid and to be collected as other taxes in ten annual assessments, amounting to the sum of Three Thousand seventy four and 62/100 Dollars (\$3074.62). and,

Whereas, in the petition for said work, the property owners petitioned that the cost of such improvements should be paid for in ten (10) annual assessments; and

Whereas for the purpose of raising the necessary revenue with which to pay the balance of the cost of said improvements without waiting for the money to be collected by said ten several annual assessments, it is necessary to issue special improvement bonds of Wyandotte County, payable within ten years and bearing interest at the rate of six per cent (6%) per annum;

Now, Therefore, Be it resolved by the Board of County Commissioners of Wyandotte County, Kansas:

Sec. 1. That under and by virtue of Chapter 201 of the laws of Kansas of 1909 and the amendments thereto, Wyandotte County in the State of Kansas shall issue its negotiable coupon special improvement bonds in payment of the work done and material furnished in the improvement of the River Road in Wyandotte County, Kansas.

Sec. 2. That the total and aggregate amount for which said bonds shall be so issued be fixed at the sum of Three Thousand Seventy Four and 62/100 Dollars (\$3074.62.) being the aggregate balance of the cost of improving said River Road after crediting on the original total cost thereof the amount of assessments paid in full by property owners liable for the cost thereof.

Sec. 3 Said Bonds shall be known and designated as Wyandotte County Special Improvement Bonds, Series-----.

Sec. 4. Said bonds shall be numbered consecutively from 1 to 4, both inclusive, and shall bear interest at the rate of six per cent. per annum, payable semi-annually on the first days of January and July in each year, the interest thereon to be evidenced by interest coupons attached thereto.

Sec 5. Said bonds shall bear date the first day of July, 1917, and shall become due and payable without option of prior payment, on the 1st day of July A.D. 1927.

Said Bonds shall be issued in the following denominations:

- Bond No. 1, for \$1,000.
- Bond No. 2, for \$1,000.
- Bond No. 3, for \$1,000.
- Bond No. 4, for \$ 74.62

Sec. 6. Said bonds and the interest thereon shall be payable at the office of the Treasurer of the State of Kansas in the City of Topeka Kansas.

Sec. 7. Each bond shall bear on its face the amount thereof, the rate of interest it bears, the number of such bond, the date of issue when and where payable, for what purpose issued, and shall be made payable to bearer, which bond together with the coupons thereto attached shall be signed by the chairman of the board of County Commissioners of Wyandotte County, Kansas, and attested by the Clerk of said County and each bond shall have the impression of the seal of the County thereon.

Sec. 8. Each of said bonds and each of the coupons thereto attached, as heretofore enumerated, shall, except as the numbers, denominations and amounts, be substantially in the following form;

UNITED STATES OF AMERICA

THE STATE OF KANSAS, THE COUNTY OF WYANDOTTE

No-----

\$-----

KNOW ALL MEN BY THESE PRESENTS:--

That the County of Wyandotte in the State of Kansas acknowledges itself to owe and for value received hereby promise to pay to the bearer the principal sum of \$1000. Dollars, in lawful money of the United States of America at the office of the Treasurer of the State of Kansas in the City of Topeka in said State on the 1st day of July, A.D. 1927, together with interest on said sum from the date hereof until paid, at the rate of six per cent (6%) per annum, payable semi-annually on the first days of January and July in each year, upon presentation and surrender of the interest coupons hereto attached, as such coupons severally become due.

And for the prompt of the principal of this bond, with interest as aforesaid, as said payments respectively mature, the full faith credit, revenue and recourses of said County are hereby irrevocably pledged.

This bond is one of a series of four (4) bonds of like tenor except as to amount, issued by the county of Wyandotte in the State of Kansas, for the purpose of paying the cost of the improvement of the River Road in Wyandotte County, Kansas, under and in accordance with a resolution duly passed by the Board of County Commissioners of said County, at a regular meeting of said Board held on the _____ day of _____ A.D. 1917, and is in all respects issued in full compliance with the provisions of Chapter 201 of the Laws of Kansas of 1909 and the amendments thereto, being "An Act Providing for the Improvement of County Roads in the State of Kansas". And it is hereby certified and recited that all acts, conditions, proceedings and things required by the laws of the State of Kansas, to be done and performed precedent to and in the issuance of this bond have properly been done, happened and performed in the manner required by law and in regular and due time; that the indebtedness to pay which this bond is issued, was at the time it was incurred and at the time of the issuance of this bond a valid and subsisting indebtedness of said County, and that the total indebtedness of such County, including this bond, does not exceed any constitutional or statutory limitation.

In Testimony Whereof the County of Wyandotte in the State of Kansas has caused this bond to be signed by the Chairman of the Board of County Commissioners and to be attested by the Clerk of the County under the seal of the County, and the interest coupons hereto attached to be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County, this first day of July, A. D. 1917.

CERTIFICATE OF COUNTY CLERK

State of Kansas,)
 County of Wyandotte,) ss.

I, William Beggs, County Clerk of Wyandotte County, Kansas, hereby certify:---

That the Kansas City Weekly Press, a newspaper printed and circulated in Wyandotte County Kansas, was at all of the times mentioned in the foregoing abstract when proceedings were taken relative to the improvement of the River Road, the official County Paper of Wyandotte County, Kansas, and the paper designated by the Board of County Commissioners for the publication of legal notices, as appears from the records of my office.

I further certify that the "River Road" in Wyandotte County, Kansas was at all of the times mentioned in said abstract a regularly laid out and opened road in said County, between the bounds mentioned in the petition and proceedings for the improvement thereof as appears from the records in my office.

I further certify that the assessed value of the land embraced in the district shown on the Commissioners' map to be taxed for the improvement of said Road as returned by the assessor for the year 1916 is in the aggregate \$110,850. and the total assessed value of all of the property in Wyandotte County is in the aggregate \$117,487,000. as shown by the records in my office.

I further certify that the population of Wyandotte County, according to the census of 1910 is 109,804.

I further certify that the duly elected, qualified and acting Board of County Commissioners of said County are:

- Samuel Clarke, Chairman.
- David Buckland, Commissioner.
- William Blodgett, Commissioner.

and that on the respective dates shown in the abstract the duly elected, qualified and acting board of County Commissioners and the duly elected and acting chairman of the board of county commissioners were as is shown in the proceedings in the foregoing abstract on said respective dates, and that the other officers of Wyandotte County, Kansas, mentioned in the foregoing abstract were on the dates therein shown the duly elected or appointed, as the case may be, qualified and acting incumbents of the respective offices as indicated in this abstract, as the same appears from the record in my office.

I further certify that the total cost of the improvement of the River Road, as shown by the report of the County Engineer, is \$6,419.17. That taxes were assessed against the several tracts of ground in the district shown on the Commissioners' map, to pay therefor amounting to \$6419.17 and that said taxes have been entered upon the duplicate tax rolls of Wyandotte County. That a portion of the land owners so assessed have paid their assessment in full as shown on the margin of the Commissioners' plat of assessments hereinbefore set out, and the total amount of said taxes and assessments so paid is \$3344.55, leaving a balance to be collected as other taxes of \$3074.62, as appears from the records in my office.

I further certify that on January 29, 1917 I mailed a written and printed notice, setting forth the amount of the assessments to each of the owners of the several tracts of land liable to assessment for the improvement of the River Road in the form of a postal card, postage prepaid, identical except as to address name, amount of assessment and description of land, with the following:

| | | |
|---------|--------------|----------------------|
| (Front) | Postal Card | (Stamp) Kansas City |
| | 1 One Cent 1 | Jan 31 |
| | | 6 P M |
| | | 1917 |

This side of card is for address.

ABSTRACT of PROCEEDINGS

OF THE BOARD OF COUNTY COMMISSIONERS, AND OF RECORDS ON FILE IN THE OFFICE OF THE COUNTY CLERK OF WYANDOTTE COUNTY, KANSAS, IN RELATION TO THE IMPROVEMENT OF THE J. A. BARTLES ROAD.

The petition for the improvement of the J A Bartles Road was filed, and all proceedings therein were had, prior to March 3, 1917, and were taken under the provisions of Chapter 201 of the Laws of Kansas of 1909, as amended.

THURSDAY, MARCH 11, 1915.

Pursuant to law, this being the regular meeting of the Board of County Commissioners of Wyandotte County, Kansas, said Board met for the transaction of business. Present, David Buckland, chairman, T J Lyons, Samuel Clarke and Frank Holcomb, County Clerk.

Petition filed signed by sixty per cent of the land owners who own more than fifty per cent of the land to be taxed on the J A Bartles Road, to grade and macadam the same under Chapter 201 of the Laws of 1909, and amendments thereto, filed.

Ordered, by the Board that the same be referred to the County Engineer to check the same in regard to acreage and land owners, and the Board further finds and declares that the improvements as prayed for in said petition are a public utility and therefore it is ordered that said improvements be made. Commissioners Journal Q, p. 448.

Said petition is in words and figures as follows:

PETITION.

To the Honorable Board of County Commissioners
of Wyandotte County, Kansas.

We the undersigned, who constitute sixty per cent of the land owners owning fifty per cent of the land to be taxed on each side and along the line of the J A Bartles Road, a highway in Quindaro Township, Wyandotte County, Kansas, believing the improvement will be of public utility.

Do hereby petition your Honorable Body to cause said J. A. Bartles Road to be improved from the Parallel Road to the Leavenworth Road a Distance of one mile, by grading the same to a width of twenty four feet and paving with macadam to a width of

fourteen feet in the center thereof, macadam to be twelve inches in the center and nine inches on the sides according to the plans and specifications of the County Engineer;

Said Improvement to be paid for by ten annual assessments to be levied in the manner and form as the law in such case provides on the land included in the following described district, to-wit: Beginning at a point 80 poles West of the South East Corner of Section 35, Township 10 S Range 24 E; Thence North 240 poles; thence East 38 poles; thence North 40 poles; thence east 4 poles; thence North 40 poles; thence East to the Northerly line of the right of way of the K C W & N W Ry; thence Southeasterly along said right of way line to a point 80 poles East of the east line of said Section; thence South to a point 80 poles North of the South line of section 36 in said Township and Range; thence West 40 poles; thence South 80 poles; thence West to the beginning. And that such proceedings be made under and in compliance with an act entitled "An Act providing for the improvement of County Roads in the State of Kansas;" Laws of 1909, Chapter 201, and amendments there

Wyandotte County

Kansas City, Kansas, March 15, 1915.

Hon. Board of County Commissioners
Wyandotte County, Kansas.

Gentlemen: The attached petition for the improvement of the J.A. Bartles Road is signed by 60% of the land owners owning 50% of the land lying within the district described in said petition.

Very respectfully,

R.L. McAlpine, County Engineer.

Specifications for the improvement of the J A Bartles Road from the
Parallel Road to the Leavenworth Road.

LOCATION

This road is located along the line between Sections 35 and 36 Twp. S R. 24 E. in Wyandotte County Kansas a distance of one mile.

ROAD -BED

Grading:

The road shall be made as shown by the cross-section plan for the improvement, 24 feet wide on top and nine inches below the grade line at outer edges.

If the excavation exceeds the embankment, surplus dirt shall be distributed on the fills so as to uniformly widen same. All embankments shall be brought up full width from the bottom and those of 2 feet depth or more, shall be thoroughly compacted by being rolled in layers of not to exceed 12 inches in depth with roller weighing not less than two (2) tons.

Ditches shall be constructed as shown on said plan and finished so as to thoroughly drain the road bed, carry the water to the proper outlets and leave no pools or standing water.

The sides of ditches next to the road bed shall be true and regular slopes from the bottom of the ditches to the edge of the crown.

Cross-roads and farm approaches shall be under-drained or dispensed with whenever possible, without injuring the road ditches. The bottom of the ditches shall be made straight and parallel to the road.

All stumps and large stones that will interfere with the proper construction of the road shall be removed; but corner stones or other monuments to land lines must not be disturbed except under the personal direction of the County Surveyor or his Deputy who will superintend the raising or lowering of the same.

Sub Grade:

The sub-grade shall be constructed by the contractor as shown on the cross-section plan; fourteen feet in width, four inches below the grade line at the center and nine inches at the sides after being thoroughly compacted by rolling as hereinafter specified.

Rolling:

After the sub-grade has been properly shaped and before any macadam material has been placed thereon the sub-grade shall be thoroughly rolled and compacted with a roller weighing not less than 400 pounds per lineal inch of wheel which shall be character and weight of roller used throughout the work. All hollows which develop during the process of rolling shall be filled with acceptable material and rerolled and so treated until the depressions disappear.

Culverts and Drains:

Whenever the construction of culverts and drains is necessary the same will be done by the County as separate work from this contract and finished in advance of the sub-grade.

MACADAM

Upon the sub-grade prepared as above described there shall be placed a covering of broken stone fourteen feet wide, twelve (12) inches deep in the center and nine (9) inches deep at the sides; the surface to be finished in an arc of a circle as shown on the cross-section drawing. The stone shall be placed on the road in two layers.

1st Layer:

The first layer shall be spread to a depth of about six (6) inches over the full specified width of macadam to the earth berms at the sides and shall consist of limestone broken into fragments of a diameter as near as practicable of $3\frac{1}{2}$ inches, stone less than $1\frac{1}{2}$ inches must not be too freely used in either layer and while these specifications are intended to provide for the entire output of a crusher, they must not be interpreted to permit the use of any excess of stone of less than $1\frac{1}{2}$ inches in diameter. This layer shall be thoroughly rolled with the above described roller but no rolling of first layer will be permitted when foundation is wet or soft.

2nd Layer:

The second layer shall consist of limestone broken into fragments of a diameter as near as practicable of $2\frac{1}{2}$ inches, and spread over the first layer in such quantity that after having been thoroughly rolled it will make the required thickness of macadam.

The Rolling of this course shall continue until settlement ceases.

Screenings:

After the second layer has been sufficiently compacted, a filler consisting of limestone fragments or screening all of which shall pass through a $\frac{1}{2}$ inch ring, shall be applied during the finishing process of rolling to such an extent as to completely fill the interstices of the larger stone and form a compact mass. Rolling shall be continued until the stone ceases to sink or creep under the roller.

Screenings or filler shall not be dumped on the surface of the road, but shall be shoveled from wagons or piles in order to secure even and proper distribution.

Samples of stone should be preferably submitted to the Board of County Commissioners with each bid and when approved no material of inferior quality shall be used.

A sample should consist of about 25 pounds.

Water:

When necessary water shall be freely applied and rolling continued until a compact bond is formed: screenings to be renewed whenever in process of rolling the broken stones appear on the surface.

Stone:

The stone used shall be hard limestone of good quality and fractured faces, quarried from solid ledges; no water worn faces will be permissible. Stone to be uniform of texture and free from rotten and inferior stone; shall be well screened and free from earth, clay and foreign matter of all kind.

APPROACHES

Approaches shall be made at the intersection of all public roads, and approaches shall extend fifty feet from the edge of the road-bed and shall be a plane from the edge of the road-bed to the surface of the ground at that distance the outer end of said approach shall be sixteen feet wide and increased to 24 feet at the edge of the road-bed; such approach shall receive 20 cu. yds. of $3\frac{1}{2}$ inch stone without binder.

FARM APPROACHES

One approach shall be built to the driveways at each residence along the line of the improvement. These driveways shall be graded 12 feet wide on top and extend back 15 feet from the edge of the road-bed each farm approach shall receive 4 cu. yds. of broken stone of a diameter $2\frac{1}{2}$ and $3\frac{1}{2}$ inches.

GENERAL

All work shall be done in a neat workmanlike manner and to the complete satisfaction of the County Engineer or his agent and notice to foreman or person in charge of the work, shall be considered notice to the contractor if the latter is not on the work.

No extras will be allowed unless especially ordered in writing by the Board of County Commissioners and all material, tools, machinery and labor necessary for the prompt and complete execution of the work shall be furnished by the contractor.

The Board of County Commissioners may, if the work is not commenced and carried forward satisfactory, notify the bondsmen of the contractor and relet the work at the expense of the contractor or complete the work by force account, employing machinery, teams, superintendent, etc., and charge the same to contractor and bondsmen.

The work will be staked out by the County Engineer or his assistant and the contractor will be required to carefully preserve stakes till authorized to remove them and any expense of replacing same by reason of negligence in this respect by the contractor or his subordinate will be charged to the contractor.

Before final payment the contractor shall furnish evidence that all labor, materials and damage has been paid for.

The right is reserved to reject any and all bids.

The work shall commence at such points as the County Engineer may designate; the Engineer may from time to time suspend the work at certain places or altogether if in his opinion the public need requires it.

In case of suspension the time in which the contractor is required to complete the work shall be extended as many days as the same was suspended.

Day and night watchmen, watchmen and lights shall be so employed or created by the contractor as to safeguard public travel and the contractor shall hold the County harmless from any and all claims resulting from the operation of the contract and in the part of the contractor or his agents or employees, either in failing to keep watchmen, watchmen or light or otherwise.

The plans and specifications are a part of the contract and will be held in force by the contractor and all work that shall be reasonably inferred as needed for a complete and workable job. Any work shown on the plans and not mentioned in the specifications and vice versa, shall be done as if shown by both.

Any question as to measurements or question in dispute will be determined by the County Engineer whose decision shall be final. The successful bidder shall satisfy the Board of County Commissioners before the contract is awarded to him that he has or will promptly provide suitable and proper men, tools and machinery to perform and complete the work.

The contractor shall not sublet or transfer any part of this contract without written consent of the County Commissioners.

All excess or waste material shall be removed by the contractor before the final acceptance and the road left with a neat and finished appearance.

Records of the Board that the same be received and be placed on file and the County Clerk authorized to advertise for bids, said bids to be opened three days after the date of the opening.

Pursuant to said resolution the County Clerk caused to be published the following advertisement:

Advertisement for Improvement of the Road from ...

State of Kansas)
County of ...)

Be it remembered that the undersigned ...

Witness my hand and seal of office ...

By ... County Clerk

Accepted for the County ...

Whereas the Board of County Commissioners ...

And the Board of County Commissioners ...

damages and for the benefit of its Bridge fund.

Said bond furnished by the successful bidder must be a corporation bond in a sum of not less than that of the contract price entered into and must be executed by a Guarantee company authorized to do business in the State of Kansas.

Said contract and work must be completed within ninety (90) days from and after the date upon which the contract is signed by both parties thereto, and for each and every day's delay after the expiration of said ninety (90) days upon the part of the contractor in completing his work and contract he shall forfeit to said county the sum of ten (\$10.00) dollars per day as liquidated damages and said forfeit money may be withheld by said board out of the contract price in final settlement with the contractor.

Said Board reserves the right to reject any and all bids.

Witness My official hand and seal of said county this 12th day of April, A.D. 1915.

BOND

Know All Men By These Presents:

That Adam J Armstrong as principal and Southwestern Surety Insurance Company, a Corporation of the state of Oklahoma, as sureties, are held and firmly bound unto the State of Kansas, in the sum of Ten Thousand Seven Hundred Seventy and no-100 Dollars (\$10770.00) lawful money of the United States, for the payment of which, well and truly to be made, we bind ourselves, our heirs, executors, administrators and legal representatives, jointly and severally, by these presents. Signed and sealed this 19th day of October A.D. 1915.

THE CONDITION OF THIS OBLIGATION IS SUCH, That whereas, the said Adam J Armstrong did on the 19th day of October A D 1915, enter into a written contract with the Board of County Commissioners, of Wyandotte County Kansas, to grade and macadam the J A Bartles Road in Quindaro Township from the Parallel Road to the Leavenworth Road, for a certain price and on certain conditions therein named, which said contract is made and considered a part hereof.

NOW, Therefore, If the said Adam J Armstrong shall well and truly do and perform all things required of him to be done and performed by the terms of the said contract and shall pay all indebtedness incurred for labor or material furnished in the prosecution of the above mentioned contract then this obligation to be void, otherwise to be and remain in full force and effect.

In Witness Whereof, The parties to this bond have signed their names the day and year first above written.

This bond taken and approved this 25 day of October A D 1915
David Buckland, Chairman Board of
County Commissioners

Attorney in fact

This contract and agreement made and entered into this 14 day of October 1915, by and between Adam J Armstrong party of the first part and the Board of County Commissioners of the County of Wyandotte and State of Kansas, party of the second part.

Witnesseth: That the said party of the first part for and in consideration of the payment hereinafter mentioned to be made as herein agreed and stipulated by said party of the second part, hereby agrees and obligates itself to furnish all the material, perform all the

labor and to grade and macadam the J A Bartles Road in Quindaro Township from the Parallel Road to the Leavenworth Road in said county and each and every part thereof in strict compliance with and according to the plans and specifications thereof on file in the office of the County Clerk of said county and which are referred to, hereto attached and made a part of this contract and agreement as fully as though herein set out at length.

And said party of the first part also agrees that all of the material aforesaid by the terms and provisions of said plans and specifications to be furnished and used in and about said work, shall be in every respect good, proper and sufficient for the construction, building and completion of all the work necessary to be done in and about the construction of said work and put in place and finished in a good and workmanlike manner in strict compliance with and conformity to said plans and specifications and under the supervision, and to the entire satisfaction of the County Surveyor of said County, who shall supervise and examine said work and material.

The whole of said work provided for and contemplated by said plans and specifications to be approved and accepted by said party of the second part before any payments shall be made as hereinafter agreed and specified.

It is also agreed by said party of the first part that said work shall be commenced within thirty days (30) after the date of the signing of this contract, and the whole of said work finished and completed as in said plans and specifications set out, and as in this contract agreed to be done within Ninety Days from the date of said signing; and for each and every day's delay by said party of the first part in completing said work beyond the date fixed herein for its completion, there shall be, by said party of the first part, forfeited to said County of Wyandotte, Kansas, the sum of Ten Dollars per day and as for liquidated damages for said failure to complete said work and work within the time hereby fixed, which said sum of Ten Dollars per day shall, upon the final settlement with said party of the first part, be withheld out of the sum herein agreed to be paid. Provided, that should the weather or condition of the stream be such as to actually delay the said work, or any cause or causes beyond the control of said party of the first part, prevent the completion of said work within the time herein specified, then the time for the completion of the same shall be extended for a period of the time not less than that caused by such delay.

And said party of the second part hereby agrees and promises to and with said party of the first part, in consideration of the full, complete and faithful performance by said party of the first part of all the conditions, obligations and agreements herein set out to be done and performed by said party of the first, and the faithful construction of said work and the furnishing of all the labor and material in and about the same in strict conformity with the plans and specifications and in accordance with this contract, and upon the final approval and acceptance thereof by said party of the second part, to pay to said party of the first part the sum of Twenty-Two Cents per Cubic Yard for Grading and 5³/₄ cents per Square Yard for Macadam.

And it is also understood and agreed by and between the parties hereto that the plans and specifications are intended to co-operate, so that any work shown upon the plans and not mentioned in the specifications, or vice versa, is to be executed the same as if it was mentioned in the specifications and set forth in the plans to the true meaning and intent of said plans and specifications, and without any extra charge therefor.

And it is stipulated by and between the parties hereto that if in the construction of said work the said party of the second part should desire to change or alter the plans or specifications herein as to any part of said work, it shall have the right to do so upon such terms and conditions as may be agreed upon between the parties hereto, but no such change shall be made except in writing and signed by both parties.

It is further understood and agreed that if said party of the first part shall at any time during the progress of said work neglect or refuse to supply material of the character stated in said plans and specifications necessary for said work, or shall refuse or neglect to proceed with said work, the said party of the second part shall have the right either to provide material and workmen and finish said work, or to declare this contract at an end and forfeited and re-let said work. Provided, however that said party of the second part

shall first give the said party of the first part five (5) days notice in writing to proceed with said work or furnish the necessary material before taking charge of said work or re-letting the same; and, providing further, that in case said party of the second part shall be compelled to take charge of and complete said work or to re-let the same, then and in either of these cases the said party of the first part shall not be entitled to, or have any claim or claims against said party of the second part for the value of any work or material furnished under and by virtue of this contract.

It is also distinctly understood and agreed that during the progress of said work and before its completion and final acceptance as a whole, by said party of the second part the said party of the second part shall not in any event be liable or answerable for any loss or damage that shall or may happen to the said work or any part or portion thereof or for the loss or damage to any material or things used and employed in and about said work from any cause or causes whatever, but said work and each and every part thereof shall be done and carried on until its final completion and acceptance as a whole by said party of the second part at the sole risk of said party of the first part.

It is further agreed and understood that in the construction of said work said party of the first part shall and will use every reasonable and proper precaution to avoid and prevent accidents or damages to persons and property, and shall at all times respond to the County of Wyandotte, and save it harmless from all and every damage, loss, cost and expenses of every kind and nature resulting from or caused by any act of the said party of the first part, its servants, agents and employees in the construction of said work, or by reason of any act done under the provision of this contract.

It is also agreed that said party of the first part shall, before final payment is made, furnish and deliver to said party of the second part full and complete receipts and releases of all claims, liens or demands for labor or material furnished in and about said work and chargeable to said party of the first part; and if at any time there shall be any claims, liens or demands presented or established which should be charged to and paid by said party of the first part; and which might become a lien or charge against said party of the second part, or the basis of an action or proceeding against the County of Wyandotte the said party of the second part shall have the right to retain from any payments due said party of the first part an amount or amounts sufficient to completely indemnify the said county against such claims or liens.

In Witness Whereof, said party of the first part has caused these presents to be signed by _____ and the said party of the second part has caused the same to be signed by its chairman and attested by the seal of said party of the second part this 14 day of October 1915.

Jan. 4 1917 F.M. Holcomb, County Clerk.

ADOPTED T.J. Lyons Board of
Samuel Clarke County
David Buckland, Commissioners

Monday, January 15, 1917.

Pursuant to adjournment taken January 11, 1917, the Board of County Commissioners met for the transaction of business. Present, Samuel Clarke, chairman; David Buckland; Purchasing Agent; Wm Blodgett and Wm BEGGS, County Clerk.

Journal of previous meeting read and approved.

In the matter of hearing complaints of assessments on the J A Bartles Road the Commissioners carefully investigating complaints was on motion of Mr Blodgett seconded by Mr. Buckland, the assessment stand as made. Motion carried.

IN THE MATTER OF THE ISSUANCE OF SPECIAL IMPROVEMENT BONDS FOR THE PAYMENT OF
THE COST OF THE IMPROVING OF THE J R BARTLES ROAD, IN WYANDOTTE COUNTY,
KANSAS.

TRANSCRIPT OF PROCEEDINGS

of a meeting of the Board of County Commissioners of Wyandotte County, Kansas, in regular session, relative to the issuing of bonds for the purpose of paying the cost of the improvement of the J R Bartles Road in Wyandotte County, Kansas, and fixing the details of such issue.

BE IT KNOWN, that the Board of County Commissioners of Wyandotte County, Kansas, met in regular session at the court house this 28th day of June, A.D. 1917, present, Samuel Clarke, Chairman, David Buckland, Commissioner, William Blodgett, Commissioner, a full membership of the Board and William BEGGS, County Clerk.

The following resolution was offered in relation to the issue of bonds for the improvement of the J A Bartles Road;

Whereas, on the 11th day of March, 1916, A petition was filed in the office of the County Clerk of Wyandotte County, Kansas signed by 60% of the land owners, owning at least 50% of the land to be taxed along the J A Bartles Road, a regularly laid out road in Wyandotte County, Kansas, from the Parallel Road to the Leavenworth Road, a distance of one mile, _____ for the improvement of such Road by paving the same with macadam; and,

Whereas, the Board of County Commissioners thereafter found and declared said improvement to be of public utility; and caused an accurate survey to be made of such road by the County Surveyor of Wyandotte County, Kansas, and a careful estimate of the cost of such improvement, with plan, profile and specifications thereof, together with a map showing the several tracts of land within one-fourth mile on either side of said road, as stated in said petition, and caused the same to be filed in the office of the County Clerk of Wyandotte County, Kansas; and,

Whereas, the Board of County Commissioners of Wyandotte County, Kansas, thereafter took charge of said improvement and conducted the same and caused said improvement to be made and completed in conformity with the profile and specifications so filed as aforesaid and caused said improvement to be made and completed in all respects as provided and required by Chapter 201 of the Session Laws of 1909 as amended; and,

" Whereas, the Board of County Commissioners have kept and filed with the County Clerk a complete record of their proceedings in relation to such improvement, and did appoint a qualified person as superintendent to oversee and direct said work, and did enter into a contract with a contractor who gave bond as required by law for the improvement of said road, and said contract has been completed; and,

" Whereas, upon the completion of said improvement the Board of County Commissioners met at the office of the County Clerk and did apportion three-fourths of the costs of said road among the several tracts of land designated on the map and filed as aforesaid, according to the benefits accruing to the real property and improvements within the limits shown by said map, giving credit thereon for damages occasioned to the property through which said improvements were made, and causing the remaining one fourth of such cost to be charged to Quindaro Township, the Township, the Township in which such road improvements were made, and cause said appraisal to be returned and filed, and thereupon did appoint a time for the holding of a special session to hear complaints as to the apportionment of the cost of such special improvements, at which special session complaints were heard and overruled and said appraisal confirmed and filed; and,

Whereas, upon the completion of such apportionment as aforesaid, the County Clerk of Wyandotte County entered the same upon the duplicate tax rolls of this County for collection as other taxes, and mailed a written and printed notice to the several owners of the tracts of land liable to assessment for said improvements at least thirty (30) days prior to the disposition of any bonds issued or to be issued therefor, which notices set forth the amount of the assessment and that upon payment of the same the property therein described would be relieved of further liability for such improvements; and,

Whereas the cost of said improvements, including the expense of executing and registering bonds to pay therefor amounts to Six Thousand Two Hundred Ten Dollars and 75/100 Dollars, (\$6210.75/100); and,

Whereas, thirty days have elapsed since the sending of such notices and certain of the property owners within the district shown on said map have paid their assessments in full, and in the aggregate there has been paid on account thereof the total sum of Sixteen Hundred seventy and 89/100 Dollars, (\$1670.89/100), leaving a balance unpaid and to be collected as other taxes in ten annual assessments, amounting to the sum of Forty five Hundred thirty nine and 86/100 Dollars, (\$4539.86/100); and,

Whereas, in the petition for said work, the property owners petitioned that the cost of such improvements should be paid for in ten (10) annual assessments; and,

Whereas for the purpose of raising the necessary revenue with which to pay the balance of the cost of said improvements without waiting for the money to be collected by said ten several annual assessments, it is necessary to issue special improvement bonds of Wyandotte County, payable within ten years and bearing interest at the rate of six per cent (6%) per annum;

Now, Therefore, Be it resolved By the Board of County Commissioners of Wyandotte County Kansas;

Sec 1. That under and by virtue of Chapter 201 of the Laws of Kansas of 1909 and the amendments thereto, Wyandotte County in the State of Kansas shall issue its negotiable coupon special improvement bonds in payment of the work done and material furnished in the improvement of the J R Bartles Road in Wyandotte County, Kansas.

Sec. 2. That the total and aggregate amount for which said bonds shall be so issued be fixed at the sum of Forty five hundred thirty nine 86/100 Dollars, (\$ 4539,86/100), being the aggregate balance of the cost of improving said J R Bartles Road after crediting on the original total cost thereof the amount of assessments paid in full by property owners liable for the cost thereof.

Sec. 3. Said bonds shall be known and denominated as Wyandotte County Special Improvement Bonds, Bartles Road Series.

Sec. 4. Said bonds shall be numbered consecutively from 1 to 5 both inclusive, and shall bear interest at the rate of six per cent per annum, payable semi-annually on the first day of January and July in each year the interest thereon to be evidenced by interest coupons attached thereto.

Sec. 5. Said bonds shall bear date the first day of July, 1917, and shall become due and payable, without option of prior payment, on the first day of July, A D 1927.

Said bonds shall be issued in the following denominations:

Sec. 6. Said bonds and the interest thereon shall be payable at the office of the Treasurer of the State of Kansas, in the City of Topeka, Kansas.

Sec. 7. Each bond shall bear on its face the amount thereof, the rate of interest it bears, the number of such bond, the date of issue when and where payable, for what purpose issued, and shall be made payable to bearer, which bond together with the coupons thereto attached shall be signed by the Chairman of the Board of County Commissioners of Wyandotte County, Kansas, and attested by the Clerk of said County, and each bond shall have the impression of the seal of the County thereon.

Sec. 8. Each of said bonds and each of the coupons thereto attached, as heretofore enumerated, shall, except as to numbers, denominations and amounts, be substantially in the following form:

Wyandotte County, at my office in Kansas City, Kansas, this ___ day of July, A D 1917.

County Clerk of Wyandotte
County Kansas

(Form of Certificate of Auditor of State)

Office of the Auditor of the State of Kansas.

I, Fred W. Knapp, Auditor of the State of Kansas, hereby certify that the within bond has been regularly and legally issued; that the signatures thereto are genuine, and that the same has been duly registered in my office according to law.

In Testimony Whereof I have hereunto set my hand and affixed the seal of my office in the City of Topeka, State of Kansas,

Auditor of the State of
Kansas.

Sec. 9. That said bonds shall be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County under the seal of the County, and all interest coupons thereto attached shall be signed by the Chairman of the Board of County Commissioners attested by the County Clerk, and when so executed said bond shall be registered by the County Clerk of Wyandotte County, Kansas, after which they shall be presented to the Auditor of the State of Kansas for registry by him.

Sec. 10. The County Clerk of Wyandotte County shall register the bonds herein authorized to be issued, in a book to be kept for that purpose, which registry shall show the date, number amount of each bond, to whom issued, for what purpose, when and where payable, when said coupons or bonds shall be paid; and when said coupons or bonds are paid, that fact shall be noted on the register and the bonds or coupons so paid shall then and there be destroyed in the presence of the Board of County Commissioners.

Sec. 11. That the Board of County Commissioners by its Chairman and the Clerk of said County are hereby authorized and directed to procure the registry of such bonds by the Auditor of the State of Kansas, in accordance with the law, and after said bonds are registered in the office of the Auditor of State, they shall be sold at not less than par in the manner provided by law, but none of the proceeds derived from the sale of said bonds shall be appropriated or used or spent for any purpose other than to pay the balance due for the improvement of the _____ Road in Wyandotte County, Kansas, as hereinbefore specified.

Mr. _____, Commissioner; Mr. Chairman, I move the adoption of the resolution,
and that the clerk be notified to record the same at
length upon the records of this County.

Motion Seconded by _____.

The roll being called the following commissioners voted "aye": Samuel Clarke, chairman
David Buckland, Commissioner, William Blodgett, Commissioner.

The motion to adopt said resolution having received the affirmative vote of all of the members of the Board of Commissioners, it is ordered by said Board of County Commissioners of Wyandotte County, Kansas, that the Clerk of said Board record this resolution and these proceedings in full upon the records of said County, which was thereupon accordingly done.

In Witness Whereof, the undersigned, constituting the Board of County Commissioners of Wyandotte County in the State of Kansas, hereby attach our signatures this ___ day of _____, A D 1917, at Kansas City, the seat of Wyandotte County in the State of Kansas.

Chairman, Board of County Comm-
issioners.

Attest: _____

County Clerk of Wyandotte County,
Kansas.

THE KAW VALLEY DRAINAGE DISTRICT
office
719 Osage Avenue

Kansas City, Kansas July 6, 1917.

Honorable Board of County Commissioners
of Wyandotte County, Kansas.

Gentlemen :

Our attention has been called to the amendment secured to the Rivers

and harbors Bill now pending before the United States Senate for passage, which amendment provides for the improvement of the Missouri River up to Quindaro and of the Kansas River in the vicinity of its mouth. We are informed that it is a matter of great importance that the assistance of Senators Thompson and Curtis be at once enlisted to secure the passage of this bill with the amendment above mentioned.

This Board respectfully suggests that the Board of County Commissioners of Wyandotte County, Kansas, write to Senators Curtis and Thompson urging the passage of the Rivers and Harbors Bill in the Senate as amended.

Respectfully submitted by order of the Board of Directors of the Kaw Valley Drainage District of Wyandotte County, Kansas.

J. W. Silvers,

As Secretary of said Board.

Motion by William Blodgett that the Resolution referring to the Bill securing the River & Harbor appropriation Bill be received and filed and County Clerk be instructed to sign Resolution and mail copies to Senators Thompson and Curtis. Motion seconded by David Buckland. Motion carried.

Motion by David Buckland that the Board of County Commissioners of Wyandotte County make an order declaring its intention of appropriating the sum of Two Hundred Fifty Dollars (250.00) or so much thereof as shall be necessary for building a culvert on the Riedy Road near the McMahon farm. Motion seconded by Wm Blodgett. Motion carried.

Motion by David Buokland that the Resolution referring to the improvement of the S F Davidson road in Wyandotte Co. be received and filed and spread in full on the Journal. Motion Seconded by Samuel Clarke. Motion Carried.

RESOLUTION.

Whereas, in the improvement of the S F Davidson Road in Wyandotte County, Kansas, it is necessary in making the improvements being made on said road to relocate a part of said road, as shown on the plat attached to that certain quit claim deed dated this 17th day of September, 1917, wherein Wyandotte County is the grantor and K.D.Klemm is the grantee, and,

Whereas, Karl D Klemm, being the owner of the land adjacent to said road on the north and south and being the owner of the property over which the new location of said road is to be made, has this day, under that certain quit claim deed dated September 8, 1917, wherein Karl D Klemm is grantor and Wyandotte County, Kansas, is grantee, deeded to said Wyandotte County the necessary land for the relocation of said road, and,

WHEREAS, in the relocating of said road it is the desire and intention of the Board of County Commissioners of Wyandotte County, Kansas, to deed to the said Karl D Klemm the old roadway vacated in exchange for the new roadway, now, therefore,

BE IT RESOLVED That the County Clerk of Wyandotte County, Kansas be, and he is hereby, authorized to make, execute and deliver to K.D.Klemm quit claim deed to the following described property, namely,

A Strip of land forty (40) feet wide, being Twenty (20) feet each side of center line described as follows:- Beginning at a point Fifteen Hundred Seventy-one (1571) feet South of the Northwest corner of the Southwest Quarter of Section Twelve (12), Township Eleven (11), Range Twenty-four (24), which point is Twenty-eight (28) feet from at right angles from the center of the track of the Kansas City, Kaw Valley & Western Railway; thence Easterly Eleven Hundred Seventy (1170) feet to a point, said point being Twenty-eight (28) feet South of the center of track of the Kansas City, Kaw Valley & Western Railway,

Communication from J H Brady in reference to the issuance of Bonds was received and ordered spread on the Journal in full.

BOARD OF COUNTY COMMISSIONERS OF
WYANDOTTE COUNTY, KANSAS.

GENTLEMEN:

As per your request as to opinion relative to issuing bonds for road improvement, I submit the following:

In the recent case of Wyandotte County vs. The State Auditor relative to the building of your County Court House, the Supreme Court of Kansas decided among other things that eliminating the bridge bonds at Wyandotte County would have a surplus of \$93,000.00 of which they might bond to come within the statutory provision of 1 per cent. Pending the decision of this case, you are no doubt aware that Wyandotte County issued \$189,000.00 of re-funding bonds. This would leave Wyandotte County with \$96,000.00 bonded indebtedness in excess of the statutory limitation. This amount has been taken care of in a way in that your County Treasurer now has in his possession approximately \$100,000.00 with which to pay off accruing bonds. These bonds will be due and payable in January and July, 1919. You will, therefore, see that the amount had in the County Treasurer's Office will be but an offset to the excess issue of the re-funding bonds.

It is my opinion that under these conditions, Wyandotte County cannot lawfully or legally at this time issue bonds. It is further my opinion that Wyandotte County has issued up to statutory provision of 1 percent. It is further my opinion that until the County Treasurer in July of 1919 pays off and takes up some of the existing bonded indebtedness that your Honorable Body cannot and should not incur any further bonded obligations.

I further submit that the money in the Rock Road Fund raised or to be raised is available for improvement of roads under the Hodges law as amended, in the event that your Honorable Body sees fit to divert this money to that cause.

Respectfully submitted,

J.H.Brady.

County Counselor.

Communication from J H Brady County Counselor in reference to heavy boards, painted or white washed being put up in dangerous or narrow places on the County Roads would a warning and no doubt would prevent many serious accidents Communication received and filed.

Offer of E H Enright to pay \$15.00 per ton for the old junk and scrap iron at the County Poor Farm and \$25.00 for the old traction engine on the Parallel road. Offer was laid over until the Commissioners could investigate.

Motion by Samuel Clarke that the Purchasing Agent be instructed to buy a car load of lumber and a car load of posts. Motion Seconded by William Blodgett. Motion Carried.

Resolution from the Chamber of Commerce of Kansas City Kansas,
Be it resolved that the good roads committee and the board of Directors of the Chamber of Commerce respectfully recommend to the County Commissioners of Wyandotte County, that in the construction of concrete roads during the coming year the available Mileage be distributed as follows:

1st. The two miles at present unimproved at the west end of the Parallel road be paved And
2nd. The paving of the Kaw Valley road be started at the west end of the west Kansas Ave. Bridge and carried as far as funds will permit, Further that part of the southwest Boulevard within Wyandotte County be resurfaced. The members of the good roads Committee and the Board of Directors will appreciate an opportunity to be heard on the above Resolution in case the proposed plan is not the same as the Commissioners might otherwise decide to pursue.

Very truly yours,
Samuel Wilson Manager.

The above Resolution was received and placed on file and the Chamber of Commerce be informed that the County Engineer recommends that the $\frac{1}{2}$ Mile between the Reidy road and the Parallel road called the Territorial road and the $2\frac{1}{2}$ Miles on the Parallel road starting at the west end of the acid plant be built of concrete, this plan means a saving of at least \$8,000.00 to the County, and we do not think it advisable to change the plans of the County Engineer.

Communication of the County Engineer in reference to construction of two concrete boxes at Turner. One each on the Kaw Valley and Argentine roads to replace the old wooden boxes, Motion by William Blodgett that the County Engineer be instructed to proceed with the work. Motion by William Blodgett that the following resolution be received and filed, Whereas the Board of County Commissioners refuses to consider the bids of A J Armstrong for the reason of a former contract of the Rutledge-Lannon road the said A J Armstrong failing to build said road according to plans and specifications, and that a report of said road is now on file in the office of the County Clerk from Harrington Howard and Ash setting out in full the omissions of said contract.

Said bid is also refused to be considered for further reasons that the Board of County Commissioners have repeatedly requested the said A J Armstrong to complete the contract on the Rutledge-Lannon road According to plans and specifications and he at all times refused and failed to fulfill his obligation in said contract, and Wyandotte County was compelled to and did by reason of such failure and refusal complete said contract on said road, and the said A J Armstrong has up to the present date failed and refused to settle for said work so done on said Rutledge-Lannon road.

A J Armstrong bid is refused for further reasons that he is not a responsible bidder. Motion Seconded by Samuel Clarke. Motion Carried.

Opening of bids.

Gentlemen I hereby agree to resurface approximately two and one quarter (2 $\frac{1}{4}$) miles of the Parallel road between Maywood and White Church according to plans and specifications on file in the office of the County Clerk of Wyandotte County Kansas for the sum of 62 cents per square yard. Road petition signed by Wm Pemberton and others in Wyandotte Township for the location of a road was received and placed on file and Samuel Clarke David Buckland and William Blodgett act as Viewers Date of view Dec. 4th 1917, at 10 O'clock A.M.

Report of the County Treasurer for the year of 1917 was received and filed.

Motion by William Blodgett that the County Clerk be instructed to make correction on tax roll on lot 7 Block 89 Lucy B Armstrong Addition. Motion Seconded by Samuel Clarke. Motion Carried.

No other Business appearing the Board adjourned.

William Bezzo-----Clerk. Samuel Clarke-----Chairman.

Thursday November 8, 1917. 2 P.M.

Pursuant to adjournment taken upon Nov. 5th The Board of County Commissioners met for the transaction of business. Present Samuel Clarke, Chairman David Buckland and William Blodgett.

Journal of previous meeting read and approved.

Report from P A Begley for feeding prisoners at the County Jail for the Month of October was received and filed.

Quarterly Statement of the County Treasurer was received and placed on file.

No other business appearing the Board adjourned.

William Bezzo-----Clerk. -----Chairman.

Monday November 12, 1917. 2 P.M.

Pursuant to adjournment taken upon Nov. 8th 1917 The Board of County Commissioners Met for the transaction of business. Present Samuel Clarke Chairman David Buckland and William Blodgett.

Journal of previous meeting read and approved.

Upon the recommendation of the County Assessor who made a personal investigation in the matter of Double Assessments on personal property of F F Nager, J N D Clark, A F Ritz, Sam Sanger, J B Brown, Mrs F Holinsigner, S E Little, A M Coy F Werbe, A A Power Frank Gent, Thomas P Moore, Mary A Brooks.
Ordered by the Board that the County Clerk correct tax rolls in reference to the parties just named in the matter of Double Assessment.

The County Clerk was instructed to strike off Assessment on personal property against Mary Flynn for the sum of 12.01 she appealing to the State Tax Commission and they recommending the same. Ordered by the Board that the Clerk be instructed to issue a refund to Mary Flynn, State Tax Commission recommending the same.

Opening of bids on trucks Motor driven as follows:

| | | |
|-----------------|-------|------------|
| Garford Truck | 1 Ton | \$1,962.50 |
| " " | 1½ " | 2,466.00 |
| " " | 3½ " | 2,600.00 |
| Security Garage | 1 Ton | 1,772.00 |

All bids on trucks was laid over for 1 week for the purpose of investigating the merits and securing expert advice on above trucks.

Motion by William Blodgett the Lease of Daniels Building for Court Room purposes was received and ordered spread on the Journal. Motion Seconded by David Buckland. Motion Carried.

LEASE

THIS INDENTURE made this 15th day of October A.D., 1917, by and between Daniel Bros., Lessor, and the Board of County Commissioners, Wyandotte County, Kansas, Lessee.

It is hereby agreed and stipulated that Daniel Bros., owners of the premises commonly known as 644 Kansas Avenue, Kansas City, Wyandotte County, Kansas, hereby and herewith leases to the Board of County Commissioners of Wyandotte County, Kansas, for a term of three (3) years from this date at a rental of Thirty-Five (\$35.00) Dollars per month, payable monthly, beginning November 1st, 1917, the three upstairs' rooms situated on the Southwest corner of said premises being more particularly described as the two South rooms facing Kansas Avenue and the large room immediately across the hall and North of said rooms.

Lessor herein is to put and keep the same in a habitable condition and to furnish free of cost to the Lessee the requisite heat and light and janitor service therefor.

IN WITNESS WHEREOF, we have hereunto set our hands this 15th day of October, A.D., 1917.
Daniels Bros, By R.C.

Lessor.
Samuel Clarke.

Lessee.

Communication from the County Engineer in reference to the *Kaw Valley* road was received and ordered spread on the Journal.

Kansas City, Kansas. Nov., 12, 1917.

Board of Commissioners,

Gentlemen:- As per your request I herewith furnish you detailed estimate of cost of resurfacing the Kaw Valley Road as per contract awarded to Redecker & Bouseman on Nov, 5, 1917.

Before submitting figures as to cost of various items I desire to call your attention to a few facts explanatory of this contract.

1. Contractor will not make sufficient screenings or binder for the entire contract hence must purchase remainder and ship by rail at an increased cost.
2. The item of rolling does not mean a single rolling for each square yard of surface but it may be necessary to roll each square yard from thirty to forty times before the completion and acceptance of the work.
3. The question of watering while apparently insignificant may develop into an expensive proposition, altho I have not so considered it in the figures that follow.
4. As to spreading I have arrived at my result by taking the maximum condition assuming that a man can and does spread 50 cubic yards every day. Spreaders are in a measure skilled workmen and demand an increased wage and I have for the purposes of this estimate assumed that they may be secured at the rate of \$3.50 per day.
5. The last and perhaps the most expensive single item is the one of haul. Owing to the gaps (not to be improved) the extreme haul will be 6 miles and while it is true that the location of the crusher is such that this extreme haul applies to that portion of the contract requiring only 2 inches of rock (after rolling) still an analysis will show that the average haul of the more than 10,000 cubic yards of rock will be about 2 miles.

From a report of army engineers we derive the information that a team hauling a load will travel an average of 2½ miles per hour. Using 3 miles, instead of 2½, as an average travel for a team hauling a load and returning empty and hauling a load of 1½ cubic yards or 1-¾ tons, we arrive at the conclusion that this team will make but 2 round trips per 8 hour day on a 6 mile haul; this meets our maximum condition.

Using the cost item of \$5.00 per day for the team (this being the scale paid by the Kansas Park Dept.) these 3 cu. yds. will cost the contractor at the rate of \$1.66 per cubic yard. If you could imagine that the cost of drayage at the crusher might be considered nil and that the contract is uniform, we would arrive at an average cost of 83 cents per cubic yard for drayage. I admit that neither of these conditions obtain, however it will be interesting to compare this to the result arrived at later.

By inquiry I learned that the Park Board of our City used the following scale in improving a certain Park drive recently improved.

| | |
|--------------------------------|------------------------|
| Crushed stone (grit or binder) | \$1.25 per cubic yard. |
| Team Labor | \$5.00 per Day. |
| Single Labor | \$2.50 Per Day. |

(over)

To this I shall add binder delivered on board cars to any part of the Redecker-Bouseman contract as per Prince-Johnson at \$2.19 per cubic yard.

These are the prices used where they apply in arriving at the figures submitted below.

With these explanations therefore I submit to you the following figures

9688 Cubic Yards crush stone at crusher _____ at \$1.25 _____ \$12110.00
 348 " " binder on board cars freight paid _____ at \$2.19 _____ 762.12
 3 1/2 miles or 33854 sq. yds. Clean or scarified-----at \$0.01 per yd. \$ 338.54
 2 miles or 18774 sq. yds. scarified harrowed and shaped at \$0.03 per yd. 563.22
 5 1/2 miles or 51628 sq. yds. two rollings at .02 watering .01 at .03 per yd. 1548.84
 Spreading 10036 cu. yds.-----at \$0.07 per yd. 702.52
 Shouldering requiring approximately 2000 cubic yards of earth on the 5 1/2 mile stretch -----at \$0.25-----\$500.00

With reference to the above items the first one is the only that carries a profit.

This item is -----\$12110.00

The items following it aggregate \$4415.22 to which should be added a percentage for equipment tools insurance profit etc. and allowing 15 per cent this item becomes \$5077.00 making a total for above-----\$5,077.00 The total price of this contract is

\$22,974.00 therefore deducting from this total the sum obtained above or \$17,187.00

we have left \$5,787.00 to cover the cost of drayage, this in turn figures approximately 57 1/2 cents per cubic yard for an average haul of approximately two miles.

This reduced to mile-tonnage basis resolves itself into nearly 30,000 tons hauled one mile or less than 20 cents per ton mile, which must include the contractors profit A simple analysis of this contract is as follows:-

10,036 cu. yds. at a cost of \$22,947.00 allows approximately \$2.29 per cubic yard complete. Allowing \$1.25 per cubic yard for rock at crusher this leaves but \$1.04 per cubic yard for all other items, including spreading rolling, scarifying watering, shouldering and hauling, and in addition he must get his remuneration for use of tools, equipment, insurance, and profit.

In order to successfully carry out this contract it will be necessary for the contractors to reduce the cost of the rock at the crusher, in order to increase the cost of the other items, this they may be able to do but we have based our estimate on rock at \$1.25 per cubic yard, this being the market price at this time at the various crushers operating in this vicinity.

Respectfully Submitted

(Signed) O. K. Williamson,
 County Engineer.

Communication from Harrington Howard and Ash in reference to the Kaw Valley road was received and ordered spread on the Journal.

Kansas City, Mo., November 10, 1917.

Report on Kaw Valley Road, Sections 1,2,3 and 4, for
 Board of County Commissioners, Wyandotte County, Kansas.

Board of County Commissioners,
 Wyandotte County, Kansas.

Gentlemen:

In accordance with your requests of November 8th we have prepared estimates of cost of resurfacing Sections 1,2,3 and 4, of the Kaw Valley Road, in accordance with the specifications for that work which you submitted to us: and we have also made comparisons between the work required for the Kaw Valley Road by these specifications, and the work that was done for the Park Board of Kansas City Kansas in the recent resurfacing of one mile of pavement at the City Park. In the company of Mr. Williamson County Engineer, we have made a careful inspection of both of the above roads to advise ourselves concerning the work done and to be done, and concerning available sources of materials and their costs.

Our estimate of cost for resurfacing Kaw Valley Road, Sections 1,2,3 and 4, according to your specifications, is as follows:

| | | | |
|-------------------------------|--------------|-----------------------|------------------|
| Sec. 1-3.5 mi. long - | 6in. of rock | 56 cents per sq. yard | \$5,256 per mile |
| " 2-0.8 " " | 2in. " " | 35 " " " | 3,285 " " |
| " 3-0.7 " " | 2in. " " | 40 " " " | 3,755 " " |
| " 4-0.5 " " | 2in. " " | 43 " " " | 4,036 " " |
| Average cost for all sections | 50 " " " | " " " | 4,693 " " |

These figures are made up from current prices for labor and materials. There is nothing that would lead us to expect a reduction in the cost of labor, or materially increased supply. In fact, the labor situation is so exceedingly uncertain that it is difficult to make an accurate estimate of the cost of work of this kind, of which labor is such a large part, and it is still more difficult to forecast probable bids. Broken stone at the quarry is quoted today at about \$1.25 per cubic yard which includes a profit for quarrying. Hauling is figured at 30 Cents per cubic yard per mile, which considers teams at \$5.00 per day, two tons per load,

and twenty miles travel in eight hours. The variations in the above costs per yard, or per mile, for Sections 2,3 and 4 for identical thickness of resurfacing, are due to difference in length of haul from the source of rock supply. The work must be well handled to give a reasonable profit at the figures above given. We would recommend the acceptance of bids from competent contractors approximating these figures. This presupposes, of course, that the work will be done properly in accordance with the specifications both as to thickness of rock to be furnished and as to the quality of work, and these are matters to be taken care of in the engineering and inspection of the work.

Turning now to the resurfacing carried out under the Park Board of Kansas City, Kansas, information was secured from the Park Board Office concerning the work and amounts of material used, and a careful inspection was made of the work done. The work consisted of applying a surface coat of asphaltic oil and rock screenings. Using the quantity of screenings or grit actually put on the road as given by the Park Board Office, we find that an average depth of somewhat less than one inch of screenings was used. In portions of the road the thickness of screenings exceeded the average considerably, but on other portions it is very much less, but as the total quantity of material used is on record, it is very simple to determine the above average thickness. Using the same basis of figuring, the same cost of labor, of hauling, and a fair price for asphaltic oil, we estimate the cost of this resurfacing to be about sixteen cents per square yard; for a roadway twenty one feet wide, this would amount to \$1971. per mile.

The work to be done on the Kaw Valley Road, according to your specifications, is so little similar to that done on the City Park road, that offhand comparisons of cost mean nothing. The Kaw Valley Road work consists of scarifying and harrowing the present road surface, then spreading new rock which will give a depth after rolling of six inches on Section 1, and two inches on Sections 2,3 and 4, rolling, applying screenings, and rolling, and sprinkling again, -very considerably more work than was done on the City Park Road.

The determinations of costs of road work require a careful analysis of the work to be done, whether of original construction or of resurfacing, with due consideration of sources of supply, costs of hauling, and all elements of labor cost. Costs of resurfacing may vary from a few cents per square yard to almost the cost of a new road. Each case must be considered separately and with recognition of the governing conditions.

The specifications for the work are satisfactory and we think particularly wise in the reference to the fact that the construction now undertaken is to be of such character that it may later be used as the foundation for a more permanent pavement. It is to be regretted that conditions do not warrant your providing some hard surface pavement at the present time, for water bound macadams or even macadams bound with asphaltic oil, are being abandoned in other parts of the Country in favor of some type of hard surface pavement more suitable to the heavy traffic conditions of the day.

Very truly yours,

HARRINGTON, HOWARD AND ASH,

By E. E. Howard.

In the matter of assessment and apportionment of cost of grading and Macadamizing the Rutledge-Lannon Road.

Ordered by the Board that the County Clerk notify the land owners of the assessment and their apportionment of the cost of the grading and Macadamizing of the Rutledge-Lannon road And at the meeting of the County Commissioners to be held on Thursday Nov., 22, at 2 P.M. for the purpose of any complaint that may be made against said assessment and apportionment.

Motion by Samuel Clarke that the communication of the County Engineer referring to Sewer Pipe be received and placed on file and the purchasing agent be instructed to purchase the necessary supplies. Motion Carried.

No other business the Board adjourned.

William Beys Clerk.

Samuel Clarke Chairman.

Thursday November 15, 1917. 2 P.M.

Pursuant to adjournment taken upon Nov., 12th. The Board of County Commissioners met for the transaction of business. Present Samuel Clarke, Chairman, David Buckland and William Blodgett.

Journal of previous meeting read and approved.

Report of Viewers on roads in Quindaro Township petitioned by E L Betton and others.

Ordered by the Board of Viewers that said report on roads be approved and adopted and said roads be declared public highways of Wyandotte County, Kansas.

Motion by David Buckland that the Communication from the County Engineer of Wyandotte County estimating the cost and necessity of repairs on the Kansas River Bridge at Bonner Springs Kans. be received and placed on file and spread on the Journal in full and the County Engineer be instructed to proceed with the work on conditions that the County Commissioners of Johnson County, Kansas bear 50 Per cent of the costs. Motion seconded by William Blodgett.
Motion Carried.

Board of Commissioners,
Gentlemen:-

In the matter of repairs on the Kansas River Bridge at Bonner Springs (Adjoint Wyandotte-Johnson County proposition) advise you that there are needed six or seven caps on the

tressel approaches one or two piling on the North approach, six stringers on the the approaches, which number may be increased as the work progresses, and about two hundred and fifty flooring boards.

The cost of these repairs should not exceed fifteen hundred Dollars for the entire work, or \$750.00 for each County on the basis that these repairs be paid for on a fifty fifty basis.

As this Bridge is in a very dangerous condition, I recommend that the Bridge Superintendent be instructed to proceed with these repairs at once.

Yours very Truly,

O K Williamson.

On Motion by William Blodgett that the Communication from the Johnson County Commissioners in reference to the agreement between the Johnson Co. Commissioners and the Wyandotte Co., Commissioners they agree to pay 50 per cent of the expense in repairing the Bonner Bridge located in Johnson and Wyandotte Counties. Motion seconded by David Buckland. Motion Carried.

Dear Sir:

We have arranged for our Road Engineer, Mr. M W Watson, and the District Engineer of the office of Public Roads, Mr. J C Wonders, to inspect the proposed Federal aid road in Leavenworth Counties on Monday, February 25th.

They will arrive at your office about 8.30 O'clock A.M. and in order to make the entire trip in a day, it will be necessary to get started promptly at that time.

I would like for you to take them over the Wyandotte County's portion, and will arrange to have the Leavenworth County Officials meet you at the County line. I would also be glad to have the members of your county board accompany the engineers on this trip if agreeable to them.

Trusting that this arrangement will be satisfactory, I am,

Mr. O K Williamson,
Co. Engineer,
Kansas City, Kansas.

Very truly yours,

W S Gearhart.
State Highway Engineer.

Motion Seconded by William Blodgett. Motion Carried.

Board of County Commissioners,
Wyandotte County,
Kansas City, Kans.
Gentlemen:-

This letter is our formal recommendation that you accept the work of the Mid West Construction Company on the Central Ave. Bridge as covered by Contract No. 3. This follows our letter of March 20th to Mr. Williamson, in which we recommended final payment, advising that there was then a small amount of work to be done before completing the job.

This work has now been finished and we consider the job complete in all respects. We are very much gratified at the quality of the workmanship and the character of the completed structure and believe that your Board should be gratified also; and we commend these contractors to you for consideration in future work.

Very sincerely yours,
Harrington, Howard and Ash.
By E E Howard

(Over)

Motion by David Buckland that the letters and Communications relative to the acceptance of the Mo. Valley Bridge & Iron Company Contract on the Central Ave. Bridge be received and spread on the Journal in full, Especially the report of the County Engineer and the special Engineers Harrington Howard & Ash, also all Communications be received and placed on file. Motion seconded by William Blodgett

Motion Carried.

IN THE MATTER OF THE CONSTRUCTION OF THE CENTRAL AVENUE BRIDGE.

It is hereby agreed and stipulated by and between the Missouri Valley Bridge and Iron Co, by its attorney, A.L.Berger, and the Board of Commissioners of the County of Wyandotte, that the now existing contract for the construction of said bridge, shall be extended to permit and allow the said contractor, The Missouri Valley Bridge and Iron Company, an opportunity to secure certain material which by reason or war conditions is at this time impossible to purchase and obtain.

It is further agreed and stipulated by and between the parties hereto that the Missouri Valley Bridge and Iron Company shall receive \$20,000 of the retained percentage of approximately \$24,000.

It is further agreed and stipulated that the payment of said amount of \$20,000 shall in no matter affect or vary the terms of the contract heretofore entered into. It is further agreed and stipulated that the now existing bond shall be annulled and cancelled and that the Missouri Valley Bridge and Iron Company shall in lieu thereof furnish a bond, conditioned as the old bond for the faithful performance of said work for \$20,000, but the furnishing of said bond and the payment of \$20,000 shall in no manner be treated or accepted as the completion or final acceptance of the bridge by the Board of County Commissioners.

The Missouri Valley Bridge and Iron Co.

The Board of County Commissioners
of Wyandotte County, Kansas.
By J H Brady

BOND

Know All Men By These Presents: That The Missouri Valley Bridge and Iron Company, as principal, and the National Surety Company, as surety, are held and firmly bound unto The Board of County Commissioners of Wyandotte County Kansas, in the sum of Twenty Thousand Dollars (\$20,000.00) Lawful money of the United States for the payment of which well and truly to be made, we bind ourselves, our successors and assigns, jointly and severally by these presents:

Signed and sealed this 29th day of March, A.D. 1918
The CONDITION of this obligation is such: that

WHEREAS the said Missouri Valley Bridge & Iron Company did on the 14th day of March, A.D. 1916, enter into a written contract with the Board of County Commissioners of Wyandotte County, Kansas, for the construction and completion of parts of a certain bridge over and across the Kansas River, known as the Central Avenue Bridge in Kansas City Kansas, as more specifically set out in the specifications and contract hereto annexed and designated, and filed in the County Clerk's office for a certain price and for certain conditions therein named, which said contract, specifications and contract are made and considered a part hereof.

NOW, Therefore if the said Missouri Valley Bridge & Iron Company shall well and truly do and perform all the things required of it to be done and performed by the terms of said contract, plans and specifications, - then this obligation to be void; otherwise to be and remain in full force and effect.

IN WITNESS WHEREOF, the parties to this bond have signed their names, the day and year first above written.

The Missouri Valley Bridge and Iron Co.

(AGREEMENT)

Kansas City, Kansas, June 19, 1918.

STIPULATION

It is hereby stipulated and agreed by and between the City of Kansas City, Kansas and the Board of County Commissioners of Wyandotte County, Kansas, that a certain judgment had in Case No. 4842A, in which the City of Kansas City, Kansas was plaintiff and the Board of County Commissioners of Wyandotte County, Kansas was defendant, said judgment being for \$33,343.95 had on the 13th day of December, 1915, it further appearing that the amount of said judgment was had on certain conditions.

It is therefore agreed and stipulated by and between the City of Kansas City, Kansas and the Board of County Commissioners of Wyandotte County, Kansas, that the Board of County Commissioners of Wyandotte County, Kansas, hereby pay to the City of Kansas City, Kansas, the sum of \$28,000.00 to be applied upon said judgment.

It is further agreed and stipulated by and between the City of Kansas City, Kansas and the Board of County Commissioners of Wyandotte County, Kansas, that an audit be had of said account and that said audit shall be made by a representative of the City of Kansas City, Kansas and a representative of the Board of County Commissioners of Wyandotte County, Kansas and said audit shall cover and embrace all matters contained in plaintiff's petition up to and including the filing of said suit.

It is further agreed and stipulated by and between the City of Kansas City, Kansas and the Board of County Commissioners of Wyandotte County, Kansas that the payment of said \$28,000.00 shall not be construed as an acceptance or payment on the judgment as it now stands, the parties hereto and herein agreeing that in the event that said audit shall show and determine that the said sum of \$28,000.00 is in excess of the amount due, the City of Kansas City, Kansas hereby and herein agrees and promises to return to the Board of County Commissioners of Wyandotte County, Kansas, all such excess.

It is further agreed and stipulated that the Board of County Commissioners of Wyandotte County, Kansas, hereby and herein agree and promise to pay to the City of Kansas City, Kansas, any and all sums of money found to be due by said joint audit, in excess of the said sum of \$28,000.00.

The City of Kansas City, Kansas.

Honorable body of County Commissioners,
Kansas City, Kansas.

dear Sirs:-

I believe you fully appreciate the importance of giving every possible attention to the influenza epidemic which now prevails in this State and leaving nothing undone to guard the health of the people in this serious emergency.

May I suggest that I believe you would be justified in spending any amount of money necessary to protect the people against this epidemic.

I have been glad to see in the papers that you are giving the matter close attention and I commend your efforts in that direction.

Very Respectfully,
Arthur Capper, Governor.

William Blodgett Clerk. Samuel Clarke Chairman.

Friday November 8th 1918. 2 P.M.

Pursuant to adjournment taken upon Nov. 7th 1918 The County Commissioners met for the transaction of business.

Present Samuel Clarke Chairman, David Buckland and William Blodgett.

On Motion by William Blodgett that Chairman be empowered to sign supplementary contract with the Missouri Valley Bridge & Iron Co. and same be copied in full on the minutes and chairman be further authorized to approve Bond on said supplementary contract. and Bond be spread on Journal. Motion Seconded by David Buckland. Motion Carried.

There having been presented on this date a bill by the Missouri Valley Bridge & Iron Co. for the final estimate and payment for the construction for the Central Avenue Bridge, and there being filed on this day by O.K. Williamson, County Engineer, a letter recommending the acceptance of said Central Avenue Bridge, and advising in said letter that said bridge was completed according to plans and specifications, and a further letter from Howard, Harrington, & Ash, Consulting Engineers, underdate of Sept., 5, 1918, further advising that said structure was completed according to plans and specifications

I move that said Central Avenue Bridge be accepted for the reasons herein before stated, and that final payment thereon be made, said payment to be made only after filing and accepting of a bond in the sum of Three Thousand Dollars (\$3,000.00), said bond providing that said contractors, Missouri Valley Bridge & Iron Co., shall, if called upon, by the Board of Wyandotte County, Kansas, at any time within five years from this date, dredge and clean said river of all foreign substances adjacent to said Bridge. Said dredging, cleaning, and removal of foreign substances adjacent to said bridge shall be under the supervision and direction of the County Engineer of Wyandotte County, Kansas, and the Consulting Engineers, Howard, Harrington, & Ash, said engineers shall be the final arbiters and judges as to the necessity and practicability of the removal of any debris, or the practicability of any dredging.

I further move that the County Engineer's letter of this date, be copied in the Journal of Commissioners in full.

I also further move that a copy of Howard, Harrington, & Ash letter of acceptance of said bridge under date of Sept., 5, 1918, and the letter of the Missouri Valley Bridge & Iron Co., dated Sept., 4th 1918. be copied in the Journal of the Commissioners and that the said letters being the basis of all unfinished work for which contract and bond has been required herein.

Board of County Commissioners,
Wyandotte County, Kansas.

In reply to your inquiry of a recent date relative to the Status of the construction of the Central Avenue Bridge have to report as follows;

This structure has been fully completed according to the specifications with the exception of placing the rails and ties on that portion to be used by the Street Railway Co. You will remember that the ties which were creosoted were placed by the contractors and the rails on the ground and because of the fact that said creosoted ties were leaking and were giving forth substances which was damaging to the clothes of pedestrians and which had damaged the property of the individuals paralling this bridge, it was thought advisable to have said ties removed until the structure was available for use.

The Contractors have therefore done everything on the structure as provided in their contract. There is a matter however, of dredging which might in the future have to be met. I have to advise that the Contractors have completed said dredging as far as it is practical and further advise that there has been no time since the construction of the said bridge up to the present when it has been possible under the conditions of the River to have done more than said contractors have accomplished thus far. It may be years and possibly it may never be required to further dredge the vicinity of said bridge. However in order that Wyandotte County may be fully protected in the event that a contingency arise, said Company be required to further dredge said River, I would suggest that before final payment and acceptance of this Bridge, the Contracting company be required to execute a bond to Wyandotte County in the sum of \$3000,

Yours Very truly,
O.K. Williamson, Co. Engineer.

B O N D.

KNOW ALL MEN BY THESE PRESENTS: That the Missouri Valley Bridge & Iron Company, as principal and the National Surety Company, as Surety, are held and firmly bound unto The Board of County Commissioners of Wyandotte County, Kansas, in the sum of Three Thousand Dollars (\$3,000.00). lawful money of the United States, for the payment of which well and truly to be made, we bind ourselves, our successors and assigns, jointly and severally by these presents:

Signed and sealed this 8th day of November, A.D. 1916.

The CONDITION of this obligation is such: that

WHEREAS, the said Missouri Valley Bridge & Iron Company did on the 14th day of March, A.D. 1916, enter into written contract with the Board of County Commissioners of Wyandotte County, Kansas, for the construction and completion of a certain bridge, over and across the Kansas River, known as the Central Avenue Bridge in Kansas City, Kansas, as more specifically set out in the specifications and contract, filed in the County Clerks office, said specifications and contract are made and considered a part hereof.

WHEREAS, said bridge has been completed as far as practical, and final payment thereon made, and whereas said Missouri Valley Bridge & Iron Company, contractors, thereon have this day entered into a further contract with the Board of County Commissioners at Wyandotte County, Kansas, that said Missouri Valley Bridge & Iron Co, will, if called upon, any time within a period of five years, do certain work relative to dredging, cleaning, and removal of debris adjacent to said bridge.

Said supplementary contract made and entered into this day is made a part hereof.

N O W, Therefore, if the said Missouri Valley Bridge & Iron Company shall well and truly do and perform all the things required of it to be done and performed by the terms of said contract, plans and specifications, then this obligation to be void; otherwise, to be and remain in full force and effect.

IN WITNESS Whereof, the parties to this bond have signed their names, the day and year first above written.

The Missouri Valley Bridge & Iron Co.
By A.L. Berger

The National Surety Company.
By F. Murphy
Atty. in fact

Approved by Samuel Clarke
Chairman, Board of County Commissioners.

IN THE MATTER OF THE CONSTRUCTION OF THE CENTRAL AVENUE BRIDGE.
It is hereby agreed and stipulated by and between the Missouri Valley Bridge & Iron Company, and the Board of County Commissioners of Wyandotte County, Kansas, that final payment and acceptance for the construction of said Central Avenue Bridge is made under the following condition, namely:

That said contractors, having agreed to removal of certain debris and to also do certain dredging adjacent to said bridge. That all of said work has been done and completed as far as practical. Therefore the Missouri Valley Bridge & Iron Company, in consideration of the acceptance of said bridge and the final payment thereon, further agree that if at any time within a period of five years from this date, that it is practical to remove any debris or to further dredge the river adjacent to said bridge, as set out in plans and specifications that said Missouri Valley Bridge & Iron Company, will upon the request of the Board of County Commissioners of Wyandotte County, Kansas, do and perform any and all work, and pay, or cause to be paid, all expense in the removal of said debris or dredging, as per plans and specifications in the original contract, now on file in the office of the County Clerk of Wyandotte County, Kansas.

(Over)

(Cont'd.)

It is further agreed and stipulated that in the event a controversy arises as to the practicability of said dredging or the removal of debris, as set out in the original contract, then the County Engineer of Wyandotte County, Kansas, and the consulting Engineer's, Howard, Harrington, & Ash, shall be the final arbiters, and judges as to the practicability and feasibility of the removal of said debris or further dredging of said river, and said engineers decision shall be final and binding upon both parties.

It is further agreed and stipulated that the Missouri Valley Bridge & Iron Company shall furnish a bond in the sum of Three Thousand Dollars (\$3,000.00) for the satisfactory performance of said work.

The Missouri Valley Bridge & Iron Co.
By A. L. Berger. Atty.

The Board of County Commissioners of
Wyandotte County, Kansas.

By Samuel Clarke
Chairman.

Central Avenue Bridge over Kansas River

September 5, 1918.

Mr O K Williamson
County Engineer
Wyandotte County
Kansas City, Kansas.

Dear Sir:

The Missouri Valley Bridge & Iron Company, under their contract with Wyandotte County, are obliged to do certain work in cleaning the river bed adjacent to the bridge site, especially as described in the third paragraph of clause 85 of the specifications. We desire to confirm our opinion expressed at our conference of Tuesday last at the bridge site. We believe that all of the material so required to be removed which can be practicably done under the present conditions of the river bed, up and down stream from the bridge, has now been removed.

We enclose the original of a letter of September 4, 1918, just received from the Missouri Valley Bridge & Iron Company, which states in part should the channel be excavated deeper in the future and there is any material encountered that in the judgment of the consulting engineers should be removed under our contract we will remove the same or pay for its removal.

In our opinion such an arrangement with the contractors is just and sensible.

We recommend, therefore, to you and the Board of County Commissioners that the enclosed letter be accepted and filed and that the contractors be paid in full the balance of any amounts due them on this part of the work.

Very sincerely yours,

Harrington, Howard & Ash.

By E E Howard.

Harrington, Howard & Ash,
Kansas City, Mo.

Sept. 4, 1918.

Dear Sirs:-

Referring to our contract with the Board of County Commissioners, of Wyandotte Co., Kansas, for the reconstruction of the substructure of the Central Ave. Bridge, and especially that part of Section 85, which reads as follows:

"All of the old substructure, masonry, concrete, timber, piles, riprap, and other materials, and debris, comprising parts of the old bridge or its approaches, and all remains of old falsework, or other parts of former bridges which may extend above the established scour line and established side slopes of the levees, and all earth above elevation 311 and above side slopes of levees for 50' each side of the center line of the old bridge shall be taken out of the river and shall be disposed of by the contractor as his own property."

We believe that we have fully complied with this section of the contract. We have removed all material that can be removed at the present depth of channel, but should the channel be excavated deeper in the future, and there is any material encountered that, in the judgement of the consulting Engineers, should have been removed, under our contract, we will remove the same, or pay for its removal.

Trusting that this will be satisfactory, we remain,

Yours truly,
The Mo. Valley Bridge & Iron Co.,
per C F Greaver
Supt. of Construction.

Board adjourned.

William Bezzo Clerk.

Samuel Clarke Chairman.

Thursday November 14th, 1918. 2 P.M.

Pursuant to adjournment taken upon Nov. 8th, 1918. The County Commissioners met for the transaction of business.

Present Samuel Clarke Chairman, David Buckland and William Blodgett.

The following Bids for installing complete set of Storage Batteries at County Poor Farm to consist of Fifty-six (56) cells at 2 volts per cell, commonly known as a 60 amp hour Battery. Bids as follows:

| | |
|---------------------------------|----------|
| E A Brown | \$548.20 |
| West Side Armature Battery Wks. | 596.40 |
| Inter State Electric Co. | 650.00 |
| Missouri Valley Electric Co. | 625.00 |

Above bids were received and referred to the County Mechanic with instructions to report back to Commissioners the best Bid.

Motion by David Buckland that the County Counsellor be instructed to enter into a stipulation to have injunction now pending on the John Textor road be made permanent for the reason that the award of \$530.00 by viewers was appealed from and said appeal is now pending and from all information available the damages awarded is insufficient and will appeal be awarded materially. And for the further reason that the County Surveyor made an estimate that it would cost the County \$5,000.00 to bridge said road Also it would cost the Township an amount almost as great. County Engineer Williamson reports it will cost all or more than the County Surveyor McAlpine estimates and said O K Williamson further advises the refusal of said petition as the project is not feasible and out of proportion as to cost. Motion Seconded by Samuel Clarke.
Motion Carried.

Motion by David Buckland that the communication from O K Williamson in reference to the J A Textor road be received and filed. Motion Seconded by Samuel Clarke. Motion Carried.

Communication from J H Brady County Counsellor in reference to the Kaw Valley Drainage Board was received and ordered spread on the journal in full.
The Board of County Commissioners,
Wyandotte County, Kansas.

Gentlemen:-

The Kaw Valley Drainage District of this County has from time to time written your Honorable Body requesting the removal of certain debris in the Kansas River. Their Attorney, Mr. T.A. Pellock, on a recent date, advised that unless your body took steps to remove said debris, it would be his duty to institute proceedings to compel said removal, and a further letter from said drainage district requests the repair of what is known as the Twelfth Street Bridge. I have to inform you that in my opinion Wyandotte County is not liable for the removal of any debris or for the repair of any bridge over the river within the boundaries of the City of Kansas City, Kansas for the reason,

FIRST: That all of said bridges were erected many years prior to the enactment of what is known as the Drainage Act, which Act, among other things, gave to the members of the drainage commission authority to cause the removal of bridges and debris, and it is my opinion that the act would be in a measure retro-active causing or rather placing on Wyandotte County a burden not theirs.

SECOND: That the City under its charter and under the constitution of the State of Kansas has absolute power, control and jurisdiction of the streets, and the fact that a bridge should be and become a part of said street would not divest the City of said power.

THIRD: That it would not be compatible for good government and to the best interest of the community that the City should control a part of the thoroughfares and the County the remainder.

FOURTH: That in 1909, the legislature enacted a law, placing the title, control and management of the bridges in all cities, having an assessed valuation of over \$90,000,000.00 in the County where said City was located, This, to my mind, is a void law, for the reason that it attempts to diminish, and that it withdraws a portion of the territory of Kansas City, Kansas from its corporate control, in that, Wyandotte County, rather than Kansas City, Kansas, would be in control of that portion of the highways and streets covered by bridges over the Kansas River.

For the reasons hereinbefore given, I would respectfully recommend that Wyandotte County take no part in the removal of debris from the Kansas River within the boundaries of Kansas City, Kansas, and further recommend that the repairs to all bridges or on all bridges within said boundaries be left to the City of Kansas City, Kansas, where, to my mind, such rightfully belongs.

Respectfully submitted,

J H Brady
County Counsellor.

Communication from R.J. McFarland in reference to an increase in salary for his office force was received and placed on file.

An opinion from the County Counsellor in reference to an increase in salaries in the office of the District Clerk was received and ordered spread on the Journal in full.

The Board of County Commissioners of
Wyandotte County, Kansas.

Gentlemen:-

As per your request relative to the increasing of salaries in the Office of the Clerk of the District Court, I have to report the following:

That in my opinion it is strictly legal for your honorable body to increase the salaries in this office. I bear out my decision under Chapter 131 of the session laws of 1917, which provides that in the event of an emergency or a great necessity your honorable body may by resolution, providing that it is necessary for such an increase to be given, increase said salaries.

I have, therefore, prepared a resolution covering these conditions, which I present herewith.

Respectfully,

J. H. Brady.
County Counsellor.

Resolution in reference to salaries for Clerks in the District Clerks office was received and ordered spread on the Journal in full.

RESOLUTION.

Motion by David Buckland.

For the past four months the Clerk of the District Court of Wyandotte County, Kansas has been without sufficient clerical help. Because of said condition it has been necessary for the remaining clerks to work long hours at night and sometimes on Sunday. The Salaries paid said clerks are much less than they could and would be able to earn in other positions. Some of said clerks are about to resign, and it will be impossible to secure competent successors to fill the positions left vacant under the existing salaries;

It is therefore deemed by this board that an emergency exists in said office, and that said emergency is of such magnitude as to warrant the board of commissioners increasing the salaries of the remaining clerks under authority of Chapter 131 of the Session Laws of 1917;

It is further the opinion of this board that if any goodly number of said clerks should resign it would to a great degree hamper the progress of the courts and the business conditions of the County.

I, therefore, move that the resolution be adopted.

Seconded by William Blodgett. Motion Prevail.

RESOLUTION

Order And Resolution of The Board of County Commissioners of Wyandotte County, Kansas for the Improvement of Sections of the Port-To-Port Highway in Said Wyandotte County, Kansas

Now on this 23rd day of December 1918, at a duly constituted and regular meeting of the Board of County Commissioners of Wyandotte County, Kansas, and all members of said Board being present, the matter of the improvement of certain Sections of the Port-To-Port Highway in said Wyandotte County, Kansas, came on and for consideration and action by said Board; and the Board having carefully considered said proposed improvements and having made an examination of the present condition of said sections of said road, and being fully advised in the premises, finds as follows:

1. That said sections of said road, more particularly described as follows; to wit:- Beginning at a point on State Avenue Road said point being the present West City Limits of Kansas City, Kansas, said point also being 714 feet East of the East line of Territorial Road (now a part of the Port-To-Port Highway); Thence West 734 feet Thence North $\frac{1}{2}$ mile to Wood Avenue; Thence Northwesterly Approximately 3250 feet to the Parallel Road; intending to describe that portion of State Avenue Road from the City Limits of the City of Kansas City, Kansas to the Territorial Road, and that portion of the Territorial Road between State Avenue Road and the Parallel Road, being Approximately $\frac{1}{4}$ miles in extent. (Constituting Section 1).

Also that portion of the Parallel Road (now a part of the Port-To-Port Highway) beginning at the North and South center line through Section 36 Township 10 Range 2 and extending west to the Southwest corner of (Constituting Section 4), Section 34 Township 10 Range 23, a distance of $\frac{2}{3}$ miles and there terminate; being a total length of $\frac{3}{4}$ miles, pavement on same now being sixteen feet wide, and being a County Road of Said Wyandotte County Kansas, duly constituted as such according to law.

2. That the improvement of the above described sections of County Road by grading draining and surfacing said sections of road with Portland Cement Concrete pavement 20 feet wide on that portion of Section one extending from the City Limits of Kansas City Kansas to the Territorial Road, a distance of approximately 700 feet, and eighteen (18) feet wide on the remaining portion of said section one (otherwise referred to above as a part of State Avenue Road and as Territorial Road) and by grading draining and surfacing with Portland Cement Concrete pavement eighteen (18) feet wide on Section 4 (otherwise referred to above as a portion of the Parallel Road), and building all necessary culverts and bridges on each of the two above sections of road; all in accordance with the plans specification and estimates approved by the State Highway Engineer (and the United States Secretary of Agriculture if Federal Aid is granted is an immediate necessity and is of general public utility.

3. That the sum of Seventy Five Thousand Dollars (\$75,000) is available for the purpose of making the above stated improvements from the general road fund of Wyandotte County Kansas.

IT IS NOW BY THE SAID BOARD ORDERED AND RESOLVED:-

That said sections of road herein above described be improved in the manner above stated, and that the County Engineer of said County of Wyandotte shall cause an accurate survey to be made of said sections of road, together with plans and specifications for the improvements herein ordered, and an estimate of the cost of such improvements; that after final approval of such plans, specifications and estimates by the State Highway Engineer, they be filed with the County Clerk of this County as Required by law.

IT IS FURTHER RESOLVED:- that the County Treasurer be notified that the sum of Seventy Five Thousand Dollars (\$75,000) be and the same is hereby appropriated and set aside from the Road fund of Wyandotte County Kansas for the purpose of making the above described improvements upon the above described sections of road, and for no other purpose, and said fund shall be known as, Special Improvement Fund, Port-To-Port Highway, Sections one and Four."

County Clerk.

Contd.

IT IS FURTHER RESOLVED:-

That application be made through the State Highway Commission for Federal aid and that said Federal aid be, and the same is hereby ordered applied to the cost of the improvements to the extent for which the same is given.

Board of County Commissioners of Wyandotte County Kas.

Motion by David Buckland that the resolution for vacating parts of Gibbs & Paynes add. to Argt. be received and filed and Spread on the Journal in full. Motion Seconded by William Blodgett. Motion Carried.

RESOLUTION

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE COUNTY, KANSAS.

In the Matter of the application for the Adoption of a resolution approving and confirming the Recording of the Proceedings Vacating Parts of Gibbs and Paynes Addition to Argentine and Parts of Gibbs and Paynes Second Addition to Argentine.

Whereas, it being made to appear to the Board of County Commissioners of Wyandotte County, Kansas, that on the 11th day of April, 1892, Vacation proceedings were had before the then Board of County Commissioners of said County, in which proceedings, by an order of said Board, certain parts of Gibbs and Paynes Addition to Argentine, and certain parts of Gibbs and Paynes Second Addition to Argentine, Wyandotte County, Kansas, were vacated; and

(Over)

Contd.

Whereas, in said order of vacation, the County Clerk of said County, was directed not to certify said order of vacation to the Register of Deeds of said County for recording until further order of said Board; and

Whereas, said order of vacation was certified by said County Clerk to said Register of Deeds, and filed and recorded in the office of said Register of Deeds on the 19th day of January, 1893, without said order directing the certification and recording thereof being made a matter of record in the Journal of the proceedings of said Board in the office of said County Clerk, and

Whereas, the present Board of County Commissioners of Said County, being fully advised in the premises, finds that, at the time of the certification by said County Clerk and the recording of said vacation proceedings in said Register of Deeds office said order was made and it was the intention of said Board to make said order a matter of record in the Journal of the proceedings of said Board, and that the entering of said order was inadvertently omitted by the County Clerk, therefore

Be it Resolved, by the Board of County Commissioners of Wyandotte County, Kansas, that said action of the County Clerk certifying said vacation proceedings to said Register of Deeds and the filing and recording thereof in said Register of Deeds office on the 19th day of January, 1893, be and the same hereby is, approved and confirmed, and these resolutions are hereby ordered to be made a matter of record in the Journal of the proceedings of this Board.

Above resolutions adopted by the Board of County Commissioners of Wyandotte County, Kansas, at a regular meeting of said Board, held on the 19th day of December 1918.

Motion By Samuel Clarke that the Communication from J H Brady referring to the purchase of a new $3\frac{1}{2}$ Ton Truck was received and spread on the Journal . Motion Seconded by David Buckland. Motion Carried.

To The Board of County Commissioners of Wyandotte County, Kansas.

Gentlemen:

Pursuant to your request as to whether you could legally consider bids furnished on automobile truck, wish to submit the following;

I find that in may 1918, you advertised that you would on June 17th receive bids. Your County Clerk's records show a copy of the amounts of the various bidders, and it is further shown that on June 17th at 2 P.M., all members present, that it was moved and seconded that consideration of said bids be laid over, no definite date having been set.

It is my opinion that it is perfectly lawful, and that it is legal for you, at this time, to consider these bids, and award the contract to whatsoever bidder in your mind and judgment has made the best bid.

This opinion respectfully submitted this 10th day of January, 1919.

J H Brady

County Counselor.

Motion by Samuel Clarke that the communication from J H Brady County Counsellor referring to certain railroad ties in the Central Ave. Bridge be received and spread on the Journal in full. Motion Seconded by David Buckland. Motion Carried.

Resolution.

Be it Resolved by the Board of County Commissioners of Wyandotte County Kansas That the County having purchased as per plans and specifications certain Railroad ties treated with creosote for Central Ave. Bridge for use of Street Railway. Said ties whereby the contractor placed on said structure and after having been so placed began to bleed thereby damaging adjoining buildings to said structure. It was therefore deemed advisable to remove said ties to avoid damages suits because of said bleeding.

Said ties so removed are of no necessity to Wyandotte County Kansas Therefore be it resolved that said ties be sold to the best bidder after due notice of said sale has been given as required by Statute.

I move the adoption of said Resolution.

J H Brady.

County Counsellor.

Motion by David Buckland that the County Clerk be instructed to notify the Mayor and City Commissioners of Kansas City Kansas, that the Taxes on the Inter City Viaduct for the year of 1918 Amounting to the sum of \$11,761.00 remains unpaid and request that no money be paid over to said Inter City Viaduct until the Taxes are paid for the year of 1918. Motion Seconded by Samuel Clarke. Motion Carried.

Motion by Samuel Clarke that the resolution from the Kansas Highways Commission referring to the improvement of $3\frac{1}{2}$ miles of road as required by the Federal Aid road act.

Motion by Samuel Clarke that the action of the County Counselor in the settlement of case Number 3361 be approved. Motion Seconded by David Buckland. Motion Carried. All members voting Aye.

Order of Board of County Commissioners

It is hereby ordered by the Board of County Commissioners of the County Aforesaid, that the above report of assessment of damages be confirmed, with the following exceptions, viz:

Provided, That such sums shall become due and be payable only upon the filing of a certificate from the Township Trustee that the road has actually been opened for public travel.

Done 24th Febr 1919.

William Blodgett Chairman

Attest William Beggs, County Clerk.

Return of Surveyor.

To the Honorable The Board of County Commissioners of the County of Wyandotte:

The undersigned, the County Surveyor of said county, having been ordered by your honorable board to meet with Wm Blodgett, David Buckland and Samuel Clarke, road viewers herein, on the 18th day of February A D 1919, at the Mill Creek bridge at Muncie, and survey, under their direction a certain proposed road which had been petitioned for by J. A. Stark and others, and described in said petition thereof as follows: Straightening of the River Road at Muncie, Kansas over Mill Creek. respectfully reports and returns to your honorable board, that on the 18th day of February A D 1919 at said designated place he did accordingly meet with said viewers, and did under their direction, survey the road and cause the same to be conspicuously marked throughout noting the courses and distances, which survey was as follows: A Strip of land fifty (50) feet wide lying along and adjacent to the right of way of the Union Pacific Railroad, and on the northerly side thereof, the center line of which strip is described as follows: Beginning in the center of the Kaw Valley Road about 90 feet southwesterly from the intersection of said center line with the Wyandotte and Delaware Reserve Line: thence northeasterly about 260 feet to the center of the Kaw Valley Road. See plat hereto attached.

And a plat of said road so surveyed is hereunto attached as a part of this return.

P. A. Williamson
County Surveyor of Wyandotte County, Kans.

State of Kansas, Wyandotte County, ss.
I, P. A. Williamson a s County Surveyor of said county of Wyandotte do hereby certify that the foregoing return is a correct return of the survey made by me of the said proposed road; that said survey was so made by me as in said return stated, and under the direction of the said viewers; and that I caused the said road, as so surveyed, to be conspicuously marked throughout, noting courses and distances as in the said return indicated; and I do further certify that the plat accompanying and attached to the said return is a correct plat of said road as so surveyed, marked and noted by me.

Witness my hand this 20th day of February A D 1919 at said County of Wyandotte.

P A Williamson, County Surveyor of Wyandotte County, Kansas.

Motion by Samuel Clarke that the Communication in reference to the redemption from sale to the County of Lot 24 Block 3 Valley Park, the County Clerk be instructed to issue a face of sale certificate for taxes for 1913. Motion seconded by David Buckland. Motion carried. Spread upon Journal in full.

County Clerk Wyandotte County
Kansas City, Kansas Feb. 24th 1919

To the Honorable Board of Co. Commissioners,
Wyandotte County, Kansas.

Gentlemen: In the Matter of Redemption from sale to the County of Lot 24 Block 3 Valley Park, for 1913 taxes and subsequent the following: Under Sec. 11460 of Laws relating to assessment and taxation the same cannot be sold on account of failure to give the notice required by statute since appeal.

The present owner was the owner of record in the office of Register of Deeds but the assessment and tax Rolls did then and do now show this property listed to J.W. Baeder. No notice having been given as prescribed by statute "such lands ought not to be sold and being unable to enforce the collection thereof through sale or foreclosure of tax lien the only remedy is cancellation of sale and retaxing for those years without penalty and interest.

The petitioner is willing to pay tax and penalty as is now charged without interest and a granting of said petition is therefore a protection of all interests the County has therein.

Respectfully _____

I hereby certify that the above is true and correct.

A J Hoffman.

County Clerk
Wyandotte County, Kansas City Kansas
Feb. 24th 1919.

To the Honorable Board of County Commissioners,
Wyandotte County Kansas,

Gentlemen:

The undersigned Lena Carr Trustee for the heirs of Fred Willig deceased, respectfully petitions your honorable body to authorize the County Treasurer to receive in full redemption of lot 24 Block 3 Valley Park, from sale to the County for the taxes of 1913 and subsequent years the amount as shown on sale Book, there being an error or irregularity in the sale of said property listed to one Baeder to whom the notice of delinquency was mailed and not forwarded to Fred Willig's heirs the real owners, the transfer from said Baeder never was made upon the assessment rolls, though the cost of the transfer was paid at that time.

Respectfully

Lena Carr Trustee
Hrs. of Fred Willig Dec.

Motion by Samuel Clarke that the County Councillor be instructed to confess judgment in Case 10177, the case of Chas. M. Breidenthal vs. Board of County Commissioners. The County Clerk be instructed to strike off Taxes for the years 1913 and 1914. Motion seconded by David Buckland. Motion carried. Spread upon Journal in full.

Motion By Samuel Clarke,
That the County Counsel be instructed to Confess Judgment, In the Case No. 10177 The Case of Charles M. Breidenthal vs. Board of County Commissioners.

The above entitled suit is one to quiet title as to taxes on a certain tract which said tract of land was, by the Board of Education of Kansas City, Kansas, condemned and held by the condemnation proceedings during the years 1913 and 1914, upon and appeal from said condemnation proceedings, the within property was returned to plaintiff in this case. During said years 1913 and 1914, he was without the use of same, and the taxes assessed when title was in the Board of Education.

I move, therefore, that the County Counselor confess judgment, as prayed for in plaintiff's petition, vacating and setting aside said taxes, and further move that the County Clerk be instructed that a copy of this motion be spread in full upon the Journal.

The South thirty (30) feet of the north thirty five (35) feet of Lot eight (8) the Block ten (10) Block ten place in Wyandotte County Kansas, and the south half of lot nine (9), all in

Motion by David Buckland that the following additional list of Deputy assessors be confirmed
 Motion Seconded by Samuel Clarke. Motion carried.

M.J. Manning, E J McCulloch, John H Kane , Lucy Wilkerson, Alex Griffin, Ethel Reynolds,
 Ida Scott, Maude Martz, H.M Swanson, Oscar Werby and Homer H Lasley.

Communication from J.H. Brady recommending that the taxes on a certain tract of land be stricken off the tax Rolls for several reasons. The County Clerk was instructed to correct said tax rolls , also to spread the Communication upon the Journal in Full.

Office of Brady and Henning, Lawyers
 Suite 204-206-208 Wahlenmaier Bldg.

Kansas City, Kansas Feb. 24 1919.

Board of County Commissioners,
 Wyandotte County, Kansas.

Gentlemen :

I am enclosing you herewith a copy of letter written by Judge McCamish, relative to taxes on a piece of ground owned by a Russian Jew in their vicinity.

Upon one of my recent trips to topeka I took this matter up with the State Tax Commission, and they advised me that your honorable Board could make an order, ordering the Taxes on this tract of ground stricken from the tax rolls, for the following reasons:

First, that the same was placed on the tax rolls by description by metes and bounds, and that the original plat of these lots would not show description by metes and bounds, but rather by lots, and further that it was without the power of the County Clerk or County Treasurer, or County Assessor to place on the tax rolls a piece of property by any other description than that by which it was originally described in the plat.

Second, the owner of lot 25 Stegner's Addition the lot adjacent to this tract of land , has paid for taxes in full.

The law of Kansas is that upon the abandonment of any tract of land by the city or county the same reverts to the adjoining land. Now this rule would hold in this particular case, he owning lot 25 and having paid the taxes on the same all these years and by operation of law upon the abandonment of the adjoining tract become the owner of said tract of land, and said tract of land would be included in lot 25 in other words, if this tract of land was abandoned by the city, lot 25 as described in the plat, instead of being a 25 foot lot, after said abandonment, took on and became a 37½ foot or 50 foot lot, according to the amount of ground that reverted, because of said abandonment-- in other words , lot 25 ,and the lot immediately on one side of the abandoned street, would divide equally this abandoned street, so therefore when the owner of lot 25 paid his taxes he therefore paid all that he was assessed.

This mistake was, and is , that lot 25, after the abandonment, should have been revalued and a higher assessment placed on the same, but the county having failed so to do can not now be heard to complain.

I would therefore recommend said recommendations be made, only after a conference with the State Tax Commission, that the tract of land described in Judge McCamish's letter be stricken from the tax rolls, and too I further recommend that the County Assessor be notified in order that he may readjust and properly assess lot 25, which after this addition of reverted ground, should be increased in value.

Respectfully submitted,

 County Counselor

Hon. Joseph Brady

County Counselor, City.

Dear Sir: Last spring a neighbor of mine requested me to ascertain for him the condition as to taxes of a strip of vacated ground lying east of a lot recently purchased. I called the attention of both the County Attorney and yourself to the situation as I found it then and you suggested that the matter would necessarily have to go to the State Tax Commission and that should be done this fall.

My connection with it , is not as an attorney, but merely to help out a man ignorant of our system of taxation and laws. Mr. Lerner is a Russian Jew, now an American citizen with a family consisting of wife and four or five children. He bought Lot 25 Stegner's 1st Addition (near 6th and Quindaro) The city some years ago had vacated all of 6th street lying east of that lot. As the whole of that street was taken from the tract, the whole of the vacated strip reverted to and became a part of this lot. It seems that the taxing authorities

never recognized the law of the reversion, and this piece of vacated ground was listed as a separate tract of land for taxation.

This tract was sent to County Attorney for foreclosure and he, of course could not foreclose because this was a part of lot 25. All taxes on Lot 25 were paid. Mr. Lerner was not informed that he owned the vacated strip until I looked into it for him. It has lain idle and grown up in weeds, without being of service to anyone.

Lerner now has plans for a little business building on this property, but the tax proceedings, while in my opinion they were void, prevent him from borrowing necessary funds.

Why not get this record cleared up by recinding this attempted tax proceeding, and place the entire lot in the tax roll at the proper valuation.

Description of the vacated ground under Ordinance No. 6614, is as follows:

Commencing at a point 30 feet east of the east line of lot 25, and 30 feet south of the south line of lot 26, both lots being in Stegner's First Addition to Wyandotte City, now a part of Kansas City, Wyandotte County Kans, thence south to the northerly line of Quindaro Boulevard; thence northwesterly to the southeast corner of said lot 25, thence north to the northeast corner of said lot 25, thence southeasterly to the point of beginning, meaning and intending to describe all that part of 6th street as platted in said Stegner's First Addition, immediately east of said Lot 25.

Respectfully,

Signed) W.H. McCamish.

Allowance of claims and accounts for the Month of March. Ordered by the Board that all claims and accounts be allowed as per docket of claims and accounts.

IN THE UNITED STATES DISTRICT COURT DISTRICT OF KANSAS, FIRST DIVISION.

The Kansas City Railways Company,
vs

Plaintiff,

The Board of County Commissioners
of Wyandotte County, Kansas.

Defendant.

In Equity,
No. 186-N.

APPLICATION FOR AN ORDER FIXING, ALLOWING AND PROVIDING FOR THE PAYMENT OF DEFENDANT'S ATTORNEY IN THE ABOVE ENTITLED CAUSE.

Now comes the defendant, The Board of County Commissioners, of Wyandotte County, Kansas and James F. Getty, their attorney, herein and respectfully represent to the Court that said defendant duly employed said James F. Getty, a practicing lawyer of Wyandotte County, Kansas, to represent said defendant in the above entitled cause, and that pursuant to said employment, said attorney represented and appeared for defendant.

- litigation.

That owing to the nature and extent of the said litigation, defendant could not and did not fix any amount as compensation for services of said attorney, That said attorney has not been paid any sum whatever as compensation or on account of compensation or for his disbursements in said litigation. That defendant has no fund now in its possession available for the payment of the compensation of said attorney and said defendant and its attorney have not been able to agree upon the amount of said compensation. That it has been mutually agreed by and between said defendant and its attorney that the question of the amount of said compensation be submitted to the Honorable John C. Pollock, Judge of the above entitled Court, and that he be requested to determine and fix by order in the above entitled action, a fair and reasonable compensation for the services of such attorney to be paid out of the proceeds of this action now in the hands of the Court, and that such order, when made by such Judge, be final and binding upon the parties to this application.

WHEREFORE, the undersigned respectfully moves the Court for an order fixing the compensation of defendant's attorney herein and directing that the same be paid to him by the Clerk of this Court out of the moneys in his hands due the defendant under the decree herein and for such other and further order in the premises as to the Court may seem equitable and proper.

The Board of County Commissioners
of Wyandotte County, Kansas.

By William Blodgett.....
Chairman.

James F Getty.....

Board of County Commissioners,
Wyandotte County,
Kansas City, Kansas.

June the 18th, 1919.

Central Avenue Bridge Over the Kaw River.

Gentlemen:

Following your request for a report recommendation, we have examined the claims of the Mid-West Construction Company set forth in a statement dated April 8, 1918, for extra costs of construction of the east concrete approach to the Central Ave. Bridge over the Kaw River, alleged to have been caused by the delay and unexpected difficulty of the work on account of the right-of-way not having been made available at the times expected. During the construction we kept daily records of the work, and know that delays did occur and were the cause of material additional construction costs. The rights-of-way in question were provided by the City of Kansas City, Kansas, after very considerable delays, which were not anticipated by the Board of County Commissioners in discussing the preliminary plans with us, or when the contract was made, and over which the Board had no control.

It is our opinion that a settlement of all of the claims above referred to and any other claims of the Mid-West Construction Company on the Basis of the following modified statement, would be fair and just both to the Contractor and to Wyandotte County. We, therefore respectfully recommend the payment of \$6000.00 to the Mid West Construction Company in final settlement of all claims with reference to the Central Avenue Bridge:

MODIFIED STATEMENT

| | |
|---------------------------------------------------|-----------|
| Salaries to manager, etc., delayed periods, . . . | \$500.00 |
| Ground Rental | 60.00 |
| Purchasing lease-hold rights | 500.00 |

No other business appearing the Board adjourned.

William Bege Clerk.

Wm Blodgett Chairman.

Thursday June 26th 1919. 2 P.M.

Pursuant to adjournment taken upon June 23rd 1919. The County Commissioners met for the transaction of business.

Present William Blodgett Chairman, David Buckland and Samuel Clarke.

Motion by Samuel Clarke that the communication from W E Drennan Atty, for W R Padfield referring to suit No 7877A entitled The Board of County Commissioners of Wyandotte County State of Kansas vs. W H Rodgers et al, which said suit was brought for the purpose of foreclosing tax liens according to law, on various pieces of parcels of land in Wyandotte County, Kansas and certain piece of land described as follows, to-wit all of the north 30 feet of lot 1 Odams Addition to Rosedale Kans. that said lot proved upon survey to be a part of the County road of Wyandotte Co. Kansas and therefore your petitioner prfers to the Honorable Board of County Commissioners his Quit Claim Deed to said lot and prays that he be reimbursed by the said Board for the sum of money expended by him for said lot to-wit \$21.00. Motion seconded by David Buckland. Motion Carried.

Motion by Samuel Clarke that the Quit Claim Deed from W R Padfield to Wyandotte County conveying the north 30 feet of lot 1 Odams Addition in Rosedale be received and recorded in the Register of Deeds office and the County Clerk be instructed to issue to W R Padfield a refunding certificate for the sum of \$21.00. Motion seconded by David Buckland. Motion Carried.

Motion seconded by Samuel Clarke. Motion Carried.

General Agent.

My Dear Sir:

The Board of County Commissioners of Wyandotte County Kansas have instructed me to notify you that there is and now exists and is in full force and effect a law, being Chapter 242 of the Session Laws of 1919, providing that the various railroads crossing the County and townships roads shall erect and construct a good and sufficient crossing on the same grade

(Over)

as the road bed thirty feet on each side of the outside rail and shall be twenty-four feet in width on township roads and County Roads.

The Board of County Commissioners would be pleased to go into this matter with you more fully and have set the 21st day of July 1919 at 2 P.M. at which time and place they will be pleased to meet the railroads officials and inform them fully as to this project.

Respectfully submitted,
William Begg,
County Clerk.

Motion by David Buckland that the Communication from the Union Pacific Railroad Company relative to plan for 100 feet Pony Truss Span for use as County Highway Bridge opposite our culvert 16a near Bonner Springs which accompanied your letter of April 29th has been approved by the Railroad for construction There are no objections to your going ahead immediately with this work. Motion Seconded by Samuel Clarke. Motion Carried.

Mr O K Williamson, County Engineer.

Your plan for 100ft Pony Truss Span for use as County Highway Bridge opposite our culvert 16a near Bonner Springs which accompanied your letter of April 29th has been approved by the Railroad for construction.

There are no objections to your going ahead immediately with this work.

Yours Truly
Union Pacific Railroad,
By S H Osborne,
Division Engineer.

tion by Samuel Clarke that the Communication from the County Engineer relative to the Bid of H A Kepler to build bridge over Deep Hollow Creek be received and placed on file and the Contract be awarded to H A Kepler for the Sum of \$10,800.00 he being the lowest and best bidder. Motion seconded by David Buckland. Motion Carried.

Board of County Commissioners
Gentlemen

With reference to Bid of H A Kepler for construction of deep hollow Bridge we report as follows; Lump Sum Bid \$9,800, 800 Feet of Piling @ \$1.25 \$1,000
Total 10,800.00

Engineers Estimate

\$11,343.71

Keplers Bid

10,800.00

This makes Keplers bid \$543.71 under the estimate

While the estimate included no cost for the taking care of the traffic this saving will provide amply for this item. also. I have made an inspection of this site and find we have room between the new bridge and the Bridge of the Kansas City Kaw Valley and Western Railway for a temporary bridge 12 feet wide. This will permit one way traffic only but this should be sufficient for this season of the year as the traffic is getting lighter all the time.

Yours very Truly,
O K Williamson

County Engineer.

tion by Samuel Clarke that the Communication from O K Williamson relative to the emergency now existing caused by the heavy rains washing out the approach to the Turner Bridge. also recommending the change of Channel be received and placed on file and the Engineer be instructed to proceed with the work at once. Motion seconded by David Buckland. Motion Carried.

Kansas City, Kansas

September 23-19

The Board of County Commissioners,
of Wyandotte County, Kansas.

Gentlemen:

In response to your request as to whether you could maintain and legally erect a building on the jail yard for the care of your road building machinery, I have to submit that in my opinion it would be perfectly lawful to expend the money necessary to care for and protect your tools, trucks, dragging machines, cement and whatever material and equipment you might have or may hereafter have for the use of building and for the maintenance of roads, as the statute provides that you may purchase all, or a part of, material and equipment, and by implication it would be only reasonable to assume that having the right to purchase such equipment and material you would have the further right to make such expenditures as would be necessary to properly care for and properly guard said equipment and material after purchasing the same.

I am of the opinion that you would not be empowered to expend the road fund to build a garage. While the building that you erect might be used under the law in part as a garage for the care of machines and equipment used in the building of roads, I do not believe it would be within your power to build a building known as a garage only, and I would, therefore, recommend that your specifications and your contracts show they are for a building for equipment and machinery rather than be headed with the title "Garage".

Respectfully submitted, J. H. Brady,
County Counselor.

Brady & Mellott,
204-206-208 Wahlenmaier Bldg.

Motion by Samuel Clarke that the communication from J. H. Brady relative to the County Engineer Salary being paid out of the County General Fund be received and referred to the County Auditor.

Board of County Commissioners of Wyandotte County, Kansas

Gentlemen: In answer to your request for opinion as to the legality of the Davidson Construction Company bid on Wilson Road, submit the following:

The statutes provide that you as the County Board cannot accept a bid over the Engineer's estimate , in this case I am advised that there is but one bidder, the Davidson Construction Company, and that its bid is approximately \$400.00 over the estimate. I am further advised that the said company now agrees and asks leave to amend and alter said bid to conform and come under the engineers estimate.

In my opinion under the existing circumstances, this can be lawfully done, for the reasons first, the law gives you the authority and power to do this work by day labor and by hiring team and equipment, and before you would be permitted it would be necessary to secure the engineer's estimate , which I assume would be the same, if not more, by day labor than by contract. In the next place the law is silent as to what you may do under a condition such as this, in other words I can find no objection

especially in this case, when there is but the one bidder and he agrees to modify and amend to meet the engineers estimate. Taking into consideration your power to do this work other than by contract and further considering that the contractor has reduced his bid to come within the law, and further considering that no one else was attracted and therefore cannot be injured or complain, and further you are securing this contract within your engineer's estimate and are complying and acting under and by virtue of law, I would therefore recommend and advise that the amended bid, complying with the engineer's estimate be accepted. I would further advise, that the following resolution be adopted by your board, and placed in full upon your journal so as to advise the public at all times of your acts.

No. 1 Resolution, Be it resolved by the Board of County Commissioners of Wyandotte, County, Kansas that the Davidson Construction Company, being the only bidder on improving what is known as the Wilson Road and being 364.84 Dollars over and above the engineer's estimate, that inasmuch as the County Counselor of Wyandotte County, Kansas has advised in writing that it would be proper and lawful to permit and allow said Davidson Construction Company to amend and alter and modify its said bid to come within and under the County Engineer's estimate on said road, be it resolved therefore, that said Davidson Construction Company, be by this Board, granted and authorized the power to amend and change said bid to come within and under the engineer's estimate on said road improvement.

No 2. Be it further resolved, That the Davidson Construction Company being the only bidder on what is known as the Wilson Road Improvement, and having amended and altered their bid to come within and under the engineer's estimate thereof and being advised by County Counselor, that said amendment is lawful.

No. 3 Be it resolved that the contract, as amended be awarded to the Davidson Construction Company, in the sum of \$33553.60 Dollars.

J.H. Brady

Motion by Samuel Clarke that the following resolution of the County Counselor be received and adopted and spread upon the Journal in full:

RESOLUTION.

Be it resolved by the Board of County Commissioners of Wyandotte County Kansas, that the Davidson Construction Company being the only bidder on improving what is known as the Wilson Road and being \$364.84 Dollars over and above the Engineer's estimate that inasmuch as the County Counselor of Wyandotte County Kansas, has advised in writing that it would be proper and lawful to permit and allow said Davidson Construction Co. to amend and alter, and modify its said bid to come within and under the County Engineer's estimate on said road, be it resolved therefore that said Davidson Construction Company, be by this Board granted and authorized the power to amend and change said bid to come within and under the engineer's estimate on said road improvement.. Motion Seconded by David Buckland. Motion carried all members voting aye.

Motion by Samuel Clarke that the following resolution of the County Counselor be received and adopted and spread upon the journal in full;

Resolution:

Be it further resolved that the Davidson Construction Company, being the only bidder on what is known as the Wilson Road improvement and having amended and altered their bid to come within and under the Engineer's estimate thereof and being advised by the County Counselor, that said amendment is lawful.

Motion seconded by David Buckland. Motion carried all members voting aye.

Motion by Samuel Clarke that the following resolution of the County Counselor, be received and adopted and spread on the journal in full:

Resolution:

Be it resolved that the contract as amended be awarded to the Davidson Construction Company in the sum of \$33,553.60 Dollars.

Motion seconded by David Buckland. Motion carried all members voting aye.

Motion by David Buckland that the communication of O.K. Williamson relative to bid of Davidson Construction Company on the concrete work on the Wilson Road, be received and accepted and spread on the Journal in full. Motion seconded by Samuel Clarke.

Motion carried all members voting aye.

Kansas City, Kansas Oct 6th 1919.

Board of Commissioners.,

Gentlemen:- In the matter of bids for the construction of Wilson road section 2, beg to advise you that the bid of the Davidson construction Company as amended is \$22.56 under the estimate for the concrete portion of the contract, and is therefore subject to acceptance.

The bid of Davidson Construction Company for the Macadam portion of said contract is \$1958.70 above the estimate and is therefore subject to rejection.

I therefore recommend that the Davidson Construction Company be awarded the contract for the concrete section of said contract, and that their bid for the macadam section be rejected.

Yours very truly,

O.K. Williamson Co Engineer.

Motion by David Buckland that the communication of the Davidson Construction Company relative to the amendment of their bid, be received and placed on file and spread on the Journal in full and said proposition be accepted.

Motion seconded by Samuel Clarke. Motion carried all members voting aye.

Kansas City Kansas Oct 6th 1919.

The Board of County Commissioners of
Wyandotte County, Kansas.

In Re-Concrete Wilson Road Imp.

Gentlemen: On October 4th 1919 our Company, The Davidson Construction Company filed a proposal and bid on improvement of Wilson Road in your County. Said proposal and bid developed to be in the sum of \$ 364.84 over and above your County Engineer's estimate. We learn that your County Counselor has ruled that it will be legal and lawful to let this contract in the event this contract, or this proposal and bid is reduced by the said Davidson Construction Company to come under the estimate of your County Engineer. We further learn that your County Counselor ruled that inasmuch as there was but one bidder no injustice could come therefrom, and, now therefore, I, L. Davidson President of the Davidson Construction Company, a corporation of the City of Kansas City, County of Jackson and State of Missouri, hereby and herein for and in behalf of the said Davidson Construction Company, a corporation, request, authorize and empower the amendment and change of said proposal and bid to \$33,553.60 to come within and under your County Engineer's estimate; and in behalf of said Company, I agree, and we agree, to all of the conditions of said proposal and bid with the amendment as hereinbefore stated to \$33,553.60. In other words in behalf of my Company, The Davidson Construction Company, a corporation, we ask leave to and herewith amend said proposal and bid and make the same to the sum of \$33,553.60 as is and under the original proposal and bid together with all of the provisions set out therein, which shall with and of this amendment be and become the bid and proposal of the Davidson Construction Company, a corporation of the City of Kansas City, Mo Jackson County, Missouri as if originally filed, and be which, and in which, we, The Davidson Construction Company, a Corporation, then and now bind ourselves, our heirs successors and assigns.

The Davidson Construction Company A Corporation
By L. Davidson, President.

Motion by Samuel Clarke that the communication of the Union Pacific Railroad, relative to the Construction of the bridge at Mill Creek be received and placed on file and the County Engineer be instructed to comply with request of said Union Pacific Railroad also spread same upon the Journal in full. Motion seconded by David Buckland.

Motion carried all members voting aye.

Mr. O.K. Williamson,
County Engineer,
Kansas City, Kansas.

Kansas City, Missouri,
Oct. 2, 1919.

Dear Sir:

In the matter of highway bridge now being constructed just west of Muncie and affecting the channel which is taken care of by Union Pacific Bridge 9.65:

In the judgment of Mr. W.L. Brayton representing the Engineer, Maintenance of Way, Union Pacific Railroad, and myself, as Division Engineer, Kansas Division, due to the type of construction being used in highway bridge with pier No. 2 blocking center of channel, correction of channel should be made by your forces to give conditions as indicated on attached print.

This consists of cutting away ledge of rock between your old bridge and new one to give a section at about right angle with center line of channel, as indicated in yellow on print, to have the effect of throwing stream flow between piers Nos. 2 and 3 of your structure.

Also you should take out west abutment of old bridge, including fill approach to such abutment and slope banks to a toe line about as indicated in red on print. Then by excavating a channel thru earth between piers 2 and 3 and we would suggest as far west of pier No. 2 as ground conformation will permit, and starting a flow thru this channel the desired effect for both your structure and ours can be secured.

All rock taken from ledge and from your old abutment we believe should be used in filling hole between piers 1 and 2 to such a height as to insure the diversion of normal flow of stream to point between your piers 2 and 3. By carrying work out in this manner it is our opinion you will procure necessary protection for your structure and will take care of our contention that your center pier had the effect of diverting water direct to railroad embankment.

This method of handling is exactly in accordance with our understanding this A.M. while on the ground and would like to have you present this matter before your Board of County Commissioners and give us definite assurance, in writing, to the effect that work will be carried out and completed substantially along the lines indicated above. If you can procure this assurance at your next Board meeting we believe you will meet wishes of our Management and simplify this situation.

Please understand the Railroad feels that in use of type of structure you are constructing you have interfered with natural stream flow to the material detriment of the railroad embankment and bridge and it is for this reason we take attitude that you should correct channel to give conditions as nearly equivalent to the unobstructed channel as may be obtained.

Yours truly

Union Pacific Railroad,

By S H Osborne Division Engineer.

Motion by Samuel Clarke that J.N. Atkinson be employed to abstract the owners and Lien holders to the property ordered sold by the County Commissioners and now placed in the hands of the County Attorney for foreclosure at the sum of \$1.50 per hour.

Kansas City ,Kansas November 3rd 1919.

RESOLUTION.

Whereas, there is now pending in the United States District Court of the First Division of the District of Kansas, wherein J.R. Sutherlin and Company, a corporation, is plaintiff, and Wyandotte County, a corporation, and the Board of County Commissioners in and for Wyandotte County, is defendant which said suit is a suit for damages against the said defendants for failure to deliver certain bonds and,

Whereas, The Board of County Commissioners in and for Wyandotte County, Kansas and its Counselor have from time to time counseled with one Frank Hagerman of Kansas City Missouri, and,

Whereas, the said Board of County Commissioners in and for Wyandotte County, have ordered and requested the said Frank Hagerman to associate himself in and assist in said litigation, and,

Whereas, The Board of County Commissioners in and for Wyandotte County did employ the said Frank Hagerman and the said Frank Hagerman did accept the employment to assist in the said litigation, and,

Whereas, the said Frank Hagerman has presented his bill for legal services rendered and to be rendered in the sum of One Thousand Dollars(\$1000.), the said One Thousand Dollars(\$1000.) to be paid in full for his services rendered and to be rendered in the said litigation, including any services rendered or to be rendered by the said Frank Hagerman in the event the suit now pending may be appealed to the United States Circuit Court of Appeals or to the United States Supreme Court, and,

Whereas, the said Frank Hagerman has agreed to accept the said sum of One Thousand Dollars (\$100.00) in full payment for any and all services rendered or hereafter to be rendered until the final determination of the said action, and,

Whereas, no final order of employment had prior to this date has been entered into between the said Frank Hagerman and the Board of County Commissioners in and for Wyandotte /County,

Now, Therefore, Be It Resolved, that all of the acts of employment of the said Frank Hagerman as special counsel to the Board of County Commissioners of Wyandotte County be ratified, and that the said bill presented by the said Frank Hagerman be accepted and,

BE IT FURTHER RESOLVED, that the said Frank Hagerman is now and herein employed in the said litigation, and that the fee for his services rendered and to be rendered shall be One Thousand Dollars(\$1000.00), the said One Thousand Dollars (\$1000.) to be in full for all services rendered or to be rendered by him as special counsel for The Board of County Commissioners of Wyandotte County in the above entitled litigation until the final determination thereof

Motion Carried.

Office of
Brady & Mellott, Lawyers
Suite 204-206-208 Wahlenmaier Building

Kansas City, Kansas.
November 17th. 1919.

The Board of County Commissioners of
Wyandotte County, Kansas.

Gentlemen: In re: Twelfth Street Bridge:

Relative the above captioned bridge I have to submit to you the following as a solution of the building of a viaduct to meet the proposed new Twelfth Street Bridge:

I find that Chapter 135 of the Session Laws of 1919 provides, among other things, that the City Commissioners of this City may by resolution require any railroad company or companies owning or operating any public railroad or street railway upon any public street to erect, construct, reconstruct, complete and keep in repair any viaduct or viaducts upon or over or tunnels under such street or streets and over or under such tracks, INCLUDING THE APPROACHES OF SUCH VIADUCT OR TUNNELS AS MAY BE DEEMED AND DECLARED BY ORDINANCE TO BE NECESSARY FOR THE CONVENIENCE, SAFETY OR PROTECTION OF THE PUBLIC.

I further find that when two or more companies own or operate separate lines of track to be crossed by any such viaduct, either upon or over or under

Grade, or where any street railway company intersects and crosses the track or tracks of any railroad Company, the proportion thereof and of the approaches thereto to be constructed by each, and the proportion of cost to be borne by each, shall be determined by the mayor and commissioners.

It is further provided that it shall be the duty of any railroad company or companies or street railway company, upon being required, as herein provided, to erect, construct, reconstruct or repair any viaduct or tunnel, to proceed, within the time and in the manner required by the mayor and commissioners, to so erect, construct, reconstruct or repair the same, AND IT SHALL BE A MISDEMEANOR FOR ANY RAILROAD COMPANY OR COMPANIES OR STREET RAILWAY COMPANY TO FAIL, NEGLECT, OR REFUSE TO PERFORM SUCH DUTY, and upon conviction, any such company or companies or the superintendent or other officer having charge of such railway company or street railway in the district or division where such viaduct or tunnel is to be erected or repaired shall be FINED ONE HUNDRED DOLLARS, and EACH DAY SUCH COMPANIES OR OFFICERS SHALL FAIL, NEGLECT OR REFUSE TO PERFORM SUCH DUTY SHALL BE DEEMED AND HELD A SEPARATE OFFENSE; and it is further provided that such company or companies shall be compelled by mandamus or other appropriate proceedings to erect, construct, reconstruct or repair any viaduct or tunnel, etc.

The mayor and commissioners shall also have power whenever any railroad company or companies or street railway companies shall fail, neglect or refuse to erect, construct, reconstruct or repair any viaduct, viaducts or tunnel, after having been required so to do as herein provided to proceed with the erection, construction, reconstruction or repair of the same by contract, or in such other manner as may be provided by ordinance, and assess the cost thereof against the property of such railroad company or companies or street railway company, and such cost shall be a valid and subsisting lien against such property, and also shall be a legal indebtedness of such company or companies in favor of such city, and may be enforced and collected by suit in any court having jurisdiction.

It is further provided that the city may in the completion and carrying on of such work issue internal improvement bonds of the city in payment of said road, AND SPECIAL ASSESSMENTS SHALL BE LEVIED AGAINST THE PROPERTY OF SUCH RAILROAD COMPANY OR COMPANIES OR STREET RAILWAY AS ABOVE PROVIDED TO PAY SAID BONDS AND INTEREST AT MATURITY.

The above and foregoing law, to my mind, is quite sufficient, and empowers the City Commissioners of this City at this time to adopt ways and means by the passing of ordinances compelling the building of this needed viaduct. And further, in the event that the railroad companies and street railway company fail, then the City Commissioners have the power to proceed with the work and pay for the same by bonds issued by the city and charged back as taxes and special improvements against the properties of the railroads and street railway interested and effected.

Together with this statutory provision is the further provision with which you are all familiar of the franchises of the street railway and the Kansas City Terminal. These franchises have been difficult to enforce. However, you may, in my opinion, as may the City Commissioners, ignore the franchise provisions and proceed under the new law. This will prevent the raising of the question of funds by the various interested parties, and will also take out of this controversy the matter of government control, in that the city may assess as special improvements the costs of these viaducts and approaches.

I would, therefore, recommend that you forthwith address a letter to the Board of Commissioners of Kansas City, Kansas, requesting said honorable body to take such steps in the passage of ordinances and resolutions as may be deemed by them necessary to call into operation said Chapter 135 of the Session Laws of 1919. In your letter to the City Commissioners, advise that you are ready and willing and able to proceed at once with the erection of the new Twelfth Street Bridge or structure, and ask the said City Commissioners that they in turn, and in due time, provide suitable viaducts and approaches to meet said structure when the same is completed. Also take into consideration that by working under this law there can be no barrier or obstacle to prevent the immediate advertisement for and the letting of bids for bridge and viaduct jointly.

Respectfully submitted,

J. H. Brady
Counselor.

Motion by David Buckland that the affidavit of Tate Hanson relative to the assessment of a dog, which was erroneous be received and placed on file, and the County Clerk be instructed to correct the Tax Roll as per his affidavit

Communication from the Kaw Valley Drainage District be received and placed on file and ordered spread on the Journal in full.

(over)

December 11th. Cont.

December 12th. 1919.

Kaw Valley Drainage District,
Wyandotte County,
Kansas.

Gentlemen:

We have received your recent communication relative to removing the north span of what is known as the Twelfth Street Bridge in Kansas City, Kansas. We have also been served with summons in case number 12283 in the District Court of Wyandotte County, Kansas, in which said case you are seeking to secure an order for an alternative writ of mandamus to compel the removal of said north span of the said Twelfth Street Bridge.

Our County Engineer, and our consulting engineers, Harrington, Howard & Ash, advise us that said reconstruction of said north span is impractical, and further advise that the south span of said bridge is becoming badly worn due to the constant action of the fumes, soot and fire of the steam engines running thereunder. We are further advised by our engineers that the entire structure is not of sufficient strength to permit the ordinary loads to be hauled over the same by our modern trucks, and, we, therefore, have been compelled to post on said bridge a notice restricting the hauling of freight and tonnage over said bridge exceeding four tons, which, as you well know, is a very small load to be hauled in these modern times.

Our engineers also advise that in the event that we repair or reconstruct the said north span of said bridge it would be but a very short time until a stronger and more elaborate and modern structure be erected to meet the demands of public utility and that the expense of repairing the north span as you demand would be a great and entire loss to all concerned-- to say nothing of the expense incurred in repairing and reconstructing the south span, which will necessarily need be done without further delay.

The Board of County Commissioners recognize, and have recognized for sometime, the importance of erecting a suitable structure at this site, and the said Board of Commissioners are unanimously in favor of erecting a structure that would meet the needs of the community upon the said Twelfth Street site, in that Twelfth Street is now, and in the future will be one of the main thoroughfares between what is known as Argentine and Armourdale. The Board of Commissioners of this County desire to keep pace with the times and to properly care for the wants and demands of traffic and to further advance commerce between the various districts in our city, and are desirous of spending the county money to the best advantage possible and to the greatest saving both as to the present and future. Therefore, under the advice given by the engineers consulted, feel and deem it to be wise as well as prudent to ask that your honorable body reconsiders your former order of removal of the said north span, in that the said order would be of no advantage and stands incomplete only requiring the Board of County Commissioners to expend a vast sum of money to be lost absolutely in a very short period of time.

We anticipate that the said Twelfth Street Structure must need be rebuilt and for the sake of economy, to say nothing whatever about the persistent and urgent demands of the tax payers, think it best to rebuild the said structure forthwith. We, therefore, solicit and request that your honorable body reconsider the steps you have taken and that after you have gone over this matter thoroughly you make an order of racing not only the north span but such other and further spans as would give to the citizens of the community a real structure to meet the demands of the ever increasing traffic of said community.

Respectfully submitted,

JHB-H.

Motion by David Buckland that the complaint of Jas. J. Cuff 1039 South Pyle St. relative to a house which burned March 14th. 1919, be referred to the County Clerk to investigate and report back to the Board.

Motion by David Buckland that the resolution as prepared by J H Brady County Counsellor relative to the laying of the foundation for the Bldg. of new Bridge at present site 12th Street Bridge, be adopted and spread on the Journal in full.

Motion seconded by Samuel Clarke. Motion Carried. All members Voting Aye.

Whereas, It has been made to appear to the undersigned the Board of Commissioners of Wyandotte County, Kansas that the present Twelfth Street Bridge, spanning, as it does, the Kansas River at or near Twelfth Street in Kansas City, Kansas, is inadequate, insecure and a menace to flood protection; and

Whereas, The Board of Directors of the Kaw Valley Drainage District have ordered, requested and decreed in writing that said Twelfth Street structure be removed, because said structure is partly within the harbor lines, is low, and a menace to flood protection and is a wrongful, unauthorized and an unlawful obstruction insaid river; and

Whereas, Said structure has been, by the County Engineer, as per his report in writing, shown to be a flood menace, to be unsafe, insecure and inadequate for traffic; and

Whereas, Said structure was by said County Engineer further found to be constructed in an unsafe, dangerous and improper manner; and

Whereas, It has been determined that said structure is old, and by reason of age, dilapidated and in a deteriorated condition; and

Whereas, It has been ordered, decreed and adjudged by the Board of Directors of the Kaw Valley Drainage District, in writing, that said structure be removed, and that the Board of Commissioners of Wyandotte County, Kansas submit a general plan for the reconstruction of the said Twelfth Street Bridge conforming to the requirements of the drainage law and the orders of the directors of the said Kaw Valley Drainage District, and that said plans be submitted to the Chief of Engineers and Secretary of War of the United States for approval; and

Whereas, The Board of Commissioners of Wyandotte County, Kansas has personally, individually and collectively made and caused to be made inquiries researches and investigations relative to the condition of said Twelfth Street Bridge; and

Whereas, It is the opinion of the Board of Commissioners of Wyandotte County, Kansas that the said Twelfth Street Bridge is unsafe inadequate, worn and old and a flood menace, and should be removed and a new structure erected at or near the present site of the said Twelfth Street Bridge;

Therefore, Be It Resolved, By the Board of Commissioners of Wyandotte County, Kansas that said structure be removed and a new structure erected at or near the site of the present Twelfth Street structure; and

Be It Further Resolved, That the County Engineer of Wyandotte County, Kansas be instructed to take such steps as he may deem necessary in the removal of said old structure and in the erection of a new structure; and that the County Engineer of Wyandotte County, Kansas be ordered and instructed to make a complete survey of the bridge site, prepare preliminary plans and estimates of cost so as to enable the Board of Commissioners of Wyandotte County, Kansas to decide upon the type of structure to be built; and

Be It Further Resolved, That complete or detailed plans be not had for said purposed structure until a further order of the Board of County Commissioners of Wyandotte County, Kansas be made; and

BE IT FURTHER RESOLVED; That the County Engineer of Wyandotte County, Kansas advise, in writing, at once, if he will need the assistance of other Engineers, and if so, that he indicate what individual or firm he would consider competent and reliable to assist him in the said proposed engineering work.

ADOPTED by the Board of Commissioners of Wyandotte County, Kansas, this 1st day of March A.D. 1920.

The Board of Commissioners of
Wyandotte County, Kansas.

By Wm Blodgett

Chairman

Samuel Clarke

David Buckland.

ATTEST:

By William Beqqe
County Clerk

Motion by Samuel Clarke that the Communication from O K Williamson County Engineer relative to the resolution of this date for the erection of a bridge at or near 12th Str was received filed and ordered spread on the Journal in full. Motion seconded by David Buckland. Motion Carried. All members Voting Aye.

The Board of Commissioners of Wyandotte County, Kansas.
Gentlemen:

Inresponse to your resolution of this date relative to the erection of a bridge at or near Twelfth Street, permit me to submit the following:

On account of the vast amount of now contracted concrete road improvement work and other purposed improvements it will be impossible for me to give the time and attention necessary to drawing preliminary plans, to say nothing of detailed plans, for said purposed structure.

I would, therefore, request that you employ an engineering firm to act in conjunction with me in the preparation and furnishing of plans and specifications for said structure.

There are throughout this section of the country many reliable engineering firms whom I would not hesitate to recommend for employment, but inasmuch as the City of Kansas City, Kansas, who is building a part of this Structure, and said City has through its Officials, employed the firm of Hedrick & Huff as consulting engineers for their part of the Structure I would, for said reason, and for the further reason that I consider said firm of Hedrick & Huff competent and honest, recommend that said Hedrick & Huff be employed by you to assist me and to act in conjunction with me in the preparation of specifications and plans and estimates and construction of said purposed structure.

Respectfully,

O K Williamson,

County Engineer of Wyandotte County, Kansas.

Motion by David Buckland that the County Clerk be instructed to issue to Lillie E Benson a refunding certificate for the amount of \$47.01 same being the Amount paid by her on tract No 451 containing 5 acres of land in the N E $\frac{1}{4}$ of the N E $\frac{1}{4}$ of Sec. 19 Twp. 11 Range 24 for taxes for 1914 to 1919 inclusive same was recommended by the State Tax Commission. Motion seconded by William Blodgett. Motion Carried.

The County Clerk was instructed to cancel the Valuation of Improvements on lot 95 and the South $\frac{1}{2}$ of Lot 96 Hazel Rose Addition same being now owned by the First Free Methodist Church of Kansas City, Kansas. and is used for church purposes.

No other business appearing the Board adjourned.

Motion by Samuel Clarke that Hedrick & Huff a Co-Partnership of Kansas City, Mo, be employed as consulting Engineers to assist the County Engineer of Wyandotte County, Kansas in drawing Plans Specifications and the Superintendency of Construction of the proposed 12th Street Bridge and that the County Councillor be instructed to forthwith prepare and present a form of Contract between said Hedrick & Huff a Co-partnership of Kansas City, Mo, and the Board of County Commissioners of Wyandotte County, Kansas. Spread in full on the Journal. Motion seconded by David Buckland. Motion Carried. All members Voting Aye.

Board of County Commissioners:-
Gentlemen:-

As you are already aware, the reconstruction of the 12th street bridge is a matter affecting various interests, and any delay on our part will only cause delay for those with whom we are associated in this reconstruction.

The Drainage Board Directors are anxious to complete their resolution and the City cannot proceed with its approaches until they know the requirements placed upon them by virtue of our Bridge.

I would therefore recommend that the consulting Engineers Messrs, Hedrick & Huff be instructed to proceed with the preliminary surveys in order to determine the location and kind of structure we are to build.

These are Covered as subdivisions "A" and "B" of the third clause in their contract.

Yours very truly,
O.K. Williamson

Motion by Samuel Clarke that a Contract presented by the County Counsellor and approved by him as to form and duly signed by Hedrick & Huff a Co-Partnership of Kansas City, Mo. to assist the County Engineer of Wyandotte County, Kansas, by the said Hedrick & Huff in the drawing of plans Specifications and in the superintendency of Construction of the 12th Street Bridge be accepted approved and copied in full on the Journal and that the Chairman of the Board of County Commissioners be instructed and empowered to sign said Contract for the Board of County Commissioners of Wyandotte County, Kansas.
Motion seconded by David Buckland. Motion Carried. All members Voting Aye.

CONTRACT

THIS AGREEMENT Made and entered into this 15th day of March, A.D. 1920, by and between the Board of County Commissioners of the County of Wyandotte, State of Kansas, party of the first part, and Hedrick Huff, a co-partnership, Consulting Engineers, of Kansas City Missouri, party of the second part,

WITNESSETH: First: That the party of the first part has this day employed the party of the second part to act in conjunction with the County Engineer of Wyandotte County Kansas, in preparing plans, specifications, estimates, and in the superintending the construction, as consulting and designing engineers, of a bridge across the Kansas River to replace what is now known as the Twelfth Street Bridge in Kansas City, Kansas, at or near Twelfth Street in said City and State.

Second: The party of the second part states that they are not now in the employ of any bridge company, bridge firm or bridge contractor, either directly or indirectly and further states that they will not accept, during the life of this contract, any employment, either directly, from any bridge company, bridge firm or bridge contractor or represent, during the life of this contract, any bridge company, bridge firm or bridge contractor.

Third: The Party of the second part for and in consideration of the payments to be made to it by the party of the first part does hereby agree to perform all of the engineering work necessary to the designing, erection and completion of said proposed structure, consisting in part of the following:

- (A) Make complete survey of the bridge site.
- (B) Prepare preliminary plans and estimates of cost, so as to enable the party of the first part to decide upon the type of structure to be built.
- (C) Secure the approval of the United States Engineers where such approval is necessary.
- (D) Assist the party of the first part in calling for bids and in awarding the contract to contractors.
- (E) Inspect all materials and workmanship at the bridge site, from beginning of the work until its final completion.
- (F) Inspect all metal work at the rolling mills and bridge shops.
- (G) Provide competent engineers to give locations, elevations, grades and alignments for all parts of the structure.
- (H) Make a thorough and complete inspection of all work as the same progresses and report to the party of the first part the result of said inspection at least once a week in writing or more often if so required by the party of the first part: and upon the final completion of said structure, make a thorough, complete and final inspection of all work and report to the party of the first part in writing.
- (I) Make complete record drawings, showing exactly how all parts of the work are and were actually built.
- (J) Prepare estimates each month showing the amount and value of the work performed by the contractor or contractors.
- (K) Prepare complete detailed plans and specifications for the design adopted by the party of the first part.

Fourth: Party of the second part further agrees to perform all of the work herein set forth and all other work necessary, whether set forth or not, in the erection, construction and completion of said proposed structure, in such manner as to insure a first-class, safe, and economic structure.

Fifth: For the full performance of the engineering work necessary in the building, erection and completion of said proposed structure, the party of the first agrees to pay the said party of the second part as follows:

- (A) For the detailed plans and specifications, approved by the party of the first part, a sum equal to three (3 per cent) per cent of the total cost of the work.

It is further agreed and stipulated by and between the parties hereto and herein, that all payments provided for in the within contract shall be made only out of the proceeds of the sale of bonds to be issued on and for said proposed Twelfth Street structure, excepting only sub-divisions (a) and (b) of Paragraph 3 of the within contract.

Sixth: During the progress of the work of construction, a sum each month equal to two (2) per cent of the value of the work performed by the contractor in the month preceding.

Sixth: It is further understood and agreed by above parties hereto that the sum of all partial payments made to the party of the second part shall, with the three (3) per cent per cent for the detailed plans and specifications, equal, and not to exceed five (5) per cent of the total construction cost of the structure. The said five (5) per cent of the total construction cost of the structure is to be in full for all engineering work of whatsoever kind and character necessary in the erection and completion of said proposed structure, and final adjustment is to be made upon the completion of the work at the rate of three (3) per cent of the cost of the structure for the detailed plans and specifications, and two (2) per cent for all other engineering work.

Seventh: It will be necessary to make borings at the bridge site to determine the foundation conditions and the depth to bed rock. The borings are to be made by the party of the second part, but the party of the first part is to pay the actual cost thereof, excluding engineers fees, as shown by receipted bills, not to exceed the sum of Two Thousand (\$2,000.00) Dollars. The engineers costs and fees for said borings are to be absorbed by the party of the second part by the payment to them as hereinafore set out of the two per cent on cost of construction and three per cent for detailed plans and specifications.

Eighth: It is further agreed by both parties hereto that the party of the second part is to take no steps, do no work, incur no expense in the engineering work of said proposed structure unless upon receipt by the party of the second part of written notice from the party of the first part; and it is further agreed and stipulated that the party of the second part is to proceed with said engineering work only at the time and in the manner as directed in writing by the party of the first part, and if for any reason whatsoever the structure is not built, then the party of the second part shall receive as compensation for services only the actual cost to it of and for the work performed as shown by the receipted bills therefor, plus thirty (30) per cent for overhead expense and profit.

(a) It is further agreed by and between the parties hereto and herein that the party of the first part reserves the right during all the time and life of this contract to request and order the party of the second part to proceed with only such part of the engineering work as the party of the first part desires and requests in writing, and the party of the second part shall be paid for only such work as is specifically requested to be done by the party of the first part in writing.

(b) It is further agreed and stipulated by and between the parties hereto and herein that no work of any expense incurred or started in any manner whatsoever on the preparation or completion of final detailed plans and specifications, until an order of the Board of County Commissioners of Wyandotte County, Kansas, has been passed and recorded on the Journal thereof.

IN WITNESS WHEREOF, both parties to this agreement have this day and date first herein written fixed their hands and seals.

Motion by Samuel Clarke that the Communication from O K Williamson County Engineer relative to constructing a temporary bridge at the deep hollow Creek was received and placed on file and the County Engineer be instructed to proceed with the work. Motion seconded by David Buckland. Motion Carried.

On Motion by Samuel Clarke.

Whereas there has been presented to the Board of County Commissioners of Wyandotte County Kansas a certain petition, petitioning for the creation of benefit districts for the purpose of issuing bonds and to make subscription to railroad stock for the Kansas City North Railway Company, and to establish benefit districts in Prairie and Quindaro Townships in Wyandotte County, Kansas.

Now, therefore, pursuant to said petition, the Board of County Commissioners of Wyandotte County, Kansas, caused a notice to be published in the Press, the Official County Paper, for more than five days, that said Board of County Commissioners would on Thursday, the 8th day of April, 1920, meet and hear all evidence for and against the granting or refusal of said petitions, and

Whereas on said April 8th, 1920, at 2 o'clock P.M. the Board of County Commissioners of Wyandotte County, Kansas, met in regular session, all members thereof being present, and said petition being presented, it was, by the Board of County Commissioners, found and ascertained that due and sufficient notice, as provided by law, had been given the said meeting and hearing and,

Whereas there appeared before the Board of County Commissioners several hundred of the tax payers of said townships, protesting against the creation of said benefit districts, and whereas among the protestors were many who had signed said petition, and who stated openly that they had signed said petition under false pretense and misrepresentation of the persons circulating said petition, and

Whereas after due consideration of said petition, and the oral arguments for and against it, it was by the Board of County Commissioners determined and found that said petition was defective in that it had not the sufficient number of valid signatures; that it was defective and void in the object and purpose as stated in said petition.

It was further found by said Board that said petition did not comply and was not within Chapter 240 of the Session Laws of Kansas, of 1919, and it was further found that the statements in said petition were not true, and that said petition did not conform to the requirements of Chapter 240 of the Session Laws of 1919. the Board of County Commissioners further found that said petition should be denied for the above and foregoing reasons, together with various other reasons, too numerous and extensive to set out.

Therefore a Motion by Samuel Clarke, and Seconded by David Buckland, was made at said session that said petition be denied, said motion being Carried unanimously.

RESOLUTION

Whereas, the City of Roseville is desirous of repairing and reconstructing portions of Argentine Boulevard and Lafayette Avenue, which said streets are in Wyandotte County, and for which Wyandotte County is liable for paying thereof, and

Whereas, the City of Roseville, through its city engineer, has prepared estimates of the cost of said repairing and

Whereas, advertisement has been had and bids received by the said City of Roseville for said improvement, and

Whereas, the Board of County Commissioners of Wyandotte County, Kansas, by resolution have heretofore indicated to said City of Roseville, that they were in favor of said proposed improvement and repairs, and

Whereas, the county engineer of Wyandotte County, Kansas, has also prepared plans, specifications and estimates of said repairing and repairs especially that portion for which Wyandotte County is answerable and liable, and

Whereas, the City of Roseville having received various bids did find that the W J Boyle Construction Company, Kansas City, Missouri was and is the lowest bidder for said improvement, and

Whereas, the County Engineer of Wyandotte County, Kansas, has estimated that the cost to Wyandotte County for said improvements would be approximately \$2,200.00;

BE IT RESOLVED, HEREOF, by the Board of County Commissioners of Wyandotte County, Kansas, that they do hereby and heretofore approve the estimate of the City Engineer of the City of Roseville, and of the County Engineer of Wyandotte County, Kansas, for said repair and reconstruction; that they further approve the plans and the bid of the W J Boyle Construction Company, in so far as it is applicable to and affects Wyandotte County, Kansas,

BE IT FURTHER RESOLVED by the Board of County Commissioners of Wyandotte County, Kansas, that they will pay or cause to be paid to the City of Roseville, Wyandotte County's share of said repairing and reconstruction, as per plans and specifications now on file in the office of the County Clerk of Wyandotte County, and on file in the office of the City Clerk of Roseville, Kansas.

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the City Clerk and to the Mayor and Council of Roseville.

Motion seconded by Samuel Clarke

Motion carried

Office of

Brady & Mellott
Lawyers
Suite 204-06-08 Wahlenmaier Bldg.

Kansas City, Kansas April 20, 1920.

Board of County Commissioners,
of Wyandotte County, Kansas

Gentlemen:-

In response to the inquiry as to the bids received by you for the removal of debris in the Kansas River, submit the following:

It is my understanding that for this work you received two bids; that of H.A. Kepler, in the sum of \$24,515, and that of the Kansas City Bridge Company in the sum of \$21,512, the County Engineer's estimate for this work being \$17,925.50; leaving the lowest bidder, the Kansas City Bridge Company, approximately \$3,600 above the estimate. The Kansas City Bridge Company, being the lowest bidder, asks leave of your Honorable Body to amend its bid, for the reason that they misunderstood the advertisement, in that the advertisement, in that the advertisement carried a guaranteed tonnage of three hundred tons, and for other minor misunderstandings.

I am of the opinion and do advise, that said amendment is permissible under the law, and especially in this case; for the reason that the County, after due advertisement, received two bids only; for the further reason that the lowest bidder saw fit to, itself, reduce its bid to the engineer's estimate. But the principal reasons are that you, as the Board of County Commissioners, might and could engage in this work by day labor, irrespective of the cost, going at the same as best you could; and for the further reason that all efforts are now being made to remove obstructions from the Kansas River prior to high water, and your Honorable Body might well act without re-advertising, in order to save time in this much needed removal of unquestionable obstruction of the Kansas River.

I, therefore, would advise that you make an order on your Journal permitting the Kansas City Bridge Company, the lowest bidder, to amend its bid to come under the County Engineer's estimate of this work.

Respectfully submitted,

J. H. Brady
County Counselor.

JHB:LNM

On motion by David Buckland that the recommendation of the County Engineer for the removal of Debris in the Kansas River be received and placed on file, and contract be awarded to the Kansas City Bridge Company on their amended bid, they being the lowest and best bidder. State of Kansas
Office of Attorney-General
Topeka.

April 29th. 1920.

Mr. J. H. Brady,
County Counselor,
204 Wahlenmaier Bldg.
Kansas City, Kansas.

Dear Sir:

Referring to your opinion to the board of county commissioners of Wyandotte County, Kansas, on the subject of increasing the salaries of some county officials and the form of a resolution to be adopted by the board this after-noon relating to the increasing of salaries of deputies in the offices of the clerk of the district court, probate court, register of deeds, county clerk and county treasurer of Wyandotte County, Kansas, to the amount of \$1000.00 per annum in each of such offices to be distributed among the deputies in the respective offices, payable monthly until further change by the board of county commissioners of the county or until the next meeting of the legislature of the state of Kansas. The question presented is as to the construction of Chapter 131 of the Laws of Kansas, 1917, "Relating to clerk hire in counties of more than 70,000 population" and also whether this statute has been repealed by implication by other statutes.

I think Chapter 131, supra, covers the case of an emergency or Great necessity as to allowance for clerk hire in addition to the other allowances provided by statute in cases where the clerks would otherwise resign their positions and it would be impracticable to replace the clerks with other competent clerks under existing conditions as well as an emergency or Great necessity which would require the hiring of additional clerks.

Upon the statement contained in the form of resolution of the board of county commissioners handed me by Mr. McHale together with your opinion to the board upon the question it appears that such an emergency or Great necessity exists and therefore the action by the board in its resolution is authorized by law.

Chapter 131, Laws of Kansas, 1917, has not been expressly repealed by Chapter 195, Laws of the same year, nor by Chapter 206, Laws of Kansas, 1919, and I think is not impliedly repealed by either of the two latter statutes. Chapter 131, Laws of Kansas 1917, relates to a special situation which is not covered by the other statutes referred to.

Yours truly,
John G Egan
Assistant Attorney General.

JGE/P

TO THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE COUNTY, KANSAS:

In response to your inquiry as to increasing salaries of various County Officials, I beg leave to submit you the following.

Chapter 131, Session Laws of Kansas, 1917, provides that when, in the opinion of the Board of County Commissioners, an emergency or Great necessity therefor exists, an allowance for clerk hire in addition to any now provided by statute may be made, by you, as a Board of County Commissioners; provided, that a resolution of such board stating the nature of the emergency or showing the necessity, shall first be spread upon the records of said board; and provided further, that in no case shall such additional allowance for clerk hire exceed the sum of One Thousand Dollars in any one year, for any county office.

It is my opinion, therefore, that you may lawfully expend an additional sum of One Thousand Dollars for clerk hire in each of the various offices of this county.

Respectfully submitted,

J. H. Brady,
County Counselor

(Over)

RESOLUTION

Whereas, the high cost of living has increased steadily for the past three years and in consequence thereof, the wages paid by all private corporations and individuals have been increased proportionately, and,

Whereas, the salaries paid by Wyandotte County, to its clerks and employees in and about the Court House of said County are small compared with the salaries paid by Individuals and private corporations, and,

Whereas, Wyandotte County in its divers departments has an efficient and experienced corps of clerks and deputies, that have acquired great skill by their long training and experience in their respective positions, that this special training and skill, acquired by long training and experience is of an in-estimateable value if efficient service is maintained, that these employees could not be replaced by young and inexperienced help without great loss to the tax payers of this county, that inexperienced help could not perform either the quantity or the quality of work that the present employees are now doing, and,

Whereas, Owing to the low salaries received by the employees, many of them have been compelled to serve notice that it would be necessary to resign their positions and seek employment elsewhere in order that they might provide for themselves and families and,

Whereas, the Board of County Commissioners, understanding the situation fully, knowing that the wages or salaries paid is in-adequate, appreciating the services rendered by its experienced and efficient corps of clerks and deputies, and realizing the great loss the County would sustain by losing the services of its employees who are efficient and have performed their work in the past faithfully and honestly, and have stayed by their jobs at a loss hoping that conditions might change, believes that an emergency or great necessity exists which would justify said board to take some action to relieve this condition as provided by Chapter 131 of the laws of Kansas, 1917, providing for relief in cases of emergency or great necessity, and,

Whereas, the Office of Attorney General of the State of Kansas, together, with the County Counselor are of the opinion that the Board of County Commissioners are authorized by law to meet such an emergency, by allowing One Thousand Dollars Clerk hire per year to each office, and,

Whereas, the County Auditor informs the Board of County Commissioners that there are ample money in the general fund of the county treasurer to meet this demand;

Therefore, be it resolved by the Board of County Commissioners of Wyandotte County, Kansas, that the salaries of the following clerks, deputies and employees be fixed as follows for the balance of the fiscal year ending September 30th, 1920, or until such time as the same may be changed, modified, or cancelled,

In the Office of the Register of Deeds,

| | |
|-------------------------|----------|
| E Louise Chapman, Clerk | \$100.00 |

In the Office of the County Auditor

| | |
|-----------------------------|----------|
| Harry J Kaelin, Accountant, | \$150.00 |
|-----------------------------|----------|

In the Office of the County Treasurer

This office has already been allotted one thousand dollars additional clerk hire.

Poor Commissioner and Deputy Health Officer

| | |
|-----------------|----------|
| William E Julin | \$150.00 |
|-----------------|----------|

To the Board of County Commissioners
of Wyandotte County, Kansas.

Gentlemen:-

In response to your request as to the legality of increasing the salaries of the court bailiffs and that of the Poor Commissioner, I am of the opinion that you cannot increase said salaries.

I am of the opinion, further, that if you could find work and employment at which these various gentlemen might be engaged by you, said work not to conflict in any wise with their present duties, said employment would be lawful, and that you could legally and lawfully pay said court bailiffs and County Poor Commissioner for said additional duties.

I base my opinion and reason for said dual employment on a very recent case decided in Kansas in which the State of Kansas employed one man to fill two positions, and for which he was, by the Supreme Court, determined to have been lawfully employed, and said Supreme Court ordered the State to pay him both salaries.

For the purpose, therefore, of accomplishing the desired result, it will be necessary that you make an order that the three bailiffs, together with their present duties engage, when not employed as bailiffs, in the duties of _____

It will be further necessary that you make an order that the County Poor Commissioner, when not engaged in his duties as Poor Commissioner, assist in the duties of _____.

This order, in my opinion, should not be permanent. It should run not to exceed the meeting of the next Legislature.

I have taken the liberty to prepare a resolution along the lines heretofore indicated, and herewith submit such resolution for your approval.

J. H. Brady
County Counselor

(Over)

RESOLUTION

Whereas, the court bailiffs of this county are now receiving the sum of Seventy-Five Dollars per month, and the jury bailiff the sum of _____ Dollars per month; and

WHEREAS, said salary is so insufficient and inadequate that it will be necessary, under present conditions, to effect some ways or means to secure more money for said bailiffs in order that they may continue in their present employment and secure sufficient salary to sustain life; and,

WHEREAS, such bailiffs have indicated that they were willing and able and would engage their services when not busy at the various courts, in assisting in the collection of delinquent personal taxes and doing such other duties and work as may be requested of them by the Board of County Commissioners of this County;

BE IT RESOLVED, Therefore, that said Court bailiffs be employed, together with their present positions, as collectors of delinquent taxes, at a salary of Twenty-Five Dollars per month, payable monthly. That said jury bailiff, for the self same reasons, be so also employed as a tax collector of delinquent taxes, at the salary of Twenty-five Dollars per month, payable monthly.

BE IT FURTHER RESOLVED that the County Poor Commissioner be employed as Assistant Health Officer to assist the County Physician and other officials in health matters of said county, and that his work and labors shall be outside of his hours and time as Poor Commissioner.

BE IT FURTHER RESOLVED that said Assistant Health officer when so appointed shall not perform any of his duties during the regular hours of work as Poor Commissioner, but that all of his said work as Assistant Health Officer be before or after the regular working hours as Poor Commissioner.

RESOLUTION

WHEREAS, it has been made to appear that the deputies in the offices of the Clerk of the District Court, Probate Judge, Register of Deeds, County Clerk, County Treasurer, Sheriff's Office, and County Auditor, are being and have been paid salaries which are wholly inadequate and insufficient to provide for said Deputy Clerks a suitable and substantial living; and,

WHEREAS, it has been made to appear that a number of said Clerks have indicated and threatened that by reason of said inadequate salaries they would be obliged to seek employment elsewhere; and,

WHEREAS, it has been made to appear that all of said Clerks are competent and experienced in their line of duty, and that it would be impossible to secure other persons to fill their positions at the present statutory allowances; and it has been made to appear further that other Clerks, if secured, would require months and years to become properly trained, and educated to do the work in said offices in keeping with the requirements of the law;

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Wyandotte County, Kansas, that they individually and collectively, have investigated the statutory allowances made to said Clerks, and find that by reason of the high cost of living, said salaries are wholly inadequate and insufficient; and further find that in the cases of married men in said offices, the salaries now paid are such that said married men cannot keep their wives and children out of said salaries;

BE IT FURTHER RESOLVED, that a great necessity exists for the increase of the salaries of said Clerks;

BE IT FURTHER RESOLVED, that an emergency exists in said offices hereinafore named, for the reason that said Clerks will, by reason of said inadequate and insufficient salaries, necessarily have to seek other positions;

AND BE IT FURTHER RESOLVED, that the investigations and findings of the said Board of County Commissioners are such that new help in the way of Clerks in said offices cannot, at this time, be employed, for the present salaries paid under the statute, and that said Clerks, if employed, would be inexperienced and for a long time unable to properly perform their duties in said offices.

(Over)

And, inasmuch as the County Counsellor has this day filed his written opinion that the sum of One Thousand Dollars may be appropriated by the Board of County Commissioners for additional clerk hire in each of the several offices, THEREFORE, BE IT RESOLVED, by this Board, that the Clerk of the District Court, Probate Judge, County Clerk, Register of Deeds, and County Treasurer, Sheriff and County Auditor, be given the further sum of One Thousand Dollars each to be distributed among his deputies, payable monthly, until the further order of this Board, or until the next meeting of the Legislature of the State of Kansas.

Allowing of claims and accounts for the month of April.

Ordered by the Board that all claims and accounts for the month of April be allowed as per docket of claims and accounts,

Board of Commissioners,
Gentlemen:-

In connection with the new bridge over Deep Hollow on the Kaw Valley Road East of Bonner Springs, we have constructed a temporary bridge and with the consent of the Kansas City Kaw Valley & Western Railway Company have attached said temporary bridge to that of the above mentioned company.

However, they are desirous of a resolution passed by you relieving them of any liability for accidents which might result from the construction of said temporary bridge.

As it is our intention to turn traffic over this temporary bridge tomorrow we would be pleased to have you pass this necessary resolution today.

Yours very truly,

O.K. Williamson
County Engineer.

Motion seconded by David Buckland. Motion carried.

Highway Department of Wyandotte County
Office of County Engineer

Kansas City, Kansas May 20 1920.

Board of Commissioners:

Gentlemen: As per your verbal request as to the status of the contract for the removal of the debris at the Central Avenue Bridge, beg to advise you that the contractors (Mo Val Bridge & Iron Co) were compelled to withdraw their equipment from this job about December 1st 1919 owing to their inability to obtain coal during the coal famine of that period and have done no work since that time.

I have in my files copy of a letter forwarded to Mr Corbett, Fuel Administrator which speaks for itself, and a copy of which is herewith submitted. I received no reply to this letter neither was there any relief given in the case.

I am unable to say just how much remains to be done there yet but am sure there remains both some raprap and piling yet to be removed.

Yours very truly,

O K Williamson County Engineer.

O K Williamson

Kansas City Kansas Nov. 19 1919.

Mr. Wm. Corbett
Fuel Administrator
Kansas City, Mo.

Dear Sir:- Mr John Gerrick of Gerrick and Gerrick, contractors engaged in cleaning of channel of Kansas River at East Kansas Avenue Bridge advises us he has a car of Coal (M K & T 30070) upon which he has been refused delivery .

At the Central Avenue Bridge we have the Mo Valley Bridge & Iron Co. engaged in the same work under order of the Court. Mr. Gerrick advises us that if he could secure delivery of this coal it would enable both of them to proceed the remainder of this month, this being their only available season to do this work.

As all interested in flood protection work along the Kansas River are anxious to see these obstructions removed before the Spring rise, we will appreciate the consideration you are able to give this in view of the alarming situation of the fuel question.

Yours very truly

O.K. Williamson County Engineer.

Motion by Samuel Clarke that the County Engineer be instructed to notify Archie Turner Contractor on Sec. A Fort to Fort Highway, that being impossible to secure shipments at the present over the Kansas City Northwestern Railroad for him to proceed at once as the county wants no further delay in the construction of this work, also for the County Engineer to arrange with the Kansas City Western Railway to deliver the Cement that is to be furnished by the County on said road to Bethel. Motion seconded by David Buckland. Motion carried.

June 3rd. 1920 2 P. M.

Monthly report of the

Visiting Nurses association for the month of April was received and placed on file.

Communication from J H Brady County Counselor relative to what funds should bear the burden of the preliminary plans of the 12th Street Bridge, as there are various Bridge fund balances left from the construction of bridges across the Kansas River. It is my opinion that this cost of preliminary plans for the bridge can be paid out of the various bridge funds created and raised for the purpose of erecting the bridge across the Kaw River.

In response to your inquiry as to the payment of claims of the Judges of the District Court filed as Jury Commissioners, I have investigated the same thoroughly and am of the opinion that their claims are legal and should be allowed.

Resp. submitted by J.H. Brady,
County Counselor

THURSDAY, AUGUST 5th 1920 2 P.M.

Pursuant to adjournment taken upon Aug 2nd 1920 the board of County Commissioners met for the transaction of business. Present Wm. Blodgett chairman and Samuel Clarke, a quorum.

Journal of the previous meeting read and approved.

In the matter of the improvement of the Daniel Joyce Road, the County Engineer reports that all efforts to obtain the necessary additional land for widening the road by donation or purchase have failed and that it is not possible to obtain said land and additional right of way either by donation or purchase and that said land will have to be acquired by condemnation.

And all of the land owners in the benefit district described in said petition, except M. Morgan a non resident, being present, the Board endeavored to negotiate with them for the purchase or donation of the necessary additional land for the widening and straightening of said road, but the owners of said land refused to sell or donate the same to the county for the purpose stated.

On motion duly made, seconded and unanimously carried, it was ordered that the Board of County Commissioners exercise the right of eminent domain for the purpose of acquiring the necessary additional points mentioned in the petition for the improvement thereof.

And thereupon the following Resolution was offered by Clarke, Commissioner and on motion duly made seconded and unanimously carried all commissioners voting "Aye" the resolution was adopted.

The County Clerk will spread said Resolution and order at length upon the Journal.

RESOLUTION.

In reference to the Widening, Straightening, Altering and Re-locating of the Daniel Joyce Road and vacating Certain Portions thereof, and acquiring additional right of way.

Whereas, on the 19th day of June, 1919, a petition was filed praying for the improvement of the Daniel Joyce Road in Wyandotte County, Kansas from its intersection with the Leavenworth Road, to a point one mile north thereof, by paving the same, and

Whereas, said petition has been duly and regularly granted in the manner provided by law, and said improvement declared and found to be of public utility, and ordered made by paving said road between said terminal points with water-bound macadam for a width of sixteen feet, and the County Engineer was designated and appointed to take charge of said work, and to make an accurate survey of said road, and the benefit district, and to make a map thereof and a profile of said road, and plans, specifications and estimates of the cost thereof, and after having the same approved by the State Highway Engineer of Kansas, to file the same with the County Clerk; and

Whereas, said map, profile, plans, specifications, and estimates have been accordingly made by the County Engineer, approved by the State Highway Engineer, and filed with the County Clerk, and approved by this Board, from which the Board finds that said Daniel Joyce Road has been legally established as a public road between the terminal points mentioned in said petition, but additional right of way is necessary for the construction of the type of road specified in said petition, and unsurmountable obstacles are encountered in the route of said road as heretofore laid out and described in said petition and it is necessary to re-locate a portion of said road for the purpose of eliminating sharp turns and other dangerous places, and to widen, alter and straighten said road in order to make the improvements on said road as prayed for in said petition, and

Whereas, the Board of County Commissioners has endeavored to acquire the additional land required for the widening and altering of said road by donation and purchase, but the owners of said land have refused to either donate said land or sell the same to the County for said purposes, and it is therefore necessary to acquire the same by condemnation and to exercise the right of eminent domain.

NOW THEREFORE BE IT RESOLVED, and it is hereby ORDERED:-

1. That it is necessary for the construction of the type of road mentioned in the petition filed with this Board for the improvement of the Daniel Joyce Road, and for the purpose of eliminating sharp turns and other dangerous places, and for the purpose of overcoming unsurmountable obstacles on the route described in said petition, and for the purpose of making the improvements prayed for in said petition, to widen, alter, straighten, re-locate some portions and vacate other portions of said road, and to acquire additional land and right of way for that purpose.

2. That said road shall be widened, straightened, altered, and re-located as shown by the map, plans, profile, and specifications of the County Engineer, as approved by the State Highway Engineer, and filed with the County Clerk.

3. That it is hereby determined by the Board of County Commissioners that the nature of the changes required and to be made in said road are as follows:-
 Re-locating said road so that the center line thereof, and of the improvements to be made thereon shall be the line dividing sections 25 and 26 in township 10 range 24.

Widening said road so that the roadway as re-located and widened will be described and bounded as follows:- Commencing at a point 45 feet West of the North East corner of Section 26 Township 10, Range 24, thence South, 1015 feet, thence West 15 feet; thence South 302 feet; thence East 25 feet; thence South 3973 feet, more or less to the North line of the Leavenworth Road thence East 65 feet; thence North, 630 feet; thence East 5 feet; thence North 1895 feet, thence East 10 feet; thence North 680 feet; thence West 10 feet; thence North 768 feet; thence East 5 feet; thence North 1317 feet more or less to the North line of Section 25, 10, 24; thence West 85 feet to the place of beginning.

Straightening said road from a point approximately 875 feet South of the North line of Section 25, township 10 range 24 to a point approximately 1317 feet South of the North line of said section 25, and eliminating the detour and turn in said road at said place.

Vacating all that portion of the existing road lying East of the East line of said road as hereby re-located and established.

Altering said road, and the route, course, width, and boundaries thereof, so as to comply with and conform to the map, profile, plans and specifications thereof prepared by the County Engineer, approved by the State Highway Engineer, and filed with the County Clerk.

4. That it is hereby determined by the Board of County Commissioners that the approximate amount and location of land required to be taken for said purposes is as follows:

Beginning at a point 20 feet East of the North West corner of Section 25 township 10 range 24, said point being the intersection of the present East boundary line of said Daniel Joyce Road with the North line of said Section 25, thence East 20 feet; thence South 1317 feet thence West 5 feet; thence South 768 feet; thence East 10 feet; thence South 680 feet; thence West 10 feet; thence South 1895 feet; thence West 5 feet; thence South 630 feet; more or less to the north line of the Leavenworth Road; thence West 10 feet to the present East boundary line of said Daniel Joyce Road; thence North along the present boundary line of said Daniel Joyce Road, 3973 feet thence West 20 feet thence North 367 feet; thence East 20 feet; thence North 950 feet; more or less along the present East boundary line of said Daniel Joyce Road to the place of beginning, containing approximately 2.25 acres.

Also; Beginning at a point 20 feet West of the North East corner of Section 26, township 10 range 24, said point being the intersection of the present West boundary line of the Daniel Joyce Road with the North line of said Section 26, thence West 25 feet thence South 1015 feet; thence West 15 feet; thence South 302 feet; thence East 25 feet; thence South 3973 feet to the North line of the Leavenworth Road; thence East 15 feet; thence North 3973 feet; thence East 20 feet; thence North 367 feet; thence West 20 feet; thence North 950 feet more or less to the place of beginning, containing approximately 2.40 acres.

5. That it is hereby determined by the Board of County Commissioners what William Blodgett Samuel Clarke and David Buckland, comprising the Board of County Commissioners of Wyandotte County Kansas, shall act as viewers to view said road, and the land to be taken for such changes, and to appraise the value of the land so taken, and assess damages by reason of the taking thereof and that said viewers will meet for the purpose of so viewing said road and appraising said land and assessing damages on said account on TUESDAY, the SEVENTH day of SEPTEMBER, 1920, at 10 O'CLOCK A.M. at the intersection of said Daniel Joyce Road and the North Section line of Sections 25 and 26 in Township 10, Range 24 being the North End of the portion of said road to be improved, and will thereupon proceed to view said road and the changes so required, and will view all lands required to be taken for the re-location, laying out, altering, or widening of said highway for the purpose aforesaid, and appraise the value thereof, and assess damages thereto, and if said work shall not be completed on said day, they will adjourn from day to day, without further notice until their labors in said behalf are fully completed.

6. That this resolution shall be published in the official County paper in one edition thereof, not less than fifteen days nor more than twenty-five days before the view as aforesaid, that a similar notice be served upon each of the owners of the lands affected by said changes by the Sheriff of Wyandotte County, Kansas, at least ten days before such view. The notice to be served upon said land owners may be a copy of this resolution, and said land owners shall take notice of the provisions of this order and resolution, of the time and place said Commissioners shall begin to view said road and the changes required, and all persons will be given a hearing.

7. The County Engineer is hereby directed to meet with said Board of County Commissioners at said time and place for such view.

8. All persons claiming or to claim damages by reason of the proceedings and actions of the Board of County Commissioners in reference to said view and the changes to be made in said Daniel Joyce Road are hereby notified and required to file their applications therefor in writing, with the County Clerk of Wyandotte County, Kansas on or before the first day of the next regular session of the Board of County Commissioners, (which meets on Monday and Thursday of each week at 2:00 o'clock P.M.) following the filing of their report of their findings upon such view, and at such regular session of said Board, the Board will finally determine upon the amount to be paid as damages to any owners of any land.

9. The County Clerk will spread this resolution and order at length upon the Journal.
 The Board adjourned to meet Monday August 9th 1920.

William Blodgett County Clerk

W. Blodgett Chairman.

FRIDAY, AUGUST 6th 1920 at 10 O'CLOCK A.M.

No other Business appearing the Board adjourned.

William Beggs Clerk

Wm Blodgett Chairman

TUESDAY AUGUST 10th 1920 at 2 P.M.

Special meeting of the Board of County Commissioners of Wyandotte County, Kansas To consider Petition for the improvement of the Reidy Road by Grading and paving the same. Pursuant to resolution of this Board of date of date July 19th 1920 and notice published in the official paper on July 23rd 1920 the Board of County Commissioners met in special session for the purpose of considering the petition for the improvement of the Reidy Road, from the East line of Section 11 Township 11 Range 24 to the Ferry Road. Present, William Blodgett, chairman David Buckland and Samuel Clarke a quorum.

This being the day set for the meeting to consider the road improvement petition for the Improvement of the Reidy Road, said petition having been filed Dec 26th 1918 and no cause having been shown why said matter should not now be taken up and considered, the meeting is declared open for that purpose.

The County Clerk exhibits the Road Improvement Notice and the affidavit of the printer in reference thereto, from which it appears that said notice was published in the official County Paper more than ten days prior to this meeting, and said notice and the publication thereof together with the proof of publication are now here approved and ordered filed. And thereupon, after a full and careful consideration of said petition and matter, and all parties present having been invited to be heard in reference thereto, upon motion duly made by Buckland, Commissioner seconded by Clarke Commissioner and unanimously carried all Commissioners voting "Aye", it was ordered that said petition be granted, and said improvements on said road found and declared to be of public utility, and said improvements ordered made, and on motion by Buckland, Commissioner, seconded by Clarke, Commissioner, and unanimously carried, all Commissioners voting "Aye", the following resolution was adopted.

RESOLUTION.

In Relation to the Improvement of the Reidy Road, Wyandotte County, Kansas.

Whereas, a petition praying for the improvement of the Reidy Road in Wyandotte County Kansas, from the East line of Section Eleven (11), Township Eleven (11) Range Twenty four (24) to the Ferry Road, being one fourth mile west of the West line of said Section Eleven (11), was filed with the Board of County Commissioners on December 26th 1918 and action was deferred thereon until July 19th 1920 on account of war time conditions; and

Whereas, the County Counselor has reported said petition to be in due form of law, and has approved the same as to form, and the County Engineer has approved the same as to the correct number of persons signing the same, their residence and ownership of the lands within the benefit districts and other matters, and has filed with said report a preliminary map and survey for the information of the Board; and

Whereas, in compliance with the provisions of Section 1, Chapter 246 laws of Kansas, 1919, the consideration of said petition by this board was set for this date, at the Court House in Kansas City, Kansas and the petitioners and all persons interested notified of said time and place of said meeting by a notice published in the official County paper at least ten days prior to this date; and

Whereas, upon full consideration of said petition it is found by the Board that the same is in due form of law, properly signed and filed, and should be granted, and said improvements ordered made;

NOW THEREFORE BE IT RESOLVED, And it is hereby ORDERED:-

1. That said petition for the improvement of the Reidy Road from the East line of Section Eleven (11), Township Eleven (11) Range (24) Wyandotte County, Kansas by grading and paving the same with concrete for a width of sixteen feet, be and the same is hereby granted and said improvements ordered made.
2. That said petition is found and declared to be in due form of law, and in full compliance with the provisions of the law, and is signed by more than fifty one per cent of the resident land owners owning at least thirty five per cent of the land within the benefit district therein named, and also by more than thirty five per cent of the resident land owners owning at least fifty one per cent of the land within said benefit district.
3. That said Reidy Road between said terminal points is a legally established and regularly laid out road, but the board finds that additional rights of way are necessary for the construction of the type of road specified in the petition and it is necessary to relocate portions of the road for the purpose of eliminating sharp turns and other dangerous places, and it is necessary to alter and widen said road, in order to make such permanent improvements.
4. That the lands within the benefit district among which twenty five per cent of the cost of said improvement shall be apportioned, the names of the owners thereof, and the boundaries and description of said benefit district are found and declared to be as shown on the report of the County Engineer upon said petition, and the map filed by him therewith, which said map and report are hereby adopted and approved.
5. That said improvement as prayed for in said petition is hereby found and declared to be of public utility.

And BE IT FURTHER RESOLVED, and it is hereby ORDERED that said improvements be made under the supervision of the County Engineer of Wyandotte County, Kansas and said County Engineer is hereby directed to make an accurate survey of said road between said terminal points mentioned in said petition and a profile thereof, and a map of said benefit district, showing the lands embraced therein, and the owners thereof as of the date of the filing of the petition, together with plans and specifications for such improvements, and to prepare estimates of the cost thereof, said map profile, plans, specifications and estimates to be by said County Engineer submitted to the State Highway Engineer for approval, and upon approval by him, to be filed with the County Clerk of Wyandotte County Kansas, and said County Engineer is hereby requested to make and file separate estimates of the cost of the grading, paving and construction of culverts.

AND BE IT FURTHER RESOLVED, and it is hereby ordered that the County Clerk publish this resolution and order in one issue of the official county paper, and spread this resolution at length upon the Journal.

The Board adjourned to meet August 12th at 2.P M

William Dege Clerk

Wm. Blodgett Chairman.

THURSDAY AUGUST 12th 2 P.M.

Pursuant to adjournment taken upon Aug. 10th 1920 the Board of County Commissioners met for the transaction of business. Present Wm. Blodgett chairman Samuel Clarke and David Buckland,

Motion by Buckland that the Communication from O K Williamson in reference to culvert on Southwest Blvd. Road, South of Rosedale, be received and filed and the County Engineer be instructed to proceed with the work. Motion seconded by Blodgett. Motion carried.

Motion by Samuel Clarke that a refund be granted to the Fidelity Bldg & Loan Ass'n for the sum of \$9.26 on Lot 12 Block 4 Res of Kansas place. Motion seconded by David Buckland... Motion carried.

Motion by Samuel Clarke that the Communication from the County Supt. in regard to the Barnes High Schools of Wyandotte County be received placed on file and spread upon the Journal in full. Motion seconded by David Buckland. Motion carried,

Kansas City, Kansas Aug. 12 1920.

To the Honorable Board of County Commissioners,
Wyandotte County, Kansas.

Gentlemen: The assessed valuation of the property of this County subject to taxation for the support of the Barnes High Schools of this County, according to the figures furnished by the office of the County Clerk is \$25,322,057.00

The estimate expenses for the payment of teachers salaries alone is \$49,610.00 I therefore suggest that you levy the limit or one and thirty five hundredths mills as provided by law.

Yours respt.

Olive I Thompson Co. Supt.

Motion by Samuel Clarke that the Communication from the County Counselor in regard to the support of the Barnes high schools of Wyandotte County, Kansas be received placed on file and spread upon the Journal in full. Motion seconded by David Buckland. Motion carried.

Kansas City, Kans. Aug. 12th 1920.

Board of County Commissioners,
Wyandotte, County, Kansas.

Gentlemen:

Answering your inquiry of August 8th 1920, relative to the amount of the levy which may be made by Your Honorable Board for the support of the Barnes High Schools of this County, beg to advise.

On August 11th 1920, in company with two members of Your Honorable Board and the County Superintendent of Public Instructions of Wyandotte County, we met with the members of the State Tax Commission of the State of Kansas at their office in Topeka, Kansas. At that time, the members of the said Commission stated that in their opinion Your Honorable Board could make a levy for the support of the Barnes High Schools of this County, of one and three and one half tenths Mills upon the property of this county subject to taxation for such purpose.

The further suggestion was made by the State Tax Commission, that in order to determine what the levy should be, Your Honorable Board should secure from the County Superintendent of Public Instructions, a statement showing the assessed valuation of the property subject to this tax, and the estimated cost of the maintenance of the Barnes High Schools for the coming school year.

Respectfully submitted

Arthur J. Mellott, Acting County Counselor.

Aug 12th. 1920 Cont.

Motion by Samuel Clarke that Dr. E. D. Williams be sent to attend the National meeting of the American Health Officers held in San Francisco on Sept. 13th to 17th. 1920.

Motion seconded by David Buckland.

All members voting Aye. Motion carried.

No other Business appearing the Board adjourned to meet Monday, Aug. 16th. at 2 P.M.

William Beards County Clerk

Motion carried.

Motion by David Buckland that the following resolution be adopted and spread upon the Journal in full, and a copy be mailed to the Southern Surety Company and Kansas City Structural Steel Co.

Motion seconded by Wm Blodgett. All members voting "Aye" Motion carried.

RESOLUTION

Kansas City, Kansas.

Aug. 16th. 1920.

WHEREAS, the Board of County Commissioners of Wyandotte, County, Kansas has heretofore entered into a contract with the Kansas City Structural Steel Company of Kansas City, Kansas, providing for the removal of certain piers, iron work and other debris from the Kansas River near what is commonly known as the East Kansas Ave. Bridge being a part of the old East Kansas Ave. Bridge, in the County of Wyandotte, and

WHEREAS, the said Kansas City Structural Steel Company has failed and neglected to comply with the terms of the said contract with reference to the removal of the said piers, iron work, and other debris, and

WHEREAS, the continuance of the said obstructions in the said river is a menace and a hinderance to adequate and proper flood protection of the territory contiguous to the Kaw River.

Aug. 16th. 1920 Cont.

Now therefore, Be It Resolved by the Board of County Commissioners in regular session here assembled that the Kansas City Structural Steel Company be notified that unless they do within ten (10) days from this date, and on or before the 27th. day of August, A.D. 1920, actually and diligently enter upon and have well under way the removal of the said piers, iron work, and other debris as in said contract provided, then this board will proceed to complete and have completed the said work at the expense of the Kansas City Structural Steel Company, its sub-contractors and the sureties upon the bonds of the Kansas City Structural Steel Company, and any and all sub-contractors engaged on the said work, and

BE IT FURTHER RESOLVED, that the County Counselor be, and he hereby is, directed to take any and all necessary legal steps to see that the above is promptly complied with, and

BE IT FURTHER RESOLVED, that the County Engineer of Wyandotte County, Kansas be, and he hereby is, directed to daily inspect the work being done in connection with the removal of the said piers, iron work, and other debris, and report to this Board the progress being made, including the number of men and the amount of machinery employed thereon, so that this board may be able to judge whether the contract is being actually and diligently complied with.

William Blodgett, Chairman
David Buckland

Motion By David Buckland that the Engineer be instructed to make tentative plans, and arrangements for the completion of the removal of certain piers, iron work, and other debris from the Kansas River near the East Kansas Ave Bridge as covered by the contract with the K. C. Structural Steel Co. in the event that the said contract is not carried out as per the above resolution.

Motion seconded by Wm Blodgett. All members voting "Aye" Motion carried.

Motion by David Buckland that the communications from the Kaw Valley Drainage Board be received and placed on file.

Motion seconded by Wm Blodgett. Motion carried.

No other business appearing the Board adjourned.

William Biggs County Clerk Wm Blodgett Chairman

Leavenworth, Kansas.

Tuesday, August 17th, 1920 11 A. M.

The Leavenworth County Commissioners met in joint session with the Wyandotte County Commissioners at the Court House in Leavenworth City, Kansas, Aug. 17, 1920 at 11 A. M. for the purpose of opening bids on Section A, B, and D, Project 52, Ft. to Ft. Highway, said joint session being an adjournment from July 9, 1920, 11 A.M.

Present; H.C. Short, George Roe, Ernest Eberth, the entire Board of County Commissioners of Leavenworth County, Floyd E. Harper, Co. Atty. of Leavenworth County,; Wm. Blodgett and D. T. Buckland, County Commissioners of Wyandotte County, together with W. V. Buck, Asst. State Highway Engineer.

The Bids were opened and read by W.B. Buck, Assistant State Highway Engineer.

Upon motion of Com. Ernest Eberth, Seconded by Com. George Roe, the joint Boards adjourned until 2 P. M. at which time, the State Highway Engineer and County Engineers were to report there findings on the various bids submitted and their recommendations in writing as to the lowest and best bids. There being no objections, it was so ordered.

Two P. M.

The joint Boards met after adjournment from the morning session, Present; the same officers of the morning session.

The following is the report of the State Highway and County Engineers.

Project No. 52.

Leavenworth and Wyandotte Counties,
Leavenworth, Kansas.

August 17, 1920.

O. K. Williamson
R. W. Swope

Upon motion of Commissioner Buckland, seconded by Com. George Roe, the letting of contracts on Sections A, B. & D., Proj. 52, Fort to Fort Highway, was laid over until Wednesday, August 25th, 11 A. M. due to the County Engineer and County Counselor of Wyandotte County being absent, said meeting to be held at Leavenworth

Co. Court House.

There being no objections, it was so ordered.

Upon motion of Com. George Roe, seconded by ColM/
Buckland, the certified checks of all bidders, except the two
lowest and Jas. Stanton & Son, were ordered returned to the owners.
There being no objections, it was so ordered.

Adjourned.

Attest:

J. E. Voorhees,
County Clerk.

Thursday, Aug. 19th. 1920. 2 P M

Pursuant to adjournment taken upon August 17th. 1920, the Board of County Commissioners met for the transaction of business

Present Wm Blodgett, Chairman David Buckland Absent Samuel Clarke.

Journal of the previous meeting read and approved.

Motion by David Buckland that communication from Spitcaufsky Bros. be received filed and spread upon the Journal in full, and referred to Mr. Railsback in the absence of J.H. Brady, County Counselor for an opinion.

Motion seconded by Wm Blodgett. Motion carried, all members voting "Aye"

Kansas city, Kansas Aug. 17th. 1920.

The Honorable, the Board of County Commissioners of Wyandotte County, Kansas:-

Gentlemen: Because of the necessity of re-advertising for bids for the grading of the Reidy Road, and of the fact that the funds have not yet been provided to pay for said work, and in order to not encumber my credit with a bond and contract which cannot immediately be fulfilled and which prevents me from bidding on and accepting other work, I hereby request the Board to return to me the contract and bond which I filed with the County Clerk on said Reidy Road, and to release me from all obligation thereunder. And I hereby release and exonerate the County of Wyandotte and the Board of County Commissioners from all liability and obligation thereon, and in consequence of any proceedings heretofore had in connection with said matter.

Spitcaufsky Bros.
By John Spitcaufsky

Motion by David Buckland that the communication from Mr. Railsback be received, placed on file and spread upon the Journal in full.

Motion seconded by Wm. Blodgett. Motion carried, All voting "Aye"

Aug. 19th. 1920.

The Honorable Board of County Commissioners of Wyandotte County Kansas.

Gentlemen:

In re Grading on Reidy Road.

You have referred to me, in the absence of Mr. Brady, County Counselor, the proceedings in the matter of improving the Reidy Road.

This petition was filed Dec. 26th. 1918, but no action was taken thereon at that time

Later, and without having first published a notice calling a meeting of the petitioners and other interested parties to consider the same, and without first having granted said petition, and without first having found and declared the same to be of public utility, and without first having ordered and designated the County Engineer to be in charge of said improvements, and ordering him to make maps, plans, profile, and specifications, with his estimates, and without first having published the resolution in this regard as provided by law, and in fact without having complied with any of the provisions of the laws of 1919 in respect to such matters, an advertisement for bids was published for the grading of this road. Prior to this the County Engineer had gone ahead without orders and made his map, profile, plans, specifications and estimates and filed the same, and on these, which were approved by the State Highway Engineer, the bids were based.

I understand that Spitcaufsky Brothers were the lowest bidder, and following the opening of the bids, that firm filed a signed contract on the usual form, and their bond therewith and deposited a certified check for something like \$500 Dollars. This contract and the bond were never approved by the County Counselor, nor accepted by the Board.

NOW, the Board was and is without authority to proceed at all in the matter of improving a road by paving the same, except in conformity with the Statutes

Thursday, Aug. 19th. 1920 2 P.M.

authorizing such work to be done, and until the preliminary provisions of the law are met, no right exists to enter into any contract to pave a road or levy taxes to pay therefor or to assess the property adjacent and within a benefit district.

Before anything can be done, the board must, at a meeting specially called therefor, and a notice thereof published in the official county paper, declare and find said improvement to be of public utility, and after so finding, the resolution to that effect must be published. Interested parties have thirty days after the publication of the last mentioned resolution in which to file suit to enjoin on the ground of defective petition and other matters prior to the resolution.

Any acts attempted in advance of the order specified by statute are void. Any contract entered into before the proper time would be of no effect.

This contract as a matter of fact was not entered into because never accepted and signed by the County.

It is of no force at all. A new advertisement for bids must be published, and bids again opened, after the map, profile, plans, specifications and estimates are again returned from the State Highway Engineer, with his approval.

Furthermore, before any bids can be called for on this particular job, the Board must acquire additional right of way, and widen and straighten that road to conform with such plans and specifications, and that has not been done.

I understand Mr. Spitcoafsky desires his bond returned and the entire matter released to enable him to bid on other work, his limit with his bonding company having been reached. For that purpose, I have prepared a resolution releasing him from all further liability thereon, based upon his request therefor, and the resolution should be adopted.

Very respectfully,

T. F. Railsback.

For the County Counselor.

Motion by David Buckland that upon the advice of the County Counselor, the following resolution be adopted and spread upon the Journal in full. Motion seconded by Wm Blodgett. Motion carried. All members voting "Aye".

RESOLUTION

WHEREAS, advertisements for bids for the grading of the Reidy Road from the East line of Section 11, Township 11, Range 24, to the Ferry road were inadvertently made, and bids received, opened and considered thereon prior to the granting of the petition for the improvement of said road by grading and paving the same, and

WHEREAS Spitcoafsky Bros. was the lowest and best bidder thereon and following said proceedings, filed with the County Clerk his bond and a contract executed by him for the doing of said work and

WHEREAS, because of said inadvertance, and the necessity of re-advertising for bids for said work, pursuant to certain other action of the board, said work cannot be done under said advertisement, bid, and contract, and the same are of no effect, said bidder desires to be released therefrom and to have said bond and contract returned to him, in order to be able to bid on other work, and has in writing so requested this board:-

NOW THEREFORE, pursuant to said request, and in consideration of the premises, BE IT RESOLVED, and it is hereby ORDERED that the bond and contract signed and filed with the County Clerk by said Spitcoafsky Bros. be and they are hereby ordered to be returned to said bidder and so far as the County of Wyandotte is concerned, held for naught, and said bidder released and exonerated from all further liability thereon.

And Be It Further Resolved that this resolution be spread at length upon the Journal.

Adopted by the Board of County Commissioners in regular session August 19th. 1920.
Thursday

Attest
William BESS, County Clerk.

Wm Blodgett Chairman

Seconded by David Buckland

Motion carried.

Dec. 16th. 1920 2 P M Contd.

To the Board of County Commissioners
of Wyandotte County, Kansas.

Gentlemen:-

Permit me to call your attention to the fact that about a year ago, you made an order declaring an emergency in several of the County Offices, which emergency, because of the war and war conditions, actually existed. This condition is now practically at an end. In other words, the conditions of the country, are fast returning to normal, and that emergency order of a year ago or more will have soon spent its force. And when that time arrives, you will, as county commissioners, be not empowered to pay extra clerk hire and extra salaries, and you will be violating a law if you do so.

In order that no one may be injured by an order of your Board at this time, in the curtailment or refusal to further grant increases under the emergency act, permit me to suggest that you pass a resolution resolving that in as much as the Legislature will convene on next Month, that the various officials of Wyandotte County be by you informed that as soon as the Legislature has had an opportunity to take up and consider salaries and fees of Wyandotte County, that you will then refuse to pay any clerk or official under your now existing emergency act.

May I further suggest that you recommend and advise all of the officials that, in the event that their salaries or the salaries of any of their deputies are insufficient under the law, that they take such steps as they deem necessary to secure increases compensatory to their duties, and that you, as a Board of County Commissioners, cannot and will not allow or pay any sum in excess of that actually prescribed by statute; and further advise said officials that the emergency under which we now work and pay same to the clerks cannot and will not exist after the Legislature has convened, and the opportunity is open to them to secure relief where they should properly go for such redress.

Respectfully submitted,

County Counsellor.

On motion by Samuel Clarke that the County Clerk make the following corrections on the tax roll

| | | | |
|---------------|-----------------|-------------------|-----------------|
| Edward Vance | 2006 N Valley | Take off \$200.00 | (No exemption) |

That this BOard grant the Associated Charities of Kansas City, Kansas a temporary allowance of \$200.00 per month for the months of January, February and March of this year.

MOTION by David Buckland seconded by Samuel Clarke. Motion carried.

No other business appearing the Board adjourned.

William Beegs County Clerk Wm Blodgett Chairman

^{1920.} .Sept 20th Resolution (brought forward from page 418)

The following resolution was offered by Clarke, Commissioner, and upon motion by Clarke, Commissioner, seconded by Buckland, Commissioner, and unanimously carried, all Commissioners voting "Aye", was adopted, and ordered spread upon the journal:-

In Reference To The Erection of A New Court House.

WHEREAS, the present court house at Kansas City, the county seat of Wyandotte County, Kansas, is inadequate and insufficient for the transaction of the business of the County, and does not provide the necessary room for the public offices, court rooms and vaults, and is old and difficult to maintain in a proper state of repair; and WHEREAS, it is impracticable to remodel, alter, or repair the present structure, or erect suitable additions thereto, or otherwise utilize the same and render it fit and sufficient for the needs of the County.

NOW THEREFORE, BE IT RESOLVED, AND IT IS HEREBY DETERMINED by the Board of County Commissioners of Wyandotte County, Kansas, in regular session assembled:-

1. That the erection of a new court house for the use of Wyandotte County, Kansas, and the transaction of the business of the County is necessary; and

2. That the cost of the erection thereof be and it is hereby determined and fixed at One Million Dollars.

AND BE IT FURTHER RESOLVED, and it is hereby ORDERED that the question of building such new court house, and the additional question as to the manner of raising the necessary funds therefor, whether by issuing the bonds of the county, or by levying a special tax therefor, shall be submitted to the electors of Wyandotte County, at the coming General Election to be held on the Tuesday succeeding the first Monday in November, A.D. 1920.

AND BE IT FURTHER RESOLVED, and it is hereby ORDERED that an election notice, as provided by law, be published in the official county paper, and in each issue thereof, for atleast thirty days previous to the time of holding the next General Election, as aforesaid, as follows:-

ELECTION NOTICE.

On Proposition To Build A New Court House For Wyandotte County, Kansas, And The Manner Of Raising Funds Therefor.

The Electors of Wyandotte County, Kansas, are hereby Notified:-

That the Board of County Commissioners of Wyandotte County, Kansas, did, upon the 20th day of September, A.D. 1920, by its order duly entered upon its journal, determine that it is necessary to erect a new court house, and did also determine the cost of the erection thereof at the sum of One Million Dollars.

You are further notified that, as provided by law, there will be submitted to the electors and voters of Wyandotte County, Kansas, at the coming General Election to be held on the Tuesday succeeding the first Monday in November, A.D. 1920, the question of building said new court house, and the additional question as to the manner of raising the necessary funds therefor, whether by issuing the bonds of the county, or by levying a special tax therefor.

Printed ballots will be provided for the voters, and a special ballot box will be provided at each voting place for the reception of the ballots.

Each ballot will be headed "County Building Proposition", and there shall be printed thereon the following questions:-

- 1 "Shall the County erect a new court house?"
- 2 "Shall the funds required for the erection of said improvements be raised by the issuance of bonds, or by the levying of a special tax?"

The election upon said questions shall be governed, results ascertained, returns made and canvassed in accordance with the general election laws of the State, as near as may be.

Published by Order of the Board of County Commissioners of Wyandotte County, Kansas.

William Blodgett, Chairman
 Samuel Clarke,
 David Buckland
 Members of said Board.

Return of Surveyor.

To the Honorable Board of County Commissioners of Wyandotte;

The undersigned, the County Surveyor of said county, having been ordered by your honorable board to meet with Samuel Clarke, Wm. Elodgett and David Buckland, road viewers herein, on the 14th day of December, A.D. 1920 at Ninth and Roswell Ave. had been petitioned for by R S Robinson and others, and described in said petition therefor as follows; Ninth Street as now laid out on the plat of Parkwood Farms respectfully reports and returns to your honorable board, that on the 14th day of December A.D. 1920, at said designated place, he did accordingly meet with the said viewers, and did, under their directions, survey the road and cause the same to be conspicuously marked throughout, noting the courses and distances, which survey was as follows; Ninth Street as now located on the plat of Parkwood Farms, said street being more definitely described as follows;

Beginning at the intersection of the center line of Ninth St. with the north line of Roswell Avenue, said point being 223.7 feet west of the S.E. Corner of the N.E. $\frac{1}{4}$ of the N.W. $\frac{1}{4}$ of Section 33-10-25 Running thence north 440 feet to the north line of Parkwood Farms.

And a plat of said road so surveyed is hereunto attached as a part of this return.

P A Williamson

County Surveyor of Wyandotte County, Kansas

State of Kansas, Wyandotte County, ss.

P A Williamson, as County Surveyor of said County of Wyandotte, do hereby certify that the foregoing return is a correct return of the survey made by me of the said proposed road; that said survey was so made by me as in said return stated, and under the direction of the said viewers; and that I caused the said road, as so surveyed, to be conspicuously marked throughout, noting courses and distances as in the said return indicated; and I do further certify that the plat accompanying and attached to the said return is a correct plat of said road as so surveyed, marked and noted

by me.

Witness my hand, this 12th. day of January, A.D. 1921, at said County of Wyandotte.

RESOLUTION

"WHEREAS, the Mayor and City Council of the City of Bonner Springs, a city of the third class, in Wyandotte County, Kansas, in which a city street known as Front Street connects with a hard surfaced country road known as the Kaw Valley Road, has passed a resolution for the improvement of a portion of said city street lying wholly within said city, and extending to the easterly city limits of said city, where it connects with said Kaw Valley road, said resolution having been duly passed at an adjourned regular meeting of the City Council of said City, upon the 29th day of October, 1920; and,

WHEREAS, prior to the passage of said resolution a proper notice that said resolution would be offered and acted upon was given by publication in the official city paper of said city more than twenty days prior to the adoption thereof; and,

WHEREAS, the Mayor and Council of the City of Bonner Springs have submitted said resolution so adopted by them to the Board of County Commissioners of Wyandotte County, Kansas, for adoption by said Board, and have filed said resolution together with the publication notice and the proof of the publication thereof, in the office of the County Clerk of Wyandotte County Clerk of Wyandotte County, Kansas; and,

WHEREAS, the said improvement of said portion of said city street so connecting with said portion of said city street so connecting with said hard surfaced county road, together with the remaining portion of said city street which is now improved and paved, forms a necessary portion of the main traveled highway of the county running through said city, and the improvements thereon are necessary for the proper use of said highway, and the improvement thereof is of such a character that it may be made and paid for by the city of Bonner Springs, and Wyandotte County, and a benefit district as provided by Chapter 109 of the Laws of Kansas of 1919, and said project is one in which Wyandotte County properly may assist; and,

WHEREAS, all things requisite in the premises to be done by the City of Bonner Springs have been done prior to the submission to and adopted by the Board of County Commissioners of Wyandotte County, Kansas, of said resolution; Now, Therefore,

BE IT RESOLVED by the Board of County Commissioners of Wyandotte County, Kansas, that the resolution for the improvement of Front Street in Bonner Springs, Kansas, connecting with the hard surfaced road known as the Kaw Valley Road, at the easterly city limits of Bonner Springs, Kansas, as adopted by the Mayor and Council of the City of Bonner Springs, on the 29th day of October 1920, be, and it is, hereby adopted by the Board of County Commissioners, and ordered spread upon the journal in words and figures as follows:

"Improvement of City Street Connecting
with Hard-Surfaced Road.

"ORDER AND RESOLUTION of City Officials of the City of Bonner Springs in Wyandotte County, Kansas, concerning the extension of the improvement of Front Street to and connecting with the improvement of the Kaw Valley Road.

"BE IT RESOLVED BY the Mayor and Council of the City of Bonner Springs, Kansas;

"That in their judgement it has become expedient and a public necessity to extend the improvement upon Front Street within said city as follows, to wit;

"Beginning at the intersection of said Front Street with the westerly line of Oak Street in the City of Bonner Springs and running thence in an easterly direction on said Front Street and ending at the intersection of said Front Street with the east line of Warner Avenue, and there to connect with the hard-surfaced road known as the Kaw Valley Road.

"The extension of improvements shall consist of a concrete pavement and curbing and

guttering, said pavement to be 20 feet in width. The number of annual assessments to be levied upon the land in the benefit district in payment thereof shall be ten, of equal amount each year, and improvement bonds shall be issued for such installments, none of which shall run longer than ten years, and shall bear interest at the rate of 6 per cent per annum.

"RESOLVED, That this resolution shall be submitted to the Board of County Commissioners of this County for its adoption.

" Adopted in Council meeting October 29thth 1920.

CERTIFICATE.

"I, the undersigned, City Clerk of Bonner Springs in Wyandotte County, Kansas, do hereby certify that the above and foregoing is a full, true and correct copy of a resolution adopted by the Mayor and Council, by unanimous vote, at an adjourned regular meeting upon the 29th day of October, 1920, as appears from the records in my office.

"Witness my hand and seal of said City, this last day of November, 1920.

(SEAL)

(Signed) A. G. Parker, City Clerk".

And BE IT FURTHER RESOLVED, that the publication notice and the affidavit of the printer in respect to the publication thereof, be likewise spread at length upon the Journal; and

BE IT FURTHER RESOLVED, that a copy of said resolution as adopted by the Board of County Commissioners and the Mayor and Council of the City of Bonner Springs, Kansas, be published in the official county paper for three consecutive issues.

On motion by Samuel Clarke seconded by Peter H Kramer that letter from County Engineer relative to Culvert on the A W Hughes Road be received and filed and County Superintendent be instructed to proceed with the work. Motion carried.

Motion carried

On motion by Samuel Clarke, seconded by Peter H Kramer that the resolution relative to bill placed in the Senate and House of Representatives combining the Kaw Valley Drainage Board duties with that of the Board of County Commissioners be adopted, all members voting "Aye"

Motion carried

Kansas City, Kansas, January 31st. 1921.

To the Members of the Senate & House
of Representatives in the State of Kansas:

Gentlemen:

We are advised that the present Kaw Valley Drainage District Board is to be by your Body dissolved, and the duties of said Board placed with the County Commissioners of Wyandotte County, Kansas.

We, the Board of County Commissioners of said Wyandotte County, accept all duties imposed by law upon our Body and will endeavor to execute this or any other duty you may see fit to place upon us for execution.

Permit us, however, to suggest that the addition of said Drainage Board would be unfair to the people in the Drainage District who have for many years at their own expense maintained said Drainage Board and who have from time to time, by various elections, determined the policy, nature and extent of improvements in said Drainage District.

Permit us further to suggest that the present Drainage Board have been elected on a platform having in mind certain improvements which said platform might not be approved by the present Board of County Commissioners, and inasmuch as the said Drainage District is a separate and distinct taxing district, having years ago after a bitter contest and severe opposition on the part of various industries secured the present Drainage Law, it would to us as the Board of County Commissioners be and appear unfair to take from those people in said District their present Board of Directors, and while we as the Board of County Commissioners would endeavor to execute and carry out the wishes of said Drainage District, yet the duties of County Commissioners in this county are becoming so numerous as to require all of the time of each of the Commissioners, and we feel as the Board of County Commissioners, that Wyandotte County will be best served as will the Kaw Valley Drainage District by a continuance of the present arrangement in the management

 County Commissioners of Wyandotte
 County, Kansas.

On motion by Samuel Clarke, seconded by Peter H Kramer that the Board of County Commissioners adjourn to meet at 9 O'Clock Tuesday Feb. 1st. 1921.

William Beggs
County Clerk

David Buckland
Chairman

February 14th.1921 2 P M

Pursuant to adjournment taken from Feb.7th.1921, the County Commissioners met for the transaction of business.

Present David Buckland, Chairman
Samuel Clarke and Peter H Kramer

Journal of previous meeting read and approved.

On motion by Samuel Clarke, seconded by Peter H Kramer that the Road Petition signed by Roy B Rawlings and other householders of Wyandotte Township asking for the location of a road be received and David Buckland, Samuel Clarke and Peter H Kramer be appointed as Viewers, date of view to be March 15th.1921 at 10 O'Clock A M Motion carried.

On motion by Samuel Clarke, seconded by Peter H Kramer that the communication from the County Auditor relative to the distribution of taxes by the County Treasurer'S office be received and referred to the County Counselor, he to report back to the County Commissioners, Thursday Feb.7th.1921 (Copied in full upon the Journal. Motion carried.

February 14th.1921.

To Hon. Board of County Commissioners,
Wyandotte County, Kansas.
William Beggs, Clerk.

You are hereby informed, that Samuel Stewart, County Treasurer of Wyandotte County, Kansas, has not made his Quarterly statement for the months ending October 1920 and January 1921 as required under Sections 2778-79 of the Revised Statutes of 1915 of Kansas.

You have already been informed and are aware that said Samuel Stewart, County Treasurer has been notified of this fact and demand made for the October statement and that on or about the 3rd. day of January 1921 he was called before your Board and a demand made and also at a later date a demand was again made for the October statement

(Over)

Feb.14th.1921 2 P M Contd

and the said January statement. That said treasurer asked your honorable Board for further time for the reason that on account of the heavy payment of taxes ending December 31st. and the heavy mail received enclosing payment for taxes, it would require a few days to clean up and that the reports would be forthcoming at once.

I desire to report further that the daily balances and the monthly report of said County Treasurer agree with the records of the county clerk and the amounts reported deposited in the banks together with the cash in the office equal the balance of cash on hand less the disbursements.

I will say further that we can not complete our annual report until these statements are made distributing the taxes collected to the divers funds of the county. The distribution of the city, township, and School district taxes should also be made.

The compiling of this distribution is the duty of the County Treasurer and requires considerable time and it is important that same be made at the earliest possible date. I recommend that you take such action as you may deem proper and right in the premises.

Yours very truly,

Signed Henry Meade

County Auditor of Wyandotte County, Kansas.

P S In my opinion all the funds are in tact but not distributed.

Henry Meade
County Auditor.

Office of
BRADY & MELLOTT
Lawyers
Suite 2-4-6-8 Wahlenmaier Bldg.

Kansas City, Kansas February 14th. 1921.

The Board of County Commissioners,
Wyandotte County, Kansas.

Gentlemen:

In answer to your communication of County Auditor Meade relative to the County Treasurer's Office, referred to me, permit me to state that the Statutes authorize you as a Board of County Commissioners to request of the auditor to make such preparation as you may deem necessary of the accounts of the County Treasurer on, before or after the annual settlement.

Inasmuch as there has been no annual report or settlement, and it has been due since October, 1920, you are authorized and empowered under the Statutes to request of the County Auditor that he forthwith prepare for you as a Board of County Commissioners a full and complete statement of the condition of the County Treasurer's Office, and also to prepare and arrange distribution of the various funds which said County Auditor has informed your Honorable Body are intact but undistributed.

I, would, therefore, recommend that you instruct your County Auditor to at once secure sufficient help to effect at the very earliest date the preparation of the annual report and the distribution of the County funds to the various municipal sub-divisions of the County.

Respectfully submitted,

Signed J H Brady,
County Counselor.

February 14th.1921 2 P M

Motion carried.

Feb. 21st. 1921 2 P M Contd

STATE OF KANSAS
OFFICE OF THE TAX COMMISSION
TOPEKA

February 18, 1921.

Hon. J. H. Brady,
County Counselor,
Kansas City, Kansas.

In re:- Kansas City Chamber of Commerce
Claim for exemption from taxation.

Dear Sir:-

Your letter of the 17th. inst. having reference to the above claim for exemption has had the careful consideration of the Tax Commission, and in answer I am directed to suggest that the material facts involved in the proposition, as drawn from your letter, appear to be as follows:

In 1898 the Mercantile Club of Kansas City, Kansas, was organized as a corporation. The purpose of the incorporation, as stated in the charter, were the maintenance of a club for social enjoyment, promoting the commercial and industrial advancement of Kansas City, Kansas, and enhancing said city's credit and making it a better place to live in.

On April 13th. 1917, a resolution was filed with the Secretary of State, and duly approved on September 6th. 1918, whereby the name of the corporation was changed to "The Kansas City Chamber of Commerce"; and the resolution further provided that the re-organized Mercantile Club, now known as the Kansas City Chamber of Commerce, should have fourteen directors, and the owning and maintenance of a club room was authorized. It further appears that no further amendments have been made to the original charter.

It is alleged that the Kansas City, Kansas Chamber of Commerce is now the owner of real property in Kansas City, Kansas, at 727 Minnesota Avenue, on which is constructed a two story building used exclusively by the said Chamber of Commerce. Previously an Elk's Club was the owner of the property, but its building thereon was destroyed by fire in 1918, and it was after this destruction of the improvement that the property was purchased by the Chamber of Commerce and the present building erected by it. Said Building now contains a restaurant, pool and billiard rooms, administrative offices, lounging and club rooms, lecture and assembly rooms, and is used to carry out the original purposes for which the Mercantile Club was incorporated.

It is further shown that the property is not exclusively used as a place of public worship, nor as a public school house, nor for scientific, literary or benevolent purposes, although at times, and on particular occasions, it is possible and likely is used for some or all of these purposes, at least to the extent that ministers, scientists and educators, entertain and edify the members with lectures in the assembly and lecture halls, and there is discussion of public questions in some of the meetings, and matters of benevolent import are undertaken by the officers and membership on occasions such as Thanksgiving and Christmas; also, charitable organizations are allowed to use the rooms and frequently are assisted in making "drives" and putting on campaigns for financial and other assistance. While frequently used for the purposes indicated, the building is not used exclusively for any or all of these purposes, but it is used very largely as a club for social enjoyment, and its basic purpose and use is in promoting the commercial and industrial advancement of Kansas City, Kansas, and enhancing said city's credit and making it a good place to live in.

The property has never been assessed for taxation, and the Kansas City Chamber of Commerce has never paid any taxes.

The question of taxability of the said property has come before the Board of County Commissioners of Wyandotte County for consideration with the possible object of requiring the County Clerk to place the property upon the assessment and tax rolls.

At a hearing by the said Board of County Commissioners, the representatives of the Chamber of Commerce appeared and objected to the taxation of the property, claiming

it to be exempt in accordance with the provisions of Section 11,151 General Statutes of 1915, because the property is used for educational, scientific and literary purposes.

Your opinion upon the question raised was asked by the said Board of County Commissioners, and therefore you advised them that, in your opinion, the claim for exemption was not well taken, for the reason that the use made of the property is not such as to bring clearly within the provisions of the exemption statute,

You seem to have advised the Board that to entitle the owners of the property to have it exempted, the property must be used exclusively for one of the excepted purposes named in the constitution, and with the occasional, partial, or limited use for any or all of the purposes, coupled with other uses, such as a club for social enjoyment, a restaurant, and the business necessarily carried on in advancing the commercial activities of Kansas City, Kansas, would not serve to bring the property within the benefit of the exemption from taxation provided by the constitution and the law.

You ask the opinion of this department as to whether or not correctly advised the Board of County Commissioners, and to this question I am directed by the Tax commission to say that you did, in its opinion, give proper advice.

There are a number of Supreme Court decisions which might be cited in support of your decision. Reference will be made to a few of the syllabi contained in the reports:

In 8 Kansas, 344, the gist of the decision is that "Exclusive use for the purpose which will exempt property from taxation is controlling; ownership is no cause for exemption; and so property owned by a literary, an educational, a scientific, religious, benevolent and charitable association or institution, which is not improved and used for excepted purposes, is not exempt from taxation, and this although the same may have been acquired for future use as a home, or otherwise, of the institution."

In 10 Kansas, page 442, the syllabus reads as follows: "An indirect use of property, through the medium of money raised by a sale of the products of the land, is not such as entitles the property to be exempted." This case involved the taxation of a tract of land owned by St. Mary's College. The land was used for the purpose of educating the Indians in Agriculture, and the proceeds of the agricultural industry were devoted to educational uses, but the court held that the property itself was not exclusively, immediately and directly used for either of the excepted purposes in the constitution, and therefore was not exempt from taxation.

In 81 Kansas, 894, it is said that an Oddfellow's Lodge is not a benevolent or charitable institution in the sense that it is entitled to have its property exempted from taxation."

In the same volume of Reports, 859, the doctrine is reiterated in effect that property must be used exclusively for one of the purposes excepted in the constitution.

In 92 Kansas, Page 1020, it is held that a building erected upon ground owned by a college society is exempted from taxation so long as the property is used exclusively as a literary hall and dormitory, and is not leased or otherwise used with a view of profit.

It is the opinion of the Tax Commission that the property in question does not come within the list of properties exempted from taxation by Section 11,151 of the General Statutes of 1915.

Yours truly,

(Signed) Clarence Smith,

Secretary.

GEN

February 21st.1921 2 P M Contd.

March 28th.1921

Pursuant to adjournment taken March.24th.1921, the Board of County Commissioners of Wyandotte County met in joint session with the Board of County Commissioners of Leavenworth County,

Journal of previous meeting read and approved.

Members present Samuel Clarke, David Buckland and Peter H Kramer of Wyandotte County, and Mr. Ewert and Mr. Short of Leavenworth County.

The following Resolution was adopted.

BE IT RESOLVED by the Boards of County Commissioners of Leavenworth and Wyandotte Counties Kansas sitting jointly this 28th. day of March 1921 at the offices of the County Commissioners of Wyandotte County, Kansas, in Kansas City, Kansas, that;

WHEREAS, there exists on the Fort to Fort Highway Section A Project #52 at or near the N.E. Corner of Section Thirty-Six (36) Township Ten (10) Range Twenty-two (22) a dangerous place along said road in the nature of Wolf Creek in encroaching from time to time nearer the present road and said road at said point containing a sharp curve which can and shall be eliminated.

BE IT FURTHER RESOLVED, by said Board sitting jointly that it is necessary to re-locate alter and widen said road or Highway at or near this point for the above and foregoing reasons:

BE IT FURTHER RESOLVED, by the Boards of County Commissioners of said Leavenworth and Wyandotte Counties the upon advice received by them sitting jointly from the County Engineers of said respected Counties in order to eliminate said sharp turn and encroachment of the said Creek it will be necessary to acquire several acres of land immediately west of said road at said point.

BE IT FURTHER RESOLVED, by Boards of County Commissioners of said Counties that said road at said point be altered, changed widened and relocated to conform to the plans and specifications of the County Engineers of Wyandotte and Leavenworth Counties now on file in their respective Counties. taking by purchase or condemnation as per report of said Engineer approximately seven and one half acres

BE IT FURTHER RESOLVED that said joint Boards of County Commissioners view the location of said proposed change and that said view be had on the 19th. day of April A.D. 1921 at 10 O'clock A.M. of said day and the due notice be served upon the owners of lands effected by said Change together with a publication in the official County paper setting out the intention of said Boards of County Commissioners to view and take said lands.

March 28th.1921 Contd.

BE IT FURTHER RESOLVED, the said Boards of County Commissioners of said Leavenworth and Wyandotte Counties Kansas will on said April 19th .1921 at its joint meeting at said road side hear all complaints against said proposed changing altering widening and re-location of said road and said Boards will thereupon at said time and place appraise said lands and assess damages thereon.

(Signed) Samuel Clarke, Chairman.

On motion by Samuel Clarke, seconded by Peter H Kramer that bids for furnishing groceries for the County Poor Farm the following bids were received. Otto Anderson \$165.70, Union Pacific Tea Co \$187.05, Otto Baker \$183.05, Gate City Grocery Co \$169.50, Otto Anderson being the lowest bidder, the County Clerk was instructed to notify Otto Anderson to advise County Superintendent when said Contract is ready for delivery.

Motion carried.

On motion by Samuel Clarke, seconded by David Buckland that the County Clerk be instructed to notify Mr. Hoffman and Mr. Falstrom to report to the Board and not do any mere checking up escaped taxes until advised to do so by the Board.
Motion carried.

Moved by Samuel Clarke, seconded by Peter H Kramer that salaries of E E Torrey and Mrs Kate Torrey Superintendent and Matron of the Detention Home be made \$75.00 and \$50.00 per month respectively effective March 1st. 1921.
Motion carried.

A RESOLUTION

WHEREAS, the County Auditor of Wyandotte County, Kansas, did, on a recent date, disallow certain advancements of the various deputies of officials of Wyandotte County, Kansas for the reason that the Legislation was in session, and that up to the said time no remedial bill had been passed to validate the increase of salaries had by a resolution of the Board of County Commissioners of Wyandotte County, Kansas during the war, and

WHEREAS, the various deputies had worked and delivered their time to the County at the time of the disallowance, and

WHEREAS, there had been no notice given to said deputies other than the advanced allowance would be cut off at the end of the session of the Legislature, and

WHEREAS, the Kansas Legislature did at its recent session pass a law validating the salaries paid by the Board of County Commissioners of Wyandotte County, Kansas, and

WHEREAS, there was an interval of one month disallowed by the County Auditor of said increased salaries, and WHEREAS,

WHEREAS, it was the intent and purpose of the Board of County Commissioners of Wyandotte County, Kansas, when they passed the emergency resolution that said increased salaries should continue until the adjournment of the Kansas Legislature.

BE IT THEREFORE RESOLVED, that the various deputies who have been by the County Auditor disallowed their increased salaries for one month be given and paid their regular and customary allowance had under the emergency resolution for the month of March, 1921.

Adoption of said resolution moved by Peter H Kramer this 31st. day of March, 1921. seconded by Samuel Clarke, said resolution carried and adopted.

R E S O L U T I O N

Authorized the Issue of County Road Improvement Bonds of Wyandotte County, Kansas, for the Purpose of Paying a Portion of the Cost of the Improvement on Section "B", Project 52, Port-to-Port Highway.

BE IT KNOWN, That the Board of County Commissioners of Wyandotte County, Kansas, met in regular session at the Court House, this 11th. day of April, 1921; present, David Buckland, Chairman, Samuel Clarke, Commissioner, and Peter Kramer, Commissioner, a full membership of the Board, and William Beggs, County Clerk; the following resolution was offered with relation to the issue of bonds for the improvement of Section "B", Project 52, Port-to-Port Highway; and on motion of Kramer, seconded by Clarke, and carried by unanimous vote of the Board, all commissioners voting "Aye", was adopted and ordered spread at length upon the Journal:

"WHEREAS, There was filed with the Board of County Commissioners of Leavenworth County, Kansas, on the Second day of February, 1918, a petition for the permanent improvement of a certain public road situated in Leavenworth and Wyandotte Counties, in the State of Kansas, and upon the County Line between said counties, known as the Port-to-Port Highway, and later designated by the State Highway Commission of Kansas as Federal Aid Project 52, the terminal points and other specially fixed locations of said road being particularly described in said petition, and as well there was designated therein the lines within the proposed benefit districts, both in the County of Leavenworth and the County of Wyandotte, the type of permanent improvement and width of roadway desired, and the number of annual assessments to be levied upon the lands in said benefit district in payment of such improvement, the said number of annual assessments being fifteen; and,

"WHEREAS, the Board of County Commissioners of Leavenworth County, Kansas, did, at a regular meeting of said Board held on the Fourth day of February, 1918, find that the improvement prayed for was one of public utility, that said petition was signed by individuals owning more than sixty per cent of the land within the district defined by said petition, in Leavenworth County, and that the said petition properly designated the road to be improved, both by name and terminal points and by other specially fixed locations, and that the petition definitely designated the lands within the proposed benefit district, the type of permanent improvement, the width of roadway and the number of annual assessments to be levied upon said lands in payment of said improvements, which was in said petitions designated as fifteen, and that said petition was in all respects in compliance with the provisions of the statutes of the State of Kansas; which matters have been made to appear to this, the Board of County Commissioners of Wyandotte County, Kansas, by a duly certified copy of the proceedings of said Board filed in the Office of the Board of County Commissioners of this County; and,

April 11th. 1921 contd

WHEREAS, thereafter, a certified copy of said petition so filed in Leavenworth County, was transmitted by the County Clerk of Leavenworth County to the Board of County Commissioners of Wyandotte County, and filed in the office of the County Clerk of Wyandotte County, according to law; and,

WHEREAS, Leavenworth County and Wyandotte County are adjoining counties, and the road in said petition described is situated in both Leavenworth county and Wyandotte County, and upon the county line between said two counties, and the improvement thereof, covers portion of said road in both of said counties, and upon the county line between said counties; and,

"WHEREAS, thereafter, the Board of County Commissioners of Wyadotte County, Kansas, did, on the 16th. day of June 1919, at a regular meeting, find that the improvement prayed for in said petition was a public necessity and of public utility, and that it was necessary and proper that it be improved and paved as prayed for in said petition, and then and there duly approved and granted said petition, and on said date ordered that a notice be published in the official county paper designating the First day of July, 1919, at ten O'Clock A.M., as the time for the Board to meet and hear protests and objections, if any there should be, in respect thereto, and a copy of said notice was ordered by said Board to be mailed to each of said petitioners and all persons owning property in the benefit district; all of which was accordingly done; and,

"WHEREAS, thereafter, and on the first day of July, 1919, in pursuance of law, the Board of County Commissioners of Leavenworth County, Kansas, and the Board of County Commissioners of Wyandotte County, Kansas, acting in conjunction for the purpose of carrying on the said improvements under the provision of Section 12 of Chapter 265 of the Laws of the State of Kansas, the County Commissioners of Wyandotte County, Kansas, at Kansas City, and jointly acting, found, declared and held said improvement to be a public utility, and ordered said petition granted, approved and the improvements therein prayed for to be made, according to law; all of the members of both of said Board voting "Aye" thereon; and,

WHEREAS, thereafter, the County Clerk of Wyandotte County, Kansas, in pursuance of an order of the Board of County Commissioners of Leavenworth and Wyandotte Counties, acting jointly, caused to be published in one issue of the official county paper, the order of said Boards finding and declaring said improvement to be of public utility, as aforesaid; and,

WHEREAS, it was, by the Board of County Commissioners of Leavenworth County, Kansas, found that said petition was in due form of law, and contained the signatures of the owners of sixty per cent of the lands within the benefit district in Leavenworth County; and it was, by the Board of County Commissioners of Wyandotte County, found, held and declared that said petition was in due form of law, and contained the signatures of the owners of sixty per cent of land within the benefit district within Wyandotte County, and it was by the Board of County Commissioners of Leavenworth County, Kansas, and the Board of County Commissioners of Wyandotte County, Kansas, acting in conjunction, found and held that said petition was in due form of law, and contained the signatures of sixty per cent of the owners of land within the entire benefit district described in said petition; and,

WHEREAS, it has been found by the Board of County Commissioners of Wyandotte County, Kansas, that said petition definitely designated the lands within the proposed benefit district within the County, the type of permanent improvement and the width of roadway and the number of annual assessments to be levied upon the said lands in said district in payment of said improvement, said number of annual assessments to be fifteen; and,

"WHEREAS, thereafter, the Board of County Commissioners of Wyandotte, County, Kansas, and the Board of County Commissioners of Leavenworth County, Kansas, acting in conjunction, duly caused an accurate survey of said road to be made, and a profile thereof, and ap of the benefit district in both counties, and plans and specifications for the improvement, and estimates of the cost thereof, to be prepared by the County Engineers of both Leavenworth County and Wyandotte County, which said survey, profile, map, plans, specifications and estimates, have been duly and regularly approved by the State Highway Engineer and filed in the office of the County Clerk of Leavenworth County, Kansas, with certified copies thereof filed in the office of the County Clerk of Wyandotte County, Kansas; and,

"WHEREAS, said estimates of the cost of the improvement of what is, in said plans and specifications, designated as Section "B" of Project 52, shows the total approximate cost of that portion of said Section "B" to be paid for jointly by said counties, to be \$21,452.50; and the portion thereof to be paid for by Wyandotte County, to be the sum of \$10,726.25; and,

April 11th. 1921 2 P M

"WHEREAS, thereafter, and on the 25th day of August, 1920, there was duly let to the Blue Valley Construction Company, a contract for the earthwork on said Section "B", Project 52, Fort-to-Fort Highway, in accordance with their bid therefor, pursuant to an advertisement for bids in accordance with the plans and specifications, according to law, and a contract duly made and entered into with the said Blue Valley Construction Company for the doing of said work, in which bid and by the terms of said contract it is provided that payment therefor shall be made in road improvement bonds, at par; and,

"WHEREAS, the cost of said improvement for said Section "B" Project 52, has been by the Board of County Commissioners of Wyandotte County, and of Leavenworth County, Kansas, duly apportioned between said counties, fifty per cent thereof to be paid by Wyandotte County, and fifty per cent by Leavenworth County; and,

"WHEREAS, for the purpose of paying for said improvements under said contract prior to completion of said work it is necessary to issue the bonds of Wyandotte County, Kansas, in the sum of Eight Thousand (\$ 8,000.00) Dollars, said amount not exceeding the estimated cost to be assessed against the county and townships within said county, for the proportion of said work and improvement to be paid for by Wyandotte County, such bonds to be delivered to said contractor at par, in lieu of cash; Now, Therefore,

"BE IT RESOLVED BY the Board of County Commissioners of Wyandotte County, Kansas;

"Section 1-- that under and by virtue of Chapter 265 of the Laws of Kansas of 1917, as amended by Chapter 246 of the Laws of Kansas of 1919, and by Chapter 48 of the Laws of Kansas of 1920, Wyandotte County, in the State of Kansas, shall issue its negotiable coupon special improvement bonds in payment of the work done and material furnished in the improvement of Section "B" of Project No. 52, Fort-to-Fort Highway, in Wyandotte County, Kansas, and on the County Line between Wyandotte County and Leavenworth County, Kansas.

"Section 2-- That the total and aggregate amount for which said bonds shall be so issued be fixed at the sum of Eight Thousand (\$8,000.00) Dollars.

"Section 3.-- Said bonds shall be known and denominated as Wyandotte County Special Improvement Bonds, Series _____.

"Section 4.-- Said bonds shall be numbered consecutively from One (1) to Eighty (80), and shall be in denominations of One Hundred Dollars each, and shall bear interest at the rate of 5 per cent per annum, payable semi-annually on the First days of January and July in each year; the interest thereon to be evidenced by interest coupons attached thereto.

"Section 5.-- Said bonds shall bear date of the 1 day of April, 1921, and shall become due and payable as follows:

| | | |
|-----------------------------------------------------|-------|----------|
| January 1, 1922, bond No. 1 | ----- | \$100.00 |

"Section 6.-- Said bonds and the interest thereon shall be payable at the office of the Treasurer of the State of Kansas, in the City of Topeka, Kansas.

"Section 7.-- Each bond shall bear on its face the amount thereof, the rate of interest it bears, the number of such bond, the date of issue, when and where payable, for what purpose issued, and shall be made payable to bearer; which bond, together with the coupons thereto attached, shall be signed by the Chairman of the Board of County Commissioners of Wyandotte County, Kansas, and attached by the Clerk of said County, and each bond shall have the impression of the seal of said county thereon.

April 11th. 1921 2 P M Continued

"Section 8.-- Each of said bonds and each of the coupons thereto attached as heretofore enumerated, shall,, except as to numbers and dates of maturity, be substantially in the following form:

 UNITED STATES OF AMERICA

THE STATE OF KANSAS, THE COUNTY OF WYANDOTTE.

No. _____.

\$100.00

KNOW ALL MEN BY THESE PRESENTS:

That the County of Wyandotte in the State of Kansas acknowledges itself to owe and for value received hereby promises to pay to the bearer the principal sum of One Hundred (\$100.00) Dollars, in lawful money of the United States of America, at the office of the Treasurer of the State of Kansas, in the city of Topeka in said State, on the 1st day of January, 1922, together with interest on said sum from the date hereof until paid, at the rate of 5 per cent per annum, payable semi-annually on the first days of January and July in each year, upon presentation and surrender of the interest coupons hereto attached, as such coupons severally become due.

And for the prompt payment of the principal of this bond, with interest as aforesaid, as said payments respectively mature, the full faith, credit, revenue and resources of said County are hereby irrevocably pledged.

This bond is one of a series of eighty bonds of like tenor, except as to dates of maturity and numbers, issued by the County of Wyandotte in the State of Kansas, for the purpose of paying the cost of the improvement of Section "B" of Project 52, Fort-to-Fort Highway, in Wyandotte County, Kansas, lying upon the county line separating Wyandotte County and Leavenworth County, in said State, under and in accordance with a resolution duly passed by the Board of County Commissioners of Wyandotte County, Kansas, at a regular meeting of said Board on the 11th day of April, A.D. 1921, and is in all respects issued in full compliance with the provisions of Chapter 265 of the Laws of Kansas, 1917, as amended by Chapter 246 of the Laws of Kansas of 1919, and Chapter 48 of the Laws of Kansas of 1920, being an act providing for the improvement of county roads, and amending certain prior acts. And it is hereby certified and recited that all the acts, conditions, proceedings and things required by the Laws of the State of Kansas, to be done and performed precedent to and in the issuance of this bond have properly been done, happened and performed in the manner required by law and in regular and due time; that the indebtedness to pay which this bond is issued, was at the time it was incurred and at the time of the issuance of this bond a valid and subsisting indebtedness of said county, and that the total indebtedness of such County, including this bond, does not exceed any constitutional or statutory limitation.

In Testimony Whereof, the County of Wyandotte in the State of Kansas has caused this bond to be signed by the Chairman of the Board of County Commissioners and to be attested by the Clerk of the County under the seal of the County, and the interest coupons hereto attached to be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County, this 1st day of April A.D. 1921.

David B. ...
 Chairman of the Board of County
 Commissioners of Wyandotte County,
 Kansas.

Thereupon, the following resolution was offered and, upon motion of Blodgett, seconded by Clarke and carried by the unanimous vote of all commissioners, was adopted and ordered spread on the journal:

RESOLUTION

Kansas City, Kansas.
July 7th, 1919.

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE COUNTY, KANSAS:

That the report of O K Williamson, County Engineer, on the sufficiency of the petition for payment of Daniel Joyce Road, be received, approved and placed on file; and

BE IT FURTHER RESOLVED BY THE BOARD HEREIN, that it be the sense of the said Board that said Road is a public necessity and a public utility and that it is necessary and proper that the same be paved as petitioned for; and

BE IT FURTHER RESOLVED, that a notice be had in the official county paper designating the 24th day of July 1919, at 2 o'clock P.M. as the time for the Board of County Commissioners to meet to hear protests and objections against the paving and improvement of said Daniel Joyce Road as petitioned for; and

BE IT FURTHER RESOLVED, that the County Clerk be instructed to mail to each of the petitioners on said road petition a notice of said meeting; and

BE IT FURTHER RESOLVED, that the County Engineer, O.K. Williamson, be instructed to take such steps and make such appropriations as he may deem fit and proper for the early and successful building of said highway; and

BE IT FURTHER RESOLVED, that the above and foregoing resolution be adopted.

I, William Beggs, the duly elected, qualified and acting County Clerk of Wyandotte County, Kansas, herewith and herein certify that at a meeting of the Board of County Commissioners of the County of Wyandotte and State of Kansas, held on the 7th day of July, 1919, the within resolution was duly passed; and

That there were present at said meeting the following commissioners:

William Blodgett
Samuel Clarke
David Buckland.

WITNESS my hand and official seal this 7th day of July, 1919.

William Beggs,
County Clerk of Wyandotte
County, Kansas.

DANIEL JOYCE ROAD

REPORT OF THE FINDINGS OF THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE, COUNTY, KANSAS, IN THE MATTER OF THE RELOCATING, ALTERING AND WIDENING OF THE DANIEL JOYCE ROAD IN WYANDOTTE COUNTY, FROM THE INTERSECTION OF SAID ROAD WITH THE LEAVENWORTH ROAD TO A POINT ONE MILE NORTH THEREOF, AND OF THEIR APPRAISAL OF THE VALUE OF THE LANDS TAKEN FOR SUCH PURPOSES, AND ASSESSMENT OF DAMAGES THERETO.

Pursuant to a resolution and order of the Board of County Commissioners of Wyandotte County, Kansas, adopted and made on the 5th day of August, 1920, and to a notice duly served upon each of the land owners along the Daniel Joyce Road, from its intersection with the Leavenworth Road to a point one mile North thereof, by the Sheriff of Wyandotte County, Kansas, as required by law, and of the publication of a notice thereof in the official county paper on the 20th day of August, 1920, which publication was not less than fifteen days nor more than twenty-one days before the view, proof of the publication thereof, as required by law having duly been made, filed and approved, and a record of said notice so served by the Sheriff, and the manner of its service having been placed on record upon the journal of the board, and as directed in said resolution and order and set out in said notices, The Board of County Commissioners met on TUESDAY, the SEVENTH day of SEPTEMBER, A. D. 1920, at 10 o'clock A.M., at the intersection of said Daniel Joyce Road and the North Section line of Sections 25 and 26 in Township 10, Range 24, being the North end of the portion of said Daniel Joyce Road to be improved, to view said road, and the changes required, and to view all lands required to be taken for the relocation, laying out, altering, or widening of said highway for the purposes set forth in said resolution and notices, and to appraise the value thereof, and assess the damages thereto, and to give all parties a hearing. PRESENT, William Blodgett, Chairman, and Samuel Clarke, Commissioner, a quorum of said Board, and George Hazen, Assistant County Engineer.

And thereupon the Board of County Commissioners proceeded to and did view said road and the changes required, and did view all lands required to be taken for the relocation, laying out, altering and widening of said highway for the purposes of eliminating sharp turns and other dangerous places, and of overcoming insurmountable obstacles on the route described in the petition for the improvement of said road, and for the purpose of making the improvements prayed for in said petition and the construction of the type of road mentioned in said petition, and did appraise the value of each separate tract thereof so taken, and assess the damages thereto, all as shown on the schedule hereto attached, and made a part of this report, giving the names of the owners of the separate tracts so taken, the amount of land taken, the appraisal and amount allowed for the taking thereof, and the amount allowed and assessed as damages thereto. There is also attached hereto, made a part hereof, and filed herewith, a plat of said road as changed, showing the original road, the road as changed, and the land taken for such changes.

RESOLUTION.

WHEREAS, a petition praying for the improvement of a certain public road situated in Leavenworth and Wyandotte Counties, in the State of Kansas, and upon the County line between said counties, known as the Fort-to-Fort Highway, and later designated by the State Highway Commission of Kansas, as Federal Aid Project No. 52, the terminal points and other specially fixed locations of said road being particularly described in said petition, and as well, there was designated therein, the lands within the proposed benefit districts, both in the County of Leavenworth and the County of Wyandotte, the type of permanent improvement and width of roadway desired and the number of annual assessments to be levied upon the lands in said benefit district in payment of such improvement, the said number of annual assessments being fifteen, was filed with the Board of County Commissioners, of Leavenworth County, Kansas, on the 2nd day of February 1918; and,

WHEREAS, the Board of County Commissioners of Leavenworth County, Kansas, did, at a regular meeting of said Board, held on the Fourth day of February, 1918, find that the improvement prayed for was one of public utility, that said petition was signed by individuals owning more than sixty percent of the land within the district defined by said petition, in Leavenworth County, and that the said petition properly designated the road to be improved, both by name and terminal points and by other specially fixed locations, and that the petition definitely designated the lands within the proposed benefit district, the type of permanent improvement, the width of roadway, and the number of annual assessments to be levied upon said lands in payment of said improvements, which was in said petitions designated as fifteen, and that said petition was in all respects in compliance with the provisions of the statutes of the State of Kansas; which matters have been made to appear to this, the Board of County Commissioners of Wyandotte County, Kansas, by a duly certified copy of the proceedings of said Board filed in the office of the Board of County Commissioners of this County; and,

WHEREAS, thereafter, a certified copy of said petition so filed in Leavenworth County, was transmitted by the County Clerk of Leavenworth County to the Board of County Commissioners of Wyandotte County, and filed in the office of the Board of County Commissioners of this County; and,

WHEREAS, Leavenworth County and Wyandotte County are adjoining counties, and the road in said petition described is situated in both Leavenworth County and Wyandotte County, and upon the county line between said two counties, and the improvement thereof covers portions of said road in both of said counties, and upon the county line between said counties; and,

WHEREAS, the consideration of said petition by the Board of County Commissioners of Wyandotte County, Kansas and the Board of County Commissioners of Leavenworth County, Kansas, acting jointly, was set for this date at the Court House in Kansas City, the Seat of Wyandotte County and the petitioners and persons interested, notified of said time and place of said meeting by a notice published in the official county paper at least ten days prior to this date; and,

WHEREAS, upon full consideration of said petition, it is found by said joint Boards that the same is in due form of law, properly signed and filed and contains the signatures of the owners of sixty percent of the lands

within the benefit district in Leavenworth County, and the signatures of the owners of sixty percent of the lands within the benefit district within Wyandotte County, and the signatures of sixty percent of the owners of the lands within the entire benefit district, described in said petition, and it should be granted, approved, and said improvements ordered made:-

NOW THEREFORE BE IT RESOLVED, and it is hereby ordered by the Board of County Commissioners of Leavenworth County, Kansas and the Board of County Commissioners of Wyandotte County, Kansas, acting con-jointly:-

1. That said petition for the improvement of the Fort-to-Fort Highway in Leavenworth and Wyandotte Counties, in the State of Kansas, otherwise designated, as Federal Aid Project No. 52, between the terminal points therein mentioned, by grading, draining and surfacing said road with concrete eighteen feet wide, and building all necessary bridges and culverts thereon, be, and the same is hereby granted and said improvements ordered made.

2. That said petition is found and declared to be in due form of law and in full compliance with the provisions of the law, and is signed by the owners of more than sixty percent of the lands within the entire benefit district described in said petition, and by the owners of sixty percent of the lands within the benefit district within Leavenworth County, and by the owners of sixty percent of the lands within the benefit district in Wyandotte County.

3. That said Fort-to-Fort Highway, between said terminal points is a legally established road.

4. That said improvements, as prayed for in said petition, are hereby found and declared to be of public utility.

AND BE IT FURTHER RESOLVED, and said County Engineers are hereby ordered and directed to make an accurate survey of said road between said terminal points, mentioned in said petition and a profile thereof, and a map of said benefit districts, showing the lands embraced therein and the owners thereof as of the date of the filing of said petition. And the County Engineer of Wyandotte County is ordered and directed to prepare plans and specifications for such improvements, and authorized to employ such assistance as may be necessary therefor, the cost therefor to be assessed equally between Leavenworth County and Wyandotte County, Kansas, with estimates of the cost thereof, said map, profile, plans, specifications and estimates to be by said County Engineer, submitted to the State Highway Engineer for approval and upon approval by him, to be filed with the County Clerk of Wyandotte County, Kansas, or with the County Clerk of Leavenworth County, Kansas, with certified copies thereof to be filed with the County Clerk of the other county.

AND BE IT FURTHER RESOLVED, and it is hereby ordered that the County Clerk of Wyandotte County, publish this resolution and order in one issue of the official county paper of Wyandotte County, Kansas and spread this resolution at length upon the journal of said county, and prepare, certify, and forward, full, true and correct copies of this resolution to the County Clerk of Leavenworth County.

Resolution June 16th 1919
7 out to 7 out

And upon motion by H. C. Short, Chairman of the Board of Commissioners of Leavenworth County, Kansas, seconded by David Buckland, Commissioner, of Wyandotte County, Kansas, the foregoing resolution, was, by the Board of County Commissioners of Wyandotte County, Kansas and the Board of County Commissioners of Leavenworth County, Kansas, sitting con-jointly, by unanimous vote, all commissioners voting "Aye" adopted and voted spread upon the Journal.

William Beggs
County Clerk of Wyandotte County,
Kansas.

RESOLUTION

WHEREAS, a petition praying for the improvement of a certain public road situated in Leavenworth and Wyandotte Counties, in the State of Kansas, and upon the County line between said counties, known as the Fort-to-Fort Highway, and later designated by the State Highway Commission of Kansas, as Federal Aid Project No. 52, the terminal points and other specially fixed locations of said road being particularly described in said petition, and as well, there was designated therein, the lands within the proposed benefit districts, both in the County of Leavenworth and the County of Wyandotte, the type of permanent improvement and width of roadway desired and the number of annual assessments to be levied upon the lands in said benefit district in payment of such improvement, the said number of annual assessments being fifteen, was filed with the Board of County Commissioners, of Leavenworth County, Kansas, on the 2nd day of February 1918; and,

WHEREAS, the Board of County Commissioners of Leavenworth County, Kansas, did, at a regular meeting of said Board, held on the Fourth day of February, 1918, find that the improvement prayed for was one of public utility, that said petition was signed by individuals owning more than sixty per cent of the land within the district defined by said petition, in Leavenworth County, and that the said petition properly designated the road to be improved, both by name and terminal points and by other specially fixed locations, and that the petition definitely designated the lands within the proposed benefit district, the type of permanent improvement, the width of roadway, and the number of annual assessments to be levied upon said lands in payment of said improvements, which was in said petitions designated as fifteen, and that said petition was in all respects in compliance with the provisions of the statutes of the State of Kansas; which matters have been made to appear to this, the Board of County Commissioners of Wyandotte County, Kansas, by a duly certified copy of the proceedings of said Board filed in the office of the Board of County Commissioners of this County; and,

WHEREAS, thereafter, a certified copy of said petition so filed in Leavenworth County, was transmitted by the County Clerk of Leavenworth County to the Board of County Commissioners of Wyandotte County, and filed in the office of the Board of County Commissioners of this County; and,

WHEREAS, Leavenworth County and Wyandotte County are adjoining counties, and the road in said petition described is situated in both Leavenworth County and Wyandotte County, and upon the county line between said two counties, and the improvement thereof covers portions of said road in both of said counties, and upon the county line between said counties; and,

WHEREAS, the consideration of said petition by the Board of County Commissioners of Wyandotte County, Kansas and the Board of County Commissioners of Leavenworth County, Kansas, acting jointly, was set for this date at the Court House in Kansas City, the Seat of Wyandotte County and the petitioners and persons interested, notified of said time and place of said meeting by a notice published in the official county paper at least ten days prior to this date; and,

WHEREAS, upon full consideration of said petition, it is found by said joint Boards that the same is in due form of law, properly signed and filed and contains the signatures of the owners of sixty per cent of the lands within the benefit district in Leavenworth County, and the signatures of the owners of sixty per cent of the lands within the benefit district within Wyandotte County, and the signatures of sixty per cent of the owners of the lands within the entire benefit district, described in said petition, and it should be granted, approved, and said improvements ordered made; -

NOW THEREFORE BE IT RESOLVED, and it is hereby ordered by the Board of County Commissioners of Leavenworth County, Kansas and the Board of County Commissioners of Wyandotte County, Kansas, acting con-jointly; -

1. That said petition for the improvement of the Fort-to-Fort Highway in Leavenworth and Wyandotte Counties, in the State of Kansas, otherwise designated, as Federal Aid Project No. 52, between the terminal points therein mentioned, by grading, draining and surfacing said road with concrete eighteen feet wide, and building all necessary bridges and culverts thereon, be, and the same is hereby granted and said improvements ordered made.
2. That said petition is found and declared to be in due form of law and in full compliance with the provisions of the law, and is signed by the owners of more than sixty per cent of the lands within the entire benefit district described in said petition, and by the owners of sixty per cent of the lands within the benefit district within Leavenworth County, and by the owners of sixty per cent of the lands within the benefit district in Wyandotte County.
3. That said Fort-to-Fort Highway, between said terminal points is a legally established road.
4. That said improvements, as prayed for in said petition, are hereby found and declared to be of public utility.

AND BE IT FURTHER RESOLVED, and said County Engineers are hereby ordered and directed to make an accurate survey of said road between said terminal points, mentioned in said petition and a profile thereof, and a map of said benefit districts, showing the lands embraced therein and the owners thereof as of the date of the filing of said petition. And the County Engineer of Wyandotte County is ordered and directed to prepare plans and specifications for such improvements, and authorized to employ such assistance as may be necessary therefor, the cost therefor to be assessed equally between Leavenworth County and Wyandotte County, Kansas, with estimates of the cost thereof, said map, profile, plans, specifications and estimates to be by said County Engineer, submitted to the State Highway Engineer for approval and upon approval by him, to be filed with the County Clerk of Wyandotte County, Kansas, or with the County Clerk of Leavenworth County, Kansas, with certified copies thereof to be filed with the County Clerk of the other county.

AND BE IT FURTHER RESOLVED, and it is hereby ordered that the County Clerk of Wyandotte County, Kansas and spread this resolution at length upon the journal of said county, and prepare, certify, and forward, full, true and correct copies of this resolution to the County Clerk of Leavenworth County.

And upon motion by H. C. Short, Chairman of the Board of Commissioners of Leavenworth County, Kansas, seconded by David Buckland, Commissioner, of Wyandotte County, Kansas, the foregoing resolution, was, by the Board of County Commissioners of Wyandotte County, Kansas and the Board of County Commissioners of Leavenworth County, Kansas, sitting con-jointly, by unanimous vote, all commissioners voting "Aye" adopted and voted spread upon the Journal.

William Beas
County Clerk of Wyandotte County,
Kansas.

IN WITNESS WHEREOF, we have hereunto set our hands at our office in Kansas City, the county seat of Wyandotte County, this 21st day of September, A. D. 1920.

The Board of County Commissioners
of Wyandotte County, Kansas.

Chairman

Commissioner.

Commissioner,

Attest:-

William Bezzo
County Clerk.

Filed:-

September 21st, 1920.

William Bezzo
County Clerk.

TRANSCRIPT OF PROCEEDINGS

of a meeting of the Board of County Commissioners of Wyandotte County, Kansas, in regular session relative to the issuing of bonds for the purpose of paying the costs of the improvement of the Daniel Joyce Road in Wyandotte County, Kansas, fixing the details of such issue.

BE IT KNOWN, That the Board of County Commissioners of Wyandotte County, Kansas, met in regular session at the Court House this 2nd. day of May 1921; present, David Buckland, Chairman, Samuel Clarke, Commissioner, and Peter Kramer, Commissioner, the full membership of the Board, and William Beggs, County Clerk; the following resolution was offered with relation to the issue of bonds for the improvement of the Daniel Joyce Road; and on motion of Clarke, Commissioner, seconded by Kramer, Commissioner, and carried by unanimous vote of the Board, all commissioners voting "aye", was adopted and ordered spread at length upon the Journal:

WHEREAS, there was filed with the Board of County Commissioners of Wyandotte County, Kansas, on the 19th day of June, 1919, a petition for the permanent improvement for a certain public road in Wyandotte County, Kansas, known as the "Daniel Joyce Road", the terminal points and other special fixed locations of said road being particularly described as follows in said petition, and as well there was designated therein the lines within the proposed benefit district, the type of permanent improvement and the width of roadway desired, and the number of annual assessments to be levied upon the land in said benefit district, in payment of such improvement, the number of such annual assessments being twenty; and

WHEREAS, said petition was signed by more than 51% of the resident land owners owning at least 35% of the land within such benefit district, and also by more than 35% of the resident land owners owning 51% of the land within said benefit district; and

WHEREAS, said road is a regularly laid-out road in Wyandotte County, Kansas; and

WHEREAS, the Board of County Commissioners thereafter found and declared said improvement to be a public utility and caused an accurate survey to be made of such road by the County Engineer of Wyandotte County, Kansas, and a careful estimate of the cost of such improvement under oath, with plans, profile and specifications thereof, together with a map showing the several tracts of land within said benefit district, and after being approved by the State Highway Engineer of Kansas caused the same to be filed in the office of the County Clerk of Wyandotte County, Kansas; and

WHEREAS, said petition described a road legally established and laid out, but for the making of the improvements thereon additional right-of-way was necessary and additional land was necessary for the purpose of re-locating said road and of eliminating sharp turns and other dangerous places, and the Board of County Commissioners have caused all necessary proceedings to be taken therefor and have acquired such additional land and have re-located a portion of said road and eliminated all dangerous places and sharp turns thereon, and have in all respects complied with Section 3 of Chapter 246 of the Laws of Kansas of 1919 in respect to the making of changes in such road and the acquisition of additional land therefor and the allowance of claims for damages in respect thereto; and

WHEREAS, the estimates of the cost of the improvement of said Daniel Joyce Road from the Leavenworth Road in Wyandotte County to a point one mile north thereof, as described in said petition, shows the total approximate cost to be \$45,013.22; and

WHEREAS, on the 8th day of November, 1920, there was duly let to the Davidson Construction Company of Kansas City, Missouri, a contract for the earth work, culverts and pavement with water bound macadam of said Daniel Joyce Road, in accordance with its bid therefor, pursuant to an advertisement for bids thereon in accordance with the plans and specifications according to law and a contract duly made and entered into with said the Davidson Construction Company for the doing of said work, in which bid and by the terms of said contract it is provided that payment therefor shall be made in bonds at par in lieu of cash; and

WHEREAS, the cost of such improvement under said contract amounts to the sum of \$45,068.22; and

WHEREAS, prior to the completion of the improvement it is necessary to issue bonds of the county payable serially within the time fixed in said petition for levying special assessments for delivery to the contractor from time to time upon the approved partial estimates of the County Engineer as the work progresses, in lieu of cash; and

WHEREAS, the total estimated cost of said improvement to be assessed against the county and townships will be approximately the sum of \$30,000.00; and

WHEREAS, there are to be deducted from the total amount of bonds to be issued by the county no donations, no subscriptions, no state aid, and no federal aid.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE COUNTY, KANSAS:

Section 1. That under and by virtue of the provisions of Chapter 265 of the Laws of Kansas of 1917, as amended by Chapter 246 of the Laws of Kansas, 1919, Wyandotte County in the State of Kansas shall issue its negotiable coupon special improvement bonds in payment of the work done and material furnished in the improvement of the Daniel Joyce Road from the intersection of the Leavenworth Road and said Daniel Joyce Road to a point directly north therefrom one mile to the common meeting point of Sections 23, 24, 25, and 26, all in Quindaro Township, Wyandotte County, Kansas.

Section 2. That the total and aggregate amount for which said bonds shall be so issued prior to the completion of said improvement, be fixed at the sum of \$30,000.00.

Section 3. Said bonds shall be known and denominated as "Wyandotte County Special Improvement Bonds, Series "Daniel Joyce Road"

Section 4. Said bonds shall be numbered consecutively from 1 to 60, both inclusive, and shall be in denomination of \$500.00 each, and shall bear interest at the rate of five per cent (5%) per annum payable semi-annually on the First days of January and July in each year, the interest thereon to be evidenced by interest coupons attached thereto.

Section 5. Said bonds shall bear date the 1st day of May, 1921, and shall become due and payable as follows:

| <u>BONDS NO.</u> | <u>AMOUNT</u> | <u>DUE</u> |
|------------------|---------------|-----------------|
| 1, 2 & 3 | \$1500.00 | January 1, 1922 |
| 4, 5 & 6 | \$1500.00 | January 1, 1923 |
| 7 8 & 9 | \$1500.00 | January 1, 1924 |
| 10, 11 & 12 | \$1500.00 | January 1, 1925 |
| 13, 14 & 15 | \$1500.00 | January 1, 1926 |
| 16, 17 & 18 | \$1500.00 | January 1, 1927 |
| 19, 20 & 21 | \$1500.00 | January 1, 1928 |
| 22, 23 & 24 | \$1500.00 | January 1, 1929 |
| 25, 26 & 27 | \$1500.00 | January 1, 1930 |
| 28, 29 & 30 | \$1500.00 | January 1, 1931 |
| 31, 32 & 33 | \$1500.00 | January 1, 1932 |
| 34, 35 & 36 | \$1500.00 | January 1, 1933 |
| 37, 38 & 39 | \$1500.00 | January 1, 1934 |
| 40, 41 & 42 | \$1500.00 | January 1, 1935 |
| 43, 44 & 45 | \$1500.00 | January 1, 1936 |
| 46, 47 & 48 | \$1500.00 | January 1, 1937 |
| 49, 50 & 51 | \$1500.00 | January 1, 1938 |
| 52, 53 & 54 | \$1500.00 | January 1, 1939 |
| 55, 56 & 57 | \$1500.00 | January 1, 1940 |
| 58 59 & 60 | \$1500.00 | January 1, 1941 |
| | \$30000.00 | |

Section 6. Said bonds and the interest thereon shall be payable at the office of the Treasurer of the State of Kansas in the City of Topeka, Kansas.

Section 7. Each bond shall bear on its face the amount thereof, the rate of interest it bears, the number of such bond, the date of issue, when and where payable, for what purpose issued, and shall be made payable to bearer and each bond, together with the coupons thereto attached, shall be signed by the Chairman of the Board of County Commissioners of Wyandotte County, Kansas, and attested by the Clerk of said County, and each bond shall have the impression of the seal of the county thereon; provided, however, that the signatures on the coupons may be by lithographic facsimile

Section 8. Each said bonds and each of the coupons thereto attached, as heretofore enumerated, shall except as to numbers and dates of maturity, be substantially in the following form;

UNITED STATES OF AMERICA
The State of Kansas, County of Wyandotte.

No. _____

\$500.00

KNOW ALL MEN BY THESE PRESENTS: That the County of Wyandotte in the State of Kansas acknowledges itself to owe, and for value received hereby promises to pay to the bearer the principal sum of Five Hundred Dollars (\$500.00), in lawful money of the United States of America, at the office of the Treasurer of the State of Kansas, in the City of Topeka, in said state, on the First day of January, 1922, together with interest on said sum from the date hereof until paid, at the rate of five (5) per cent per annum, payable semi-annually on the First days of January and July in each year, upon presentation and surrender of the interest coupons hereto attached, as such coupons severally become due.

And for the prompt payment of the principal of this bond, with interest as aforesaid, as said payments respectively mature, the full faith, credit, revenue and resources of said county are hereby irrevocably pledged.

This bond is one of a series of sixty (60) bonds of like tenor except as to dates of maturity and numbers, issued by the County of Wyandotte in the State of Kansas for the purpose of paying the cost of the improvement of the Daniel Joyce Road (Prior to completion) in Wyandotte County, Kansas, under and in accordance with a resolution duly passed by the Board of County Commissioners of Wyandotte County, Kansas, at a regular meeting of said Board on the 2nd day of May, A. D. 1921, and is in all respects issued in full compliance with the provisions of the Laws of Kansas. And it is hereby certified and recited that all the acts, conditions, proceedings and things required by the laws of the State of Kansas to be done and performed precedent to and in the issuance of this bond have properly been done, happened and performed in the manner required by law and in regular and due time; that the indebtedness to pay which this bond is issued was at the time it was incurred and at the time of the issuance of this bond, a valid and subsisting indebtedness of said County, and that the total indebtedness of such County, including this bond, does not exceed any constitutional or statutory limitations.

IN TESTIMONY WHEREOF, the County of Wyandotte, in the State of Kansas, has caused this bond to be signed by the Chairman of the Board of County Commissioners and to be attested by the Clerk of the County under the seal of the county, and the interest coupons hereto attached to be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County in printed fac-simile, this First day of May, A.D. 1921.

David Buckland
Chairman of the Board of County
Commissioners of Wyandotte County, Kansas.

\$12.50

On the First day of January-July, 19____, the County of Wyandotte in the State of Kansas, promises to pay to the bearer, the sum of Twelve and 50/100 Dollars (\$12.50) in lawful money of the United States of America, at the office of the Treasurer of the State of Kansas in the City of Topeka in said state, in payment of six months' interest due on that date, being one semi-annual installment of interest on its Special Improvement Bond, Series Daniel Joyce Road, dated May, 1, 1921.

Chairman of the Board of County
Commissioners of Wyandotte County, Kansas

Attest:

William Beago
County Clerk of Wyandotte
County, Kansas.

(NOTE TO THE PRINTER.)

(The coupon will be in the above form and for the above amount with the exception of Coupon No.1, which should be for \$4.17, and instead of being for six months interest, the first coupon is for two months interest only.)

(FORM OF COUNTY CLERK'S CERTIFICATE.)

State of Kansas,)
County of Wyandotte.)

I, William Beggs, County Clerk of said county, hereby certifies that the bond has been legally and regularly issued; that the signatures thereto are genuine and that the same has been registered in my office according to law.

IN WITNESS WHEREOF, I have hereunto set my hand affixed the seal of Wyandotte County at my office in Kansas City, Kansas, this First day of May, A.D.1921.

William Beggs
County Clerk of Wyandotte County, Kansas

(FORM OF CERTIFICATE FOR AUDITOR OF STATE .)

OFFICE OF THE AUDITOR OF THE STATE OF KANSAS.

I, N.A. Turner, Auditor of the State of Kansas, hereby certify that the within bond has been regularly and legally issued; that the signatures thereto are genuine and that the same are duly registered in my office according to law.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of my office in the City of Topeka, State of Kansas, this ___ day of May, A.D.1921.

Auditor of the State of Kansas,

Section 9. That said bonds shall be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County under the seal of the County, and all interest coupons thereto attached shall be signed by the Chairman of the Board of County Commissioners, and attested by the County Clerk in printed fac-simile, and when so executed said bonds shall be registered by the County Clerk of Wyandotte County, Kansas, after which they shall be presented to the Auditor of the State of Kansas for registry by him.

Section 10. The County Clerk of Wyandotte County shall register the bonds herein authorized to be issued, in a book to be kept for that purpose, which registry shall show the date, number, amount of each bond, to whom issued, for what purpose, when and where payable, when said coupons or bonds shall be paid; and when said coupons or bonds are paid that fact shall be noted on the register and the bonds or coupons so paid shall then and there be destroyed in the presence of the Board of County Commissioners.

Section 11. That the Board of County Commissioners by its Chairman, and the Clerk of said County are hereby authorized and directed to procure the registry of such bonds by the Auditor of the State of Kansas, in accordance with the law, and after said bonds are registered in the office of the Auditor of State they shall be sold at not less than par in the manner provided by law, but none of the proceeds derived from the sale of said bonds shall be appropriated or used or spent for any purpose other than to pay for the improvement of the said road, as hereinbefore specified; namely, the improvement of the Daniel Joyce Road, as hereinbefore specified, and said bonds may be delivered to the contractor in payment of said improvement instead of being sold and the proceeds used in payment thereof.

Section 12. The full faith and credit of Wyandotte County, Kansas, shall be and it is hereby irrevocably pledged for the full payment of said bonds and interest thereon, and for the purpose of paying the interest on said bonds and for the purpose of paying the principal and interest thereon, when the principal becomes due, the Board of County Commissioners of Wyandotte County, Kansas, shall annually levy upon all of the taxable property of the county and of the townships in proper proportions, a tax sufficient to pay said interest and to pay said principal as said bonds become due.

IN WITNESS WHEREOF, the undersigned, constituting the Board of County Commissioners of Wyandotte County, in the State of Kansas, hereby attach their signatures this 2nd day of May, 1921, at Kansas City, the seat of Wyandotte County, in the State of Kansas.

The following Resolution was offered by Kramer, Commissioner, and upon motion of Kramer, Commissioner, seconded by Clarke, Commissioner, and unanimously carried, all commissioners voting "Aye" was adopted and ordered spread upon the Journal.

R E S O L U T I O N

In Reference to the Construction of a Bridge across
The Kansas River at Seventh Street extended South,

WHEREAS, heretofore, to-wit, and on or about the 4th day of May 1916, under the provisions of Sections 1315 and 1316 of the General Statutes of Kansas, 1915, the City of Kansas City, Kansas, granted unto the Kansas City Terminal Railway Company a franchise for the operation of certain railways in Kansas City, Kansas, which franchise is still in full force and effect, and which contains provisions for the construction or partial construction by such railway company of a viaduct or viaducts within fifteen hundred (1500) feet of the Kansas River aforesaid, at Seventh Street extended south, said Kansas River being a navigable river; and

WHEREAS, under and by virtue of the provisions of said franchise the City of Kansas City, Kansas, and said Kansas City Terminal Railway Company are about to construct said viaduct upon Seventh Street in Kansas City, Kansas, to a point within at least fifteen hundred feet from the north bank of the Kansas River at said location; and

WHEREAS, said City of Kansas City, Kansas, and said Kansas River are both located within Wyandotte County, Kansas; and

WHEREAS, under and by virtue of an act of the Legislature of the State of Kansas of 1921, being Senate Bill No. 122, approved March 21, 1921, the Board of County Commissioners of Wyandotte County, Kansas, is authorized and empowered to construct and erect a bridge over such River in connection with the building of such viaduct and joining such viaduct, and for the purpose of paying the cost and expense of the erection and construction thereof is authorized to issue the bonds of Wyandotte County, without the same being authorized by any election called or held for that purpose, but not exceeding in amount the sum of one million (\$1,000,000) dollars for such bridge, and subject to all of the provisions of Chapter 215 of the Session Laws of 1905 and acts amendatory thereof and supplemental thereto; and

WHEREAS, by an Act of the Legislature of 1921, the City of Rosedale, Kansas, has been consolidated with the City of Kansas City, Kansas, said consolidation to become effective as of the first day of August, 1921, to be thereafter known as Kansas City, Kansas, and it is proposed by the City of Kansas City, Kansas, to construct a traffic way from Kansas City, Kansas, as it now exists, to Rosedale, as it now exists, over, along and upon Seventh Street in Kansas City, Kansas, including the viaduct aforesaid to be constructed as a part thereof by Kansas City, Kansas, and the Kansas City Terminal Railway Company.

NOW THEREFORE, BE IT RESOLVED By the Board of County Commissioners of Wyandotte County, Kansas, and it is hereby determined and ordered that under and by virtue of the provisions of an Act of the Legislature of the State of Kansas of 1921, being Senate Bill

No. 122, approved March 21, 1921, Wyandotte County in the State of Kansas shall construct and erect a bridge over the Kansas River at Seventh Street in Kansas City, Kansas, extended south, said bridge to be erected in connection with and joining a viaduct to be built and constructed by the City of Kansas City, Kansas, and the Kansas City Terminal Railway Company, under the provisions of the franchise of said The Kansas City Terminal Railway Company granted by virtue of Sections 1315 and 1316 General Statutes of Kansas for the year 1915.

AND BE IT FURTHER RESOLVED AND IT IS HEREBY ORDERED, that the County Surveyor of Wyandotte County, Kansas, is hereby directed to forthwith make all necessary surveys and investigations and prepare plans and specifications for the construction of such bridge and the approaches thereto, together with an estimate, under oath, of the cost thereof, and file such plans, specifications and estimate in the office of the County Clerk of this county;

AND BE IT FURTHER RESOLVED AND IT IS HEREBY DETERMINED that such bridge shall be constructed under a written contract made and awarded to the lowest responsible bidder upon sealed proposals therefor based upon the plans and specifications so to be prepared and filed in the office of the County Clerk of this county; and

BE IT FURTHER RESOLVED, AND IT IS HEREBY DETERMINED, that the cost of the construction of said bridge shall not exceed the sum of one million dollars (\$1,000,000).

AND BE IT FURTHER RESOLVED that the Board of County Commissioners of Wyandotte County, Kansas, reserves the right to approve, reject or otherwise consider the plans, specifications, surveys and estimates of the County Surveyor so made and filed with the County Clerk under this Resolution, and to modify, alter or change the same at will, and the right to accept or reject, or otherwise consider any and all bids to be filed for and in behalf of said proposed construction.

AND BE IT FURTHER RESOLVED that the County Clerk spread this Resolution at length upon the Journal.

April 25th. 1921.

Pursuant to adjournment taken upon April 21st. 1921, the Board of County Commissioners met for the transaction of business.

April 28th.1921

Pursuant to adjournment taken upon April 25th.the Board of County Commissioners met for the transaction of business.

Present David Buckland, Chairman, Samuel Clarke and Peter H Kramer.

Journal of previous meeting read and approved.

Motion by Peter H Kramer seconded by Samuel Clarke that communication from County Counselor reference Bridge Laws of 1921, be received and placed on file.

Motion by Peter H Kramer, seconded by Samuel Clarke that following resolution reference proposed improvement of Federal Aid Road be adopted. Motion carried.

STATE OF KANSAS

KANSAS HIGHWAY COMMISSION

FINAL RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS
OF Wyandotte COUNTY, KANSAS.

ON PROPOSED IMPROVEMENT OF FEDERAL AID ROAD.

RESOLVED by the Board of County Commissioners of said county, that the section of county road described as follows to wit:

Beginning at a point on the county road designated by the State Highway Commission as a proposed federal aid road, said point being the southwesterly city limits of Rosedale and extending thence along said road to the county line between Wyandotte and Johnson counties.

a distance of two miles, more or less, to the point of ending, as initiated by the preliminary resolution of this board passed April 28th, 1921, be improved as a federal aid road, and that the construction and maintenance work be carried out under the direct supervision of the State Highway Commission, acting as agent for said county, as required in the Federal Aid Road Act and as authorized in chapter 264 of the Session Laws of Kansas 1917, and amendments thereto, subject to the inspection and approval of the Secretary of Agriculture and in accordance with the rules and regulations adopted by the Secretary.

This action of the Board of County Commissioners being in accordance with the decision of the State Highway Commission to recommend federal aid to the amount of fifty (50) per cent of the entire cost of improving federal aid roads, not including the cost of surveys, preparing plans, specifications and estimates prior to the beginning of construction work.

FURTHER RESOLVED, That the cost of all inspection required on the work, and of any resident engineers deemed necessary by the State Highway Commission, shall be made a charge against the improvement, but shall be paid monthly by the county as the work progresses. This action of the county board being with the understanding that the cost of the engineering supervision given the work, by the regular force of the State Highway Commission, will be paid by the state, and that the inspectors and any resident engineers used on the work will

be selected by and work under the direct supervision of the State Highway Commission. FURTHER RESOLVED, That this board pledges the good faith of said Wyandotte county, Kansas, to construct this improvement and maintain said road as required in the Federal Aid Road Act and chapter 264 of the Session Laws of Kansas of 1917 and amendments thereto.

I hereby certify that the above final resolution was adopted by the Board of County Commissioners at its meeting on the 28th day of April 1921.

Given under my hand and seal, this 28th day of April 1921.

William Bequa
County Clerk.

(SEAL)

of Wyandotte County

Motion by Samuel Clarke seconded by Peter H Kramer that following Resolution reference to building a bridge across the Kansas River at the Street be adopted.

R E S O L U T I O N

WHEREAS, The Board of County Commissioners have passed a resolution to build a bridge across the Kansas River at Seventh Street in Kansas City, Kansas, extended South, under the provisions of an Act of the Legislature of 1921, being Senate Bill No. 122, approved March 21, 1921; and

WHEREAS, said law is in certain particulars ambiguous, doubtful and uncertain, and whereas, by virtue of a recent Act of the Legislature it is possible to bring a suit to test the validity of said law and to obtain a declaration of the true meaning thereof prior to any actual antagonistic assertion and denial of rights;

NOW THEREFORE, BE IT RESOLVED, AND IT IS HEREBY ORDERED that the County Counselor of Wyandotte County, Kansas, be instructed and empowered forthwith to bring such action or actions for the purpose of determining the validity, scope and application of said Law under which said resolution to build such bridge at Seventh Street was adopted, as in his judgement shall be sufficient and proper in the premises, and to obtain at the earliest possible moment an interpretation and judgement upon said law;

AND BE IT FURTHER RESOLVED that this Resolution be spread upon the Journal.

Upon Motion of Peter H Kramer, Commissioner, seconded by Clarke, Commissioner, and unanimously carried, all Commissioners voting "Aye", the foregoing resolution was adopted and ordered spread upon the Journal.

Motion by Samuel Clarke seconded by Peter H Kramer that petition covering territorial Road No. Six be referred to County Engineer and County Counselor to be checked as to legality and as to required number of signers. Motion carried.

\$500.00

No. _____

State of Kansas, County of Wyandotte

SPECIAL IMPROVEMENT BOND
"Daniel Joyce Road"

KNOW ALL ME BY THESE PRESENTS, That the County of Wyandotte in the State of Kansas acknowledges itself to owe and for value received hereby promises to pay to the bearer the principal sum of

FIVE HUNDRED DOLLARS
(\$500.00) in lawful money of the United States of America at the office of the Treasurer of the State of Kansas, in the City of Topeka in said State, on the 1st day of January, 1931,

together with interest on said sum from the date hereof until paid, at the rate of Five per cent per annum, payable semi-annually on the first days of January and July in each year, upon presentation and surrender of the interest coupons hereto attached, as such coupons severally become due.

And for the prompt payment of the principal of this bond, with interest as aforesaid, as said payments respectively mature, the full faith, credit, revenue and resources of said County are hereby irrevocably pledged.

This bond is one of a series of sixty (60) bonds of like tenor, except as to dates of maturity and numbers, issued by the County of Wyandotte in the State of Kansas, for the purpose of paying the cost of the improvement of the "Daniel Joyee Road" (Prior to completion) in Wyandotte County, Kansas, under and in accordance with a resolution duly passed by the Board of County Commissioners of Wyandotte County, Kansas, at a regular meeting of said Board on the second day of May, A.D. 1921, and is in all respects issued in full compliance with provisions of the Laws of Kansas.

And it is hereby certified and recited that all the acts, conditions, proceedings and things required by the Laws of the State of Kansas, to be done and performed in the manner required by law and in regular and due time; that the indebtedness to pay which this bond is issued, was at the time it was incurred and at the time of the issuance of this bond, a valid and subsisting indebtedness of said county, and that the total indebtedness of such County, including this bond, does not exceed and constitutional or statutory limitation.

IN TESTIMONY WHEREOF, the County of Wyandotte in the State of Kansas has caused this bond to be signed by the Chairman of the Board of County Commissioners and to be attested by the Clerk of the County under the seal of the County, and the interest coupons hereto attached to be signed by the Chairman of the Board of County Commissioners and attested by the Clerk of the County in printed facsimile, this first day of May, A.D. 1921.

Attest

County Clerk of Wyandotte
County, Kansas.

Chairman of the Board of County Commissioners of Wyandotte County, Kansas.

May 16th. 1921

Pursuant to adjournment taken May 12th. 1921, the Board of County Commissioners met for the transaction of business.

Present David Buckland, Chairman Samuel Clarke and Peter H Kramer.

Journal of previous meeting read and approved.

On motion Samuel Clarke, seconded Peter H Kramer that the resolution authorizing the issue of County road improvement bonds of Wyandotte County, Kansas for the purpose of paying a portion of the cost of the improvement of Section A Project 52 Fort to Fort Highway be adopted and spread at length upon the journal.

2. That all of the above described road is a part of the present county road system of Wyandotte County, Kansas, duly constituted as such by law; that the improvement by grading, draining, and surfacing of said road with Concrete or Brick or Asphalt for a width of 18 feet, and building of all necessary culverts; all in accordance with the plans, specifications and estimates, approved by the State Highway Engineer and the United States Secretary of Agriculture, is an immediate necessity and is of general public utility.

That the sum of Ten Thousand dollars is available from the General Bridge Fund of said Wyandotte county, Kansas to make the above stated improvements.

That said road hereinbefore described be improved in the manner above stated, and that the County Engineer of said County of Wyandotte shall cause an accurate survey to be made of said road, together with plans and specifications for the improvements herein ordered, and an estimate of the cost of such improvements; and that after final approval of such plans, specifications and estimates by the State Highway Engineer, they be filed with the County Clerk of this county as required by law.

That the sum of Ten Thousand dollars is available from the General Bridge Fund of said Wyandotte County, Kansas, to make above stated improvements.

It is further resolved; That the sum of Forty Thousand dollars be and the same is hereby appropriated and set aside from the General Road Fund of Wyandotte County, Kansas, for the purpose of making the above described improvements upon the above described road and for no other purpose, and said fund shall be known as the Special Improvement Fund of Southwest

Boulevard.

 Wyandotte County,) ss.

I hereby certify, that, as County Clerk of Wyandotte County, Kansas, I am the custodian of all the records of the proceedings of the Board of County Commissioners, and that the above transcript is a full, true and complete copy of the record of the proceedings of the Board with reference to the Order and Resolution concerning the improvement of the Southwest Boulevard Road in said county as same remains of record in my office.

Witness my hand and the seal of said County, at Kansas City, Kansas.

May 16th, 1921.

William Beggs
 County Clerk.

ORDER AND RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS. See Page 539
 of Wyandotte County, Kansas.

For the improvement of Southwest Boulevard Road, by the use of the

GENERAL ROAD FUND

Now, on this 28th day of April, 1921 at a duly constituted and regular meeting of the Board of County Commissioners of Wyandotte County, Kansas, and all members of said Board being present, the matter of the improvement of the Southwest Boulevard Road comes up for final consideration and action by said Board; and having carefully considered said proposed improvement, and having made an examination of the present condition of said road, and being fully advised in the premises, finds as follows:

1. That said road is more particularly described as follows to wit: Beginning at the southwesterly city limits of Rosedale, thence southwesterly two miles to the county line between Wyandotte and Johnson counties.

RESOLUTION

Authorizing the issue of County Road Improvement Bonds of Wyandotte County, Kansas, for the purpose of paying a portion of the cost of the improvement of Section "A", Project 52, Fort-to-Fort Highway.

EARTH WORK AND CULVERTS

BE IT KNOWN, that the Board of County Commissioners of Wyandotte County, Kansas, met in regular session at the Court House this 16th day of May, 1921; present, David Buckland, Chairman, Samuel Clarke, Commissioner, and Peter Kramer Commissioner; a full membership of the Board and William Beggs, County Clerk; the following resolution was offered with relation to the issue of bonds for the improvement of Section "A", Project 52, Fort-to-Fort Highway, earth work and culverts only; and on motion of Clarke, Commissioner, seconded by Kramer, Commissioner, and carried by the unanimous vote of the Board, all Commissioners voting "Aye", was adopted and ordered spread at length upon the Journal:

"WHEREAS, there was filed with the Board of County Commissioners of Leavenworth County, Kansas, on the Second day of February, 1918, a petition for the permanent improvement of a certain public road, situated in Leavenworth and Wyandotte Counties, in the State of Kansas, and upon the County Line between said Counties, known as the Fort-to-Fort Highway, and later designated by the State Highway Commission of Kansas as Federal Aid Project No. 52, the terminal points and other specially fixed locations of said road being particularly described in said petition, and as well, there was designated therein the lands within the proposed benefit districts, both in the County of Leavenworth and the County of Wyandotte, the type of permanent improvement and width of roadway desired, and the

annual assessments to be levied upon the lands in said benefit district in payment of such improvements, the said number of annual assessments being fifteen; and,

"WHEREAS, the Board of County Commissioners of Leavenworth County, Kansas, did, at a regular meeting of said Board, held on the Fourth day of February, 1918, find that the improvement prayed for was one of the public utility, that said petition was signed by individuals owning more than sixty per cent of the land within the district, defined by said petition, in Leavenworth County, and that the said petition properly designated the road to be improved, both by name and terminal points and by other specially fixed locations, and that the petition definitely designated the lands within the proposed benefit district, the type of permanent improvement, the width of roadway and the number of annual assessments to be levied upon said lands in payment of said improvements, which was in said petitions designated as fifteen, and that said petition was in all respects in compliance with the provisions of the statutes of the State of Kansas; which matters have been made to appear to this, the Board of County Commissioners of Wyandotte County, Kansas, by a duly certified copy of the proceedings of said Board, filed in the office of the Board of County Commissioners of this County; and,

"WHEREAS, thereafter, a certified copy of said petition so filed in Leavenworth County, was transmitted by the County Clerk, of Leavenworth County, to the Board of County Commissioners of Wyandotte County, and filed in the office of the County Clerk of Wyandotte County according to law; and,

"WHEREAS, Leavenworth County and Wyandotte County are adjoining counties, and the road in said petition described is situated in both Leavenworth County and Wyandotte County, and upon the county line between said two counties, and the improvement thereof covers portions of said road in both of said counties, and upon the county line between said counties; and,

"WHEREAS, thereafter, the Board of County Commissioners of Wyandotte County, Kansas, did, on the 16th. day of June, 1919, at a regular meeting, find that the improvement prayed for in said petition was a public necessity and of public utility, and that it was necessary and proper that it be improved and paved as prayed for in said petition, and then and there duly approved and granted said petition, and on said date ordered that a notice be published in the official county paper designating the First day of July, 1919, at ten o'clock A.M. as the time for the Board to meet and hear protests and objections, if any there should be, in respect thereto, and a copy of said notice was ordered by said Board to be mailed to each of said petitioners and all persons owning property in the benefit district; all of which was accordingly done; and,

"WHEREAS, thereafter, and on the First day of July, 1919, in pursuance of law, the Board of County Commissioners of Leavenworth County, Kansas, and the Board of County Commissioners of Wyandotte County, Kansas, acting in conjunction for the purpose of carrying on the said improvements under the provisions of Section 12 of Chapter 265 of the Laws of Kansas, of 1917, as amended, met jointly in the office of the County Commissioners of Wyandotte County, Kansas, at Kansas City, and jointly acting, found, declared and held said improvement to be of public utility, and ordered said petition granted, approved, and the improvements therein prayed for to be made, according to law; all of the members of both said Board voting "Aye" thereon; and

"WHEREAS, thereafter, the County Clerk, of Wyandotte County, Kansas, in pursuance of an order of the Board of County Commissioners, of Leavenworth and Wyandotte Counties, acting jointly, caused to be published in one issue of the official county paper, the order of said Boards finding and declaring said improvement to be of public utility, as aforesaid, and,

"WHEREAS, it was, by the Board of County Commissioners, of Leavenworth County, Kansas, found that said petition was in due form of law, and contained the signatures of the owners of sixty per cent of the lands within the benefit district in Leavenworth County; and it was, by the Board of County Commissioners of Wyandotte County, found, held, and declared that said petition was in due form of law, and contained the signatures of the owners of sixty per cent of land within the benefit district within Wyandotte County, and it was by the Board of County Commissioners of Leavenworth County, Kansas and the Board of County Commissioners of Wyandotte

County, Kansas, acting in conjunction, found and held that said petition was in due form of law, and contained the signatures of sixty per cent of the owners of land within the entire benefit district, described in said petition; and,

"WHEREAS, it has been found by the Board of County Commissioners of Wyandotte County, Kansas, that said petition definitely designated the lands within the proposed benefit district within this county, the type of permanent improvement and the width of roadway and the number of annual assessments to be levied upon the said lands in said district in payment of said improvement, said number of annual assessments to be fifteen; and,

"WHEREAS, thereafter, the Board of County Commissioners of Wyandotte County, Kansas, and the Board of County Commissioners of Leavenworth County, Kansas, acting in conjunction, duly caused an accurate survey of said road to be made, and a profile thereof, and map of the benefit district in both Counties and plans and specifications for the improvement, and estimates of the cost thereof, to be prepared by the County Engineers of both Leavenworth County and Wyandotte County, which said survey, profile, map, plans, specifications and estimates, have been duly and regularly approved by the State Highway Engineer and filed in the office of the County Clerk of Leavenworth County, Kansas, with certified copies thereof filed in the office of the County Clerk, of Wyandotte County, Kansas; and,

"WHEREAS, said estimates of the cost of the improvement of what is, in said plans and specifications, designated as Section "A", of Project 52, shows the total approximate costs of the doing of the earth work and the building of culverts in said Section "A", to be paid for by said Counties to be Seventy-Two Thousand Five Hundred Thirty-Three Dollars, and Nineteen Cents (\$72,533.19); and the portion of said highway included in Section "A", lying upon the county line is two miles, there being two miles of said section wholly within Wyandotte County, and the portion of the cost thereof to be paid by Wyandotte County being the sum of Thirty-seven Thousand Seven Hundred Ninety-Seven Dollars and Thirty-Six Cents (\$37,797.36); and,

"WHEREAS, thereafter, and on the 29th. day of December, 1920, there was duly let to James Stanton, a contract for the earth work and culverts on said section "A", Project 52, Fort-to-Fort Highway, in accordance with his bid therefor, pursuant to an advertisement for bids in accordance with the plan and specifications according to law, and a contract duly made and entered into with the said James Stanton for the doing of said work, at and for the price of Fifty-Three Thousand Four Hundred Forty-Four Dollars and Fourteen Cents (\$53,444.14), in which bid and by the terms of said contract it is provided that payment therefor shall be made in road improvement bonds at par; and,

"WHEREAS, the cost of said improvement for said Section "A", Project 52, earth work and culverts, has been by the Board of County Commissioners of Wyandotte County, and of Leavenworth County, duly apportioned between said Counties; Thirty-Seven Thousand Seven Hundred Ninety-Seven Dollars and Thirty-six cents (\$37,797.36) thereof to be paid by Wyandotte County and Fifteen Thousand Six Hundred Forty-six Dollars and Seventy-eight cents (\$15,646.78) by Leavenworth County; and,

"WHEREAS, for the purpose of paying for said improvement under said contract prior to completion of said work it is necessary to issue the bonds of Wyandotte County, Kansas in the sum of twenty-five thousand dollars (\$25,000.00) said amount not exceeding the estimated cost to be assessed against the County and townships within said County, for the proportion of said work and improvement to be paid for by

cash:

"NOW THEREFORE BE IT RESOLVED, by the Board of County Commissioners of Wyandotte County, Kansas

"Section 1. That under and by virtue of Chapter 265 of the Laws of Kansas of 1917, as amended by Chapter 266 of the Laws of Kansas of 1919, and by Chapter 48 of the Laws of Kansas of 1920, Wyandotte County, in the State of Kansas, shall issue its negotiable coupon special improvement bonds in payment of the work done in the construction of culverts and doing the earth work in the improvement of Section "A", of Project 52, Fort-to-Fort Highway, in Wyandotte County, Kansas and on the County Line between Wyandotte county and Leavenworth County, Kansas.

"Section 2. That the total and aggregate amount for which said bonds shall be issued be fixed at the sum of Twenty-five Thousand Dollars.

"Section 3. Said bonds shall be known and denominated as Wyandotte County Special Improvement Bonds, Series Federal Aid Project No. 52, Section "A" Earth Work and Culverts."

"Section 4. Said bonds shall be numbered consecutively from One (1) to Fifty (50), and shall be in denominations of Five Hundred Dollars (\$500.00) each, and shall bear interest at the rate of Five (5) per cent per annum, payable semi-annually on the first days of January and July in each year; the interest thereon to be evidenced by interest coupons attached thereto.

"Section 5. Said bonds shall bear date, the 1st day of April, 1921, and shall become due and payable as follows:

| | |

Section 6. Said bonds and the interest thereon shall be payable at the office of the Treasurer of the State of Kansas, in the City of Topeka.

"Section 7. Each bond shall bear on its face, the amount thereof, the rate of interest it bears, the number of such bond, the date of issue, when and where payable, for what purpose issued, and shall be made payable to bearer; which bond, together with the coupons thereto attached, shall be signed by the Chairman of the Board of County Commissioners of Wyandotte County, Kansas, and attested by the Clerk of Said County and each bond shall have the impression of the seal of the County there; PROVIDED that the signature on the coupons attached to said bonds may be printed facsimile.

"Section 8 Each of said bonds and each of the coupons thereto attached as heretofore enumerated, shall, except as to numbers and dates of maturity be substantially in the following form:

UNITED STATES OF AMERICA
STATE OF KANSAS. COUNTY OF WYANDOTTE.

NO. _____ \$500.00

SPECIAL IMPROVEMENT BOND.

Series- Federal Aid Project- 52- Section "A" Earth Work and Culverts.

KNOW ALL MEN BY THESE PRESENTS:

That the County of Wyandotte in the State of Kansas, acknowledges itself to owe and for value received hereby promises to pay to the bearer, the principal sum of Five Hundred Dollars(\$500.00), in lawful money of the United States of America; at the office of the Treasurer of the State of Kansas, in the City of Topeka in said State, on the 1st day of January 1922, together with interest on said sum from the date hereof until paid at the rate of five (5) percent per annum, payable semi-annually on the first days of January and July in each year, upon presentation and surrender of the interest coupon hereto attached, as such coupons severally become due.

And for the prompt payment of the principal of this bond, with interest as aforesaid, as said payments respectively mature, the full faith, credit, revenue and resources of said county are hereby irrevocably pledged.

This bond is one of a series of fifty (50) bonds of like tenor, except as to dates of maturity and numbers, issued by the County of Wyandotte, in the State of Kansas, for the purpose of paying the cost of the earth work and culverts in the improvement of section "A" of Project 52, Fort-To-Fort Highway, in Wyandotte county in said state, under and in accordance with a resolution duly passed by the Board of County Commissioners of Wyandotte County, Kansas at a regular meeting of said Board on the 16th day of May, A.D. 1921; and is in all respects issued in full compliance with the provisions of Chapter 265 of the Laws of Kansas, 1917, as amended by Chapter 246 of the laws of Kansas, of 1919, and Chapter 48 of the Laws of Kansas of 1920 being an act providing for the improvement of county roads, and amending certain prior acts. And it is hereby certified and recited that all the acts, conditions, proceedings and things required by the Laws of the State of Kansas, to be done and performed precedent to and in the issuance of this bond have properly been done, happened and performed in the manner required by law and in regular and due time; that the indebtedness to pay which this bond is issued, was at the time it was incurred and at the time of the issuance of this bond a valid and subsisting indebtedness of said county, and that the total indebtedness of such County, including this bond, does not exceed any constitutional or statutory limitation.

IN TESTIMONY WHEREOF, the County of Wyandotte, in the State of Kansas, has caused this bond to be signed by the Chairman of the Board of County Commissioners and to be attested by the Clerk of the County, under the seal of the County, and the interest coupons hereto attached to be signed by the Chairman of the Board of Commissioners and attested by the Clerk of the County in printed facsimile, this 1st day of April, A.D. 1921.

Due January 1st.1922.

Interest due January 1st and July 1st.

principal and interest payable at the First Agency of the
State of Kansas, in the City of Topeka, Kansas.

Section 9. That said Bonds shall be signed by the Chairman of the Board of County Commissioners, and attested by the Clerk of the County, under the seal of the County, and all interest coupons thereto attached shall be signed by the Chairman of the Board of County Commissioners and attested by the County Clerk, in printed facsimile, and when so executed, said bond shall be registered by the County Clerk of Wyandotte County, Kansas, after which they shall be presented to the Auditor of the State of Kansas for registry by him.

Section 10. The County Clerk of Wyandotte County shall register the bonds herein authorized to be issued, in a book to be kept for that purpose, which registry shall show the date, number, amount of each bond, to whom issued, for what purpose, when and where payable, when said coupons or bonds shall be paid; and when said coupons or bonds are paid, that fact shall be noted on the register and the bonds or coupons so paid shall then and there be destroyed in the presence of the Board of County Commissioners.

Section 11. That the Board of County Commissioners by its Chairman and the Clerk of said County are hereby authorized and directed to procure the registry of such bonds by the Auditor of the State of Kansas, in accordance with the law, and after said bonds are registered in the office of the Auditor of State, they shall be sold at not less than par in the manner provided by law, but none of the proceeds derived from the sale of said bonds shall be appropriated or used or expended for any purpose, other than to pay for the improvement of said road as hereinbefore specified; namely, the earth work and culverts in the improvement of Section "A", Project 52, Fort-to-Fort Highway, as hereinbefore specified, and said bonds may be delivered to the Contractor in payment of said improvements, instead of the sale of said bonds and the payment of said improvements in cash.

Section 12. The full faith and credit of Wyandotte County, Kansas, shall be, and it is, hereby, irrevocably pledged for the full payment of said bonds and interest thereon, and for the purpose of paying the interest on said bonds and for the purpose of paying the principal and interest thereon when the principal becomes due, the Board of County Commissioners of Wyandotte County, Kansas, shall annually levy upon all of the taxable property of the County and of the townships in proper proportion, a tax sufficient to pay said interest and to pay said principal as said bonds become due.

IN WITNESS WHEREOF, the undersigned, constituting the Board of County Commissioners of Wyandotte County, in the State of Kansas, hereby attach their signatures, this 16th day of May 1921, at Kansas City, the seat of Wyandotte County, in the State of Kansas.

Motion carried.

May 16th.1921.

Board of County Commissioners;

gentlemen:- This is to advise you that I have made an examination of the steel from the old East Kansas Avenue Bridge, and beg to advise you that this material is becoming so badly rusted that it is only a question of a short time until it will not be even fit for junk.

In view of this fact, I hereby suggest that an early disposition of this material will work to the financial advantage of the County.

Permit me to call your attention to the fact that this material was condemned by the State Bridge Engineer about three years ago, and the deterioration has been probably 50% in the elapsed time.

Yours very truly,

O K Williamson
County Engineer

On motion Samuel Clarke seconded Peter H Kramer that petitions to pave gap in the Wilson Road between Lovelace Place and Turner Kansas be received and referred to the County Counselor for an opinion on a new law passed by the 1921 session of the Legislature.

Motion carried

Motion by Samuel Clarke seconded by Peter H Kramer that the Resolution for the improvement of the S W Blvd setting aside a certain fund be received and spread upon the Journal in full. See Page 531 for Resolution

Journal of previous meeting read and approved.

On motion Peter H Kramer, seconded David Buckland that the report of the County Auditor relative to the expenditures on the Bonner Springs Bridge over the Kaw River be received and filed and the County Clerk be instructed to mail one copy of report to the County Clerk of Johnson County instructing him to remit one half of the total amount. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that communication from the County Counselor relative to the remnants of the old Kansas Ave Bridge be received and filed and said communication spread upon the Journal.

May 17, 1921.

Board of County Commissioners,
Wyandotte County,
Kansas.

Gentlemen:-

In reply to your inquiry as to your ability to dispose of the remnants of the old Kansas bridge, permit me to state that inasmuch as your County Engineer together with the State Bridge Engineer has passed on the remnants of this structure, advising that it is but fit for junk, you are empowered under the Statute to sell County property up to the value of \$500. without advertising it or publishing a notice of such sale. Any property you desire to sell in excess of five hundred dollars and up to five thousand dollars, you must cause a notice of your intention to be published in the official county paper. Any property over the value of five thousand dollars that you desire to sell you must not only publish a notice but must further call an election, or submit at a general election your attention to sell, and receive the approval of the voters before you may dispose of property in excess of the value of five thousand dollars.

This bridge, junk as it is now, would, no doubt, have been worth, if sold at one time, more than five hundred dollars, and would have required a notice in the official county paper.

In the event that you have purchasers who want small amounts of said bridge or of said junk, you would under the law be entitled and empowered to sell same, unless you had in mind the intent and purpose of defeating the law, by making several sales just under the five hundred dollar amount. This, however, I dare say you do not contemplate.

You advise that you have a purchaser for a small amount of this junk. It is my opinion that you are therefore empowered and may dispose of same, after having secured from reliable sources the market price paid for junk.

I have taken the liberty, anticipating your order and decision, to draw a resolution, which I would suggest be passed in the event you decide to dispose of any part of said junk.

Respectfully submitted,

J H Brady

On motion Samuel Clarke seconded Peter H Kramer that the resolution relative to the disposal of approximately \$200.00 worth of junk coming from what is known as the old Kansas Avenue bridge be adopted and spread on the journal in full. All members voting "aye".

Motion carried.

RESOLUTION

BE IT RESOLVED By the Board of County Commissioners sitting in regular session this 19th day of May, 1921;

1. That there has been made to the said Board a proposition to purchase approximately two hundred dollars (\$200.00) worth of junk coming from and arising out of what is known as the old East Kansas Avenue Bridge; and
2. That upon request of this Board, the County Engineer has advised in writing, as has the State Bridge Engineer, that the remnants of said bridge will not and cannot be accepted or used in the construction of any bridge, and that said material used in said Kansas Avenue Bridge is not adaptable for or usable other than for junk;
3. The County Counselor has filed a written opinion that it is unlawful and legal to so sell and dispose of said junk;
4. BE IT RESOLVED Therefore that the County Engineer of this County be instructed and empowered to secure and present to this Board, at an early date, the market price for junk of this character.

BE IT FURTHER RESOLVED that said County Engineer be instructed to forthwith dispose of said junk at the best price available, referring back to this Board the result of his investigation, and causing to be weighed and checked all of said junk so sold and delivered.

I, Samuel Clarke move the adoption of the Resolution seconded by Peter H Kramer; all member voting "Aye".

On motion Samuel Clarke seconded Peter H Kramer that communication from the County Engineer relative to a drain at the entrance of Mr. Ways farm on the Wilson road be received and filed and the County Engineer be instructed to proceed with the work. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that the County Clerk be instructed to notify the County Surveyor to make a survey of the Delaware and Wyandotte Road from Leavenworth to Parallel Road. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that the communication from the County Engineer relative to the construction of twomore panels of bridge on each end of the present Anderson Bridge over Conner Creek be received and filed and the Road Superintendent be instructed to proceed with the work. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that East $\frac{1}{2}$ of lot 4 and two feet off of east side of West $\frac{1}{2}$ of said lot 4 Block 15 in riverview Addition be exempted from taxes account church property. St Marys Greek Catholic Church. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that the list of names of judges and clerks for the Bonner High School Election to be held Monday May 23rd. be approved and the County Clerk be instructed to serve notice on them of same. Motion carried.

On motion Peter H Kramer seconded Samuel Clarke that road petition signed by George Monahan and others be received and the board of County Commissioners act as viewers on the 21st day of June 1921. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer that communication from the County Treasurer relative to the Commercial State Bank of Bonner Springs Kansas be received and filed. Motion carried.

On motion Samuel Clarke seconded Peter H Kramer the benefit District petition for Road improvement known as the D B Matney Road be received and referred to the County Engineer and the County Counselor. Motion carried.

No other business appearing the Board adjourned.

KANSAS HIGHWAY COMMISSION.

Approved by State Highway Commission of Type, Width and Number of Annual Assessments for Road Improvement.

-DANIEL JOYCE ROAD-

RESOLVED, That the action of the Board of County Commissioners of Wyandotte County, Kansas, designating as their final choice the following:

Type Waterbound Macadam

Width 16 feet

Number of annual assessments 20

for the improvement of the following-described public highway, to-wit:

Beginning at the intersection of the Daniel Joyce Road and the Leavenworth Road and extending north for a distance of 1 miles, more or less, to the point of ending, be and the same is hereby approved.

STATE HIGHWAY COMMISSION.

(Signed) Henry J. Allen.
Chairman

Dated at Topeka, Kansas, this 23rd day of June 1921 .

Attest: (Signed M W Watson.
Secretary.

(SEAL)

Form No. 0 11.

Be it remembered that the Board of County Commissioners of Wyandotte County, Kansas met in regular session, at the Court House in Kansas City, on Monday, the 23rd day of May, 1921: Present David Buckland, Chairman, Samuel Clarke, Commissioner and Peter H Kramer Commissioner, a full membership of the Board and William Beggs, County Clerk.

Upon motion of Kramer, Commissioner, seconded by Clarke, Commissioner, and carried by the unanimous vote of the Board, all Commissioners voting "Aye", the following resolution was adopted and ordered spread on the Journal:

R E S O L U T I O N

IN RELATION TO THE DANIEL JOYCE ROAD, IN WYANDOTTE COUNTY, KANSAS.

WHEREAS, a petition was filed with the County Clerk, of Wyandotte County, Kansas, on the 19th day of June, 1919, for the improvement of the Daniel Joyce Road, in Wyandotte County, from its intersection with the Leavenworth Road, north one mile to the common meeting points of Section 23, 24 25 and 26, all in Quindaro Township, Wyandotte County, Kansas, which petition left to the option of the Board of County Commissioners, the final determination as to the width of road to be constructed, whether fifteen (15) feet, sixteen (16) feet, or eighteen (18) feet, and also the type and character of the pavement to be used, whether concrete, water-bound macadam, or brick on a concrete base, and also the number of annual assessments in which the improvement is to be paid for, not less than ten (10) nor more than twenty (20); and,

WHEREAS, thereafter, and on the 7th day of July 1919, the Board of County Commissioners in regular session adopted and passed a resolution upon the report of

O K Williamson, The County Engineer, that the petition for said improvement was sufficient, approving the report of said O K Williamson on the sufficiency of said road and ordering his report filed, and finding and declaring the improvement of said road to be a public necessity and of public utility, and that it was necessary that the same be paved as petitioned for and ordering a notice to be published, designating July 24th. 1919 at 2:00 o'clock P.M. as the time when the Board of County Commissioners would meet to hear protests and objections, and ordering said improvement made, and designating O K Williamson, the County Engineer, to take charge of said improvement, and to take all necessary steps for the building of said highway and the doing of said improvements: and,

WHEREAS, said resolution was thereafter duly published in the Kansas City Weekly Press, the official county paper of Wyandotte County, on the 11th day of July, 1919, in one issue of said paper, and more than ten days before the date set for the meeting to hear protests: and,

WHEREAS, at said meeting to hear protests, there were but two (2) persons living on said Road who offered objections to the making of said improvements and said objections, were by the Board not deemed or considered sufficient to change, alter or modify their decision, and resolution of July 7th ordering said improvements to be made, no other further or different action was taken thereon: and,

WHEREAS, the County Engineer plans and specifications, a profile of said road and a map thereof and a map of the Benefit District and his sworn estimate of the cost of said improvement and caused the same to be approved by the State Engineer, and to be filed in the office of the County Clerk of Wyandotte County, Kansas, in which said approved plans and specifications, said improvement was as to width, fixed at sixteen (16) feet, and as to character, fixed and designated as water-bound macadam; and,

WHEREAS, the Board of County Commissioners, exercising the option reposed in them by law decided that said improvement should be paid for in twenty (20) annual installments, and fixed the number of annual installments in which the improvement should be paid for at twenty (20); and,

WHEREAS, through inadvertance, the Journal entry and record of the meeting of the Board of County Commissioners of July 24th, 1919, do not show that the Board of County Commissioners did, notwithstanding the objections of the two objections appearing at said meeting, order said improvement to be carried on in accordance with their resolution of the 7th. of July, and ordered that said road should be paved with water-bound macadam for a width of sixteen (16) feet, and ordered that said improvement should be paid for in twenty (20) annual installments, notwithstanding the fact that such orders were at said meeting duly made by the Board of County Commissioners;

NOW THEREFORE BE IT RESOLVED, that the County Clerk of Wyandotte County, Kansas be and is hereby instructed, empowered, authorized and directed to make an entry on the Journal as to the 24th. day of July, 1919, stating the true facts in relation to said matters as they occurred on said day and supply the inadvertent omissions on said Journal; and,

AND IT IS FURTHER RESOLVED, that the County Clerk be and he is hereby instructed, authorized, empowered and directed to enter an order on the Journal, the 24th. day of July, 1919, that said Daniel Joyce Road be improved by paving the same for a width of sixteen (16) feet with water-bound macadam, and that said improvement be paid for in twenty (20) annual installments; and,

BE IT FURTHER RESOLVED, that all proceedings heretofore had in relation to the improvement of said Daniel Joyce Road and the plans and specifications therefore and the map and profile of said road and the estimate of the County Engineer for the cost thereof, be and they are hereby ratified and approved; and,

BE IT FURTHER RESOLVED, and it is hereby found and determined that said petition was and is in due form of law and was signed by more than fifty-one (51) percent of the resident land owners, owning at least thirty five per cent (35%) of the land within the Benefit District therein described and also by more than thirty-five (35) percent of the resident land owners owning fifty-one (51) percent of the land within said benefit district, and that said petition correctly describes said road which is, and was at the time it was

filed, a part of the County Road System of Wyandotte County, Kansas, duly constituted as such by law and that the petition therefor designated said road by name and by terminal points and other specially fixed locations and the lands within the proposed Benefit District and the type of permanent improvement and the width of roadway desired and was in all particulars sufficient.

AND BE IT FURTHER RESOLVED that this resolution be spread at length upon the Journal.

The foregoing resolution of the Board of County Commissioners of Wyandotte County, Kansas is hereby submitted to the State Highway Commission, of Kansas for its approval.

Chairman of the Board of County
Commissioners of Wyandotte County,
Kansas.

Journal of previous meeting read and approved.

Motion by Samuel Clarke, seconded by Peter H Kramer that communication from County Engineer relative to Road Bonds due the Blue Valley Construction Co be received and filed and Bonds to the par value of \$3000 be turned over to the Blue Valley Construction Co. These bonds delivered before April 1st. Also ordered that consignment of Blue Valley Construction Co to the Firman L Caswell Mfg Co. Receipt for the bonds and communication from the County Engineer be spread upon the Journal in full

Motion carried.

Received of William Beggs, County Clerk fifty one hundred dollars, Wyandotte County 5% Bonds dated April 1st. 1921, same being for purpose of paying cost of improvement of section "B" of project 52 Fort to Fort Highway in Wyandotte County, Kansas. Same also being for work of Blue Valley Construction Co.

Fidelity National Bank and Trust Co

By W W Holloway
Bond Dept.

Kansas City, Kansas July 6th. 1921

Wm William Beggs,
County Clerk,

Dear Sir:-

In checking over the estimates for the Blue Valley Construction Company on the Joint Project 52 section "B" of the Fort to Fort Highway for which bonds have been issued to the amount of \$8000.00 I find that estimates have already been allowed to the amount of \$9,306.00 owing to an error in allowing all of an estimate which should have been divided between the two counties.

However, examination of the estimates further show that there will be a very decided increase in the cost of this work and additional bonds will have to be issued to cover this additional cost.

I believe I am correct also in that you have already delivered \$3000.00 worth of these bonds.

Therefore as far as amounts due to the Blue Valley Construction Co you are perfectly safe in turning over the remainder of said bonds in an amount of \$5000.00 as more than this amount is due the Blue Valley Construction Company at this time.

Yours very truly,

O K Williamson

March 29th. 1921.

For value received I hereby assign, set over and transfer unto the Firman L Carswell Manufacturing Company, of Kansas City, Missouri bonds of the par value of Three Thousand Dollars due the undersigned on grading contracts with the County Commissioners of Wyandotte, County, Kansas, and I hereby authorize and empower the Board of County Commissioners of Wyandotte, County, Kansas, to issue to the Firman L Carswell Manufacturing Company said bonds and charge said amount against my contract with Wyandotte County.

Blue Valley Construction Co

Motion carried.

Motion by Samuel Clarke, seconded by Peter H Kramer that resolution relative to the Federal Highway marking association be received filed and adopted and spread upon the journal in full. "All members voting "Aye".

Motion carried.

The following resolution was offered by Clarke, Commissioner; and on motion of Clark, seconded by Kramer, and carried by the unanimous vote of the Board, all Commissioners voting "Aye", was adopted and ordered spread upon the Journal:

"RESOLUTION"

WHEREAS, The Federal Highway Marking Association, an unincorporated association, has asked permission to erect road marking devices in Wyandotte County, Kansas, upon the highways and at schools and dangerous places, without cost to Wyandotte County, and to be erected under the supervision of the County Engineer; and

WHEREAS, said road marking devices are to be used by the Federal Highway Marking Association to carry certain advertisements and advertising placards thereon; Now, Therefore,

BE IT RESOLVED: That permission be, and the same is, hereby, granted to the Federal Highway Marking Association, and unincorporated Association, to erect road marking devices and danger signals upon the highways of Wyandotte County, at dangerous places, near schools, and at such points on the highways as the County Engineer may specify: said road marking devices to be lettered and to be of such design as the County Engineer shall approve; to be placed at such points and changed from time to time as shall be ordered by the County Engineer; said road marking devices to carry no advertising matter, signs, advertisements or placards, with any obscene, questionable or objectionable words, pictures or caricatures thereon; and subject to the further orders of the Board of County Commissioners at any time, in respect thereto.

This permission is granted upon the express understanding that said signs, danger signals and road marking devices shall be erected and maintained without any cost whatever to Wyandotte County; that this permission is revocable by the Board of County Commissioners of Wyandotte County, at any time, upon thirty days, notice to the Federal Highway Marking Association, or to any representative of such Association in Wyandotte County; and notice for this purpose will be binding if mailed by registered mail to the Federal Highway Marking Association, 708 Commerce Building, Kansas City, Missouri; that the Federal Highway Marking Association will indemnify and hold harmless Wyandotte County and the Board of Commissioners of said County from any and all charges, costs, liabilities or damages of any kind to persons or property in consequence of the erection of said standards and signals.

The first sign or road marking device shall be installed on or before the first of September, 1921, and within thirty days thereafter the entire highway across the county shall be marked and said work completed.

And BE IT FURTHER RESOLVED, that this shall not be considered other than as a grant of permission, with no exclusive characteristics, and no right is given by the County hereunder to use any emblem, insignia or device now used by road associations or other trail markers, nor is this grant given for any particular time, but subject only to the pleasure of the Board of County Commissioners of Wyandotte County, Kansas.

AND BE IT FURTHER RESOLVED, that this Resolution be spread upon the Journal and a copy thereof signed by the Chairman of the Board of County Commissioners and attested by the County Clerk, and delivered to the Federal Highway Marking Association, as evidence of the grant of the privilege herein conferred."

Motion Samuel Clarke, seconded Peter H Kramer that communication from Elizabeth Mullaney relative to payment of \$306.80 condemnation money in the hands of the County Treasurer be received and referred to the County Counselor. Motion carried.

Kansas City, Kansas

June 18th. 1921.

Honorable Board of Directors,
of the Kaw Valley Drainage District,
Kansas City, Kansas.

Gentlemen:§

We beg to advise the receipt of your communication of recent date with reference to the Twelfth Street structure.

We have considered the matter from all angles, and can but repeat what we have formerly stated, that we are now and ever have been, ready to rebuild the present Twelfth Street structure just so soon as your Body and ours can successfully eliminate the opposition of the common enemy, the Street Railway.

We therefore invite your co-operation and assistance in having an early hearing and final determination of the contentions of this now defunct and always delinquent railway system. Permit us to suggest, that we therefore join hands and present a solid front as against this Company, which has failed in its franchises, failed in its obligations and failed in its duties to the public, and which is the cause of all delay in the rebuilding of said Twelfth Street bridge. Let us eliminate them, as they should be eliminated, and your Honorable body and we will have no trouble in rebuilding the proposed structure.

are removed, we will proceed.

Respectfully,

THE BOARD OF COUNTY COMMISSIONERS
OF WYANDOTTE COUNTY, KANSAS.

BY _____ Chairman.

R E S O L U T I O N

Whereas, application has been filed with the Board of County Commissioners by _____ for mother's aid under the provision of Chapter 153 of the Laws of Kansas, 1921; and

Whereas, said application appears to be in due form of law and recites that said applicant is an actual and bona fide resident of Wyandotte County and has been at all times for one year last past, and a resident for more than two years of the State, and that she is the mother of a child or children, and contains a list of her property and the property of her child or children together with the amount of income therefrom, and recites that she is financially unable to support and educate such child or children, and that she is a widow, said application being verified by the applicant and supported by the affidavit of two disinterested householders of the township or city in which said applicant is a resident, said affidavit setting forth substantially the same facts as in said application recited, and that said mother is a woman of good moral character and a fit person to have the care and custody of such child or children; and

Whereas, by virtue of the provisions of said law the Board of County Commissioners are required to investigate the truth of the statements in said application set forth, and to refer said application either to the County Board of Public Welfare or to a committee of three reputable women, in no way related to said applicant, residing in the same township or city where the applicant resides, who are willing to serve without compensation, to investigate and re-investigate such applicant from time to time, and report in writing to the Board of County Commissioners the results of their investigation; and

Whereas, under the terms and provisions of said law, upon the Board of County Commissioners finding that said applicant is entitled to mother's aid and that unless relief is granted the mother will be unable to properly support and educate her child or children, and that they become a public charge, and that the statements alleged in the application are true, it shall make an Order finding and determining such facts and thereby and therein fix or determine the amount of money which the Board deems necessary for the County to contribute to the support of such mother, child or children, and in its discretion to Order the amount of aid thus determined to be given in supplies instead of money; and

Whereas, the Board of County Commissioners of Wyandotte County, Kansas, are in accord with the spirit and letter of said law, and desire that the same be carried into effect in this county, and that all possible aid and assistance be given to the needy, as provided for therein, and desire that the broadest possible application of said law be made in this county for the relief of suffering and the aid and support of the persons contemplated therein; and

Whereas, Wyandotte County has for many years past pursued the policy in the administration of its affairs of creating no indebtedness for the discharge of which the money is not available, and of operating the business of said County upon a cash basis, and of refraining from the issuance of County Warrants which cannot be paid for want of funds, and of refraining from the issuance of certificates of indebtedness of any kind for the payment of which cash is not available, and has pursued the policy of administering the affairs of its government strictly within its income and in accordance with the law, and has carefully refrained from violating the laws of the State of Kansas in respect to the expenditures of public funds and the creation of indebtedness, and has adopted and has followed what is known as a Budget system whereby before the levying of taxes a Budget is prepared, making provision for the necessary funds to be raised for all governmental purposes in the County; and

Whereas, the budget for the current year was made up, and the tax levies made to provide the necessary funds for operating the business of Wyandotte County, Kansas, for the year 1921, prior to the passage of said Mother's Aid Law, and no provision was contained in said budget and no taxes were levied to raise funds for Mother's Aid under the terms and provisions thereof; and

Whereas, there is no fund of Wyandotte County from which mother's aid, as contemplated by said law, can be paid in cash, and there is no fund upon which warrants legally may be drawn in the payment of mother's aid; and

Whereas, under the provisions of said law, in the discretion of the Board in such cases as the Board shall deem it necessary to grant relief, the amount of aid may be given in supplies instead of money; and

Whereas, the County Counselor has rendered an opinion advising the Board that until the depletion of the Poor Fund, mother's aid in supplies may be given as in the case of other poor persons, and supplies furnished and charged to said Poor Fund, and

Whereas, the Board desires to use its utmost efforts and endeavor to relieve all meritorious cases of actual want and suffering as far as may be done and to make the best possible provision therefor under the circumstances.

NOW THEREFORE BE IT RESOLVED, and it is hereby ORDERED, that _____ and _____ and _____, three reputable women in no way related to the applicant, residing in the township or city where said applicant resides, be and they are hereby appointed as a committee to serve without compensation, to investigate said application and said applicant, and report in writing to the Board of County Commissioners, their findings and the result of said investigation, and in said report said Committee is directed to make concise findings and statements of fact, setting forth all matters in relation to the condition of said applicant, her property, her children and their property, her means of livelihood, and the moral conditions under which her children are being raised; and

BE IT FURTHER RESOLVED that if and when said report is filed it shall then appear to the Board of County Commissioners that mother's aid should be granted, said aid be given, and the Board hereby exercises its discretion to give all necessary aid in supplies instead of money, said supplies to be furnished as supplies are now furnished to other poor persons through the office of the Poor Commissioners of this County, and charged to the Poor Fund; and

BE IT FURTHER RESOLVED that until a fund can be provided for according to law, that in all cases where this Board shall find that mother's aid should be given under and by virtue of Chapter 153 of the Laws of Kansas for 1921, such aid, without further Resolution of this Board, be given in supplies instead of money; and

BE IT FURTHER RESOLVED that in making up the budget for County expenses for the next year the question of mother's aid be given due and adequate consideration and attention, and provision made for proper funds to be raised by a levy of taxes for the purposes specified in said act; and

BE IT FURTHER RESOLVED that this Resolution be spread upon the Journal

No further business appearing the Board adjourned.

Motion Samuel Clarke, seconded Peter H Kramer that resolution relative to improvement of Port to Port be received filed and adopted and spread upon the Journal in full.

Motion carried.

ORDER AND RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF WYANDOTTE COUNTY, KANSAS.

For the improvement of Parallel or Fort-to-Fort Road, by the use of the State aid road funds of said county, and designating a benefit district for special assessments.

NOW, on this 25th day of July, 1921, at a duly constituted and regular meeting of the Board of County Commissioners of Wyandotte County, Kansas, and all members of said Board being present, the matter of the improvement of the Parallel or Fort-to-Fort Road comes up for final consideration and action by said Board; and having carefully considered said proposed improvement, and having made an examination of the present condition of said Road, and being fully advised in the premises, finds as follows:

1. That said Road is more Particularly described as follows, to-wit:

Beginning at a point approximately one-fourth ($\frac{1}{4}$) mile east of the Southeast corner of the southwest one-fourth ($\frac{1}{4}$) of section 36, township 10, range 24 and extending thence westerly for a distance of approximately six and one-fourth ($6\frac{1}{4}$) miles to the southeast corner of the southwest one-fourth ($\frac{1}{4}$) of section 36 township 10 range 23 being the place of ending.

- 2 That all of the above-described road shall be improved by grading, draining, and surfacing of said road with concrete for a width of eighteen feet, and building of all necessary culverts; all in accordance with the plans, specifications and estimates, approved by the State Highway Engineer (and the United States Secretary of Agriculture, if Federal aid is granted for this improvement.)

- 3 That the benefit district subject to special assessments shall be described as follows; Beginning at the northeast corner of the west $\frac{1}{2}$ of the southeast $\frac{1}{4}$ of section 36-10-24 thence west to the northwest corner of the southeast $\frac{1}{4}$ of section 36-10-23, thence north to the center of the Parallel road; thence east to the northwest corner of section 6-11-24; thence south to southwest corner of the northwest $\frac{1}{4}$ of said section 6-11-24; thence east to the southeast corner of the west $\frac{1}{2}$ of the northwest $\frac{1}{4}$ of section 6-11-25; thence north to the center of the Parallel road; thence west to a point due south of beginning; thence north to a point of beginning; and including therein the following-described lots, tracts and parcels of land to-wit:

The southeast $\frac{1}{4}$ of section 36-10-23.

The south one-half ($\frac{1}{2}$) of section 31, 32, 33, 34 and 35 of township 10, range 24.

The west three-fourths ($\frac{3}{4}$) of the south one-half ($\frac{1}{2}$) of section 36-10-24.

The north fractional one-half ($\frac{1}{2}$) of sections 1, 2, 3, 4, 5 and 6 of township 11, range 24.

The west one-half ($\frac{1}{2}$) of the northwest fractional one-fourth ($\frac{1}{4}$) of section 6-11-25, but not including any lands within the limits of incorporate cities.

- 4 That there shall be levied against the land in said benefit district fifteen annual assessments.

- 5 That said road will fill a gap between the ends of two permanently improved highways or a gap between the end of a permanently improved highway and a permanently improved street in a city or town within the county.

It is therefore, now, by the said Board Ordered and Resolved, that said road herein before described be improved in the manner above stated, and under the provisions of Chapter 217, of the Laws of Kansas, 1921, and that the County Engineer shall cause an accurate survey to be made of said road, together with plans and specifications for the improvements herein ordered, and an estimate of the cost of such improvement; and that after final approval of such plans, specifications and estimates by the State Highway Engineer they be filed with the county clerk of this county as required by law, and the improvements shall be conducted according to said plans

It is further Resolved, That the county clerk shall cause this resolution to be published in an official county paper circulating in the benefit district herein described for three consecutive weeks.

That all legal resident landowners of the district herein described are hereby notified that all protests against the proposed improvement must be filed with the county clerk within thirty days after the first publication of this resolution.

BOARD OF COUNTY COMMISSIONERS.

By David Buckland, Chairman.
and Samuel Clarke, Commissioner.
And PETER H KRAMER Commissioner.

State of Kansas, Wyandotte County, ss.

I hereby certify, that, as County Clerk of Wyandotte County, Kansas, I am the custodian of all the records of the proceedings of the Board of County Commissioners, and that the above transcript is a full, true and complete copy of the record of the proceedings of the Board with reference to the improvement of a benefit district in said county with State aid and designation as same remains of record in my office.

Witness my hand and the seal of said county, of Kansas City, Kansas, July 25th. 1921.

(SEAL)

William Beggs,
County Clerk.

By E Robbins, Deputy.

(First published July 29, 1921-3t.)

Motion by Samuel Clarke, seconded Peter H Kramer that Bridge Budget for the year 1921-1922 be received and filed and approved.

No further business appearing the Board adjourned.

R E S O L U T I O N

"Resolved, That this county accept and adopt the provisions of the act of the legislature of 1921, entitled "An act regulating the sale of real estate for delinquent taxes, in such counties as shall accept and adopt the provisions of this act." That from and after the acceptance and adoption of such resolution, the following provisions of law shall, as to such counties so accepting and adopting the same, govern the enforcement and collection of taxes, the redemption and conveyance thereof in addition to the laws now in force in reference thereto, and where there is a conflict between the laws now in force in reference to the provisions contained in this act, and the provisions of this act, then this act shall prevail in the counties accepting and adopting the above resolution; Provided, That any such resolution so accepted and adopted in any county in this state may be revoked at any time by resolution adopted by such board of county commissioners,; however, the revocation of such resolution shall in no way void, destroy, modify or defeat any right, lien or title, of any one acting under the provisions of said resolution and this act prior to such revocation may have obtained. R.S. 1921 79-2324

Sec. 2. In all counties accepting and adopting the provisions of this act as aforesaid, it shall be the duty of the county treasurer of such county, to bid off in the name of the county all lands or town lots advertised for sale for delinquent taxes for the amount of the delinquent taxes and the legal charges due thereon, and no bids shall be received by said county treasurer from any other person for the premises so sold. Laws 1921-22 79-2324 R.S. 79-2325

Sec. 3. In all counties accepting and adopting the provisions of this act, and where the property has been bid in by the county for said delinquent taxes and charges as herein provided, the county treasurer of such county shall not accept from any person or persons, except the owner thereof, his heirs, executors, administrators, or other legal representative, assigns, mortgagees of the real estate or some part thereof sold for delinquent taxes, or his assigns, or any person holding the record title to said premises or some part thereof, the amount of money due to redeem said premises at any time after the

tract of land or town lot so sold and purchased for such delinquent taxes, and shall not give any person or persons, except the owner or holder of the record title, his heirs, executors, administrators, assigns or any mortgagee or assigns of such real estate so sold for taxes, a certificate showing that said lands had been redeemed from such sale, but all the lands so bid off by the county for such delinquent taxes shall be held by the county until the expiration of three years from the date of sale, subject only to the right of redemption by the owner, holder of record title, his heirs, executors, administrators, assigns or the mortgagee or his assigns of said real estate so sold for taxes, any of whom may redeem the land, lot or lots so sold from said sale at any time after said sale, by paying the amount the said premises were sold for with the legal interest accrued, penalties, costs and expenses of said sale and redemption. And if at the expiration of three years from the date of said sale, said land, lot or lots, shall not have been redeemed therefrom such land, lot or lots shall then be disposed of as provided by Section 11421, of chapter 115, article 22, General Statutes of Kansas of 1915.

Motion carried All voting "Aye"

Topeka, Kansas, August 6, 1921.

State Highway Commission and
Board of County Commissioners of Wyandotte Co.

Gentlemen:

Permit me at this time to withdraw my bid on paving of Southwest Boulevard in Wyandotte County, Kansas.

I have learned since filing the bid that I will be unable to carry out some of your provisions; hence this request.

Respectfully,
C C Clark.

Kansas City, Kansas, Aug. 8th. 1921.

Board of Commissioners,

Gentlemen:-

In the matter of bids for the improvement of Southwest Boulevard Road, Federal Aid Project #85, and by reason of the withdrawal of Mr. C C Clark of Topeka, Kansas, I herewith submit for your consideration the following:

Mr. Clark was awarded the contract for a reinforced slab it being about \$500.00 less than the plain 7" and 9" type on reinforced type.

The bid of L L Bye the next lowest bidder is approximately \$10,000.00 more than that of C C Clark for the same type.

However the bid of the Rand Construction Company for a 7" and 9" plain pavement for which the reinforced pavement is a substitute is approximately \$7,500.00 under that of L L Bye, and as there is virtually no difference in the value of the pavement the bid of Rand Bros should take preference over that of L L Bye.

I would therefore recommend that you award this contract to the Rand Construction Company for a plain 7" pavement as per their bid of \$81,581.34 theirs being the lowest and best bid.

This contract should be let of course subject to the approval of the State Highway Commission.

Yours very truly,
O. K. Williams
Co Engineer.

Motion by Peter H Kramer seconded David Buckland the County Engineer be instructed to recommend the next best bidder on Federal Aid project #85.

Motion carried. All voting "Aye"

Motion Peter H Kramer seconded David Buckland that the communication from the County Engineer relative to bids on Federal Aid Project #85 be received and filed and spread upon the Journal in full.

Motion carried. All voting "Aye"

July 27th. 1921

Board of Commissioners,

Gentlemen: In the matter of bids for Federal Aid project No. 85 referred to me beg to advise you as follows:

There are no bids on brick, bituminous concrete or rock asphalt below the estimate and therefore are not entitled to your consideration. The bids of C C Clarke of Topeka, Rand Const. Co of Concordia, The Davidson Const Co of Kansas City, Mo. and L L Bye of Eldorado Kansas, are the bidders under the estimate for the various types of concrete pavement and can be considered in connection with their various bids. The time limit of some of the bidders is too long for this particular work owing to traffic conditions here and the question of their equipment, experience and financial backing should also be taken into consideration before making award.

Yours very truly,

County Engineer.

Motion by Peter H Kramer seconded David Buckland that the contract on Federal Aid Project #85 be awarded the Rand Construction Co for the sum of \$81,581.34 subject to the approval of the State Highway Commission.

Motion carried. All voting "Aye"

Motion by Peter H Kramer seconded By David Buckland that certified checks of bidders on Federal Aid project #85 be held by County Clerk until contract of Rand Construction Co has been approved by State Highway Commission.

Motion by Samuel Clarke seconded by Peter H Kramer that resolution relative to the appointment of Judge John C Pollock Judge of the District Court of the United States for the District of Kansas to succeed Judge Hook be adopted and a copy of the same mailed to His Excellency, the President of the United States and one to the Attorney General of the United States, also that said resolution be spread upon the Journal in full. Motion carried all voting aye.

RESOLUTION

WHEREAS, by the death of His Honor, Judge Hook, a vacancy exists in the office of Circuit Judge of the United States; and,

WHEREAS, the late Judge Hook was a citizen and resident of Kansas; and,

WHEREAS, the Board of County Commissioners of Wyandotte County, Kansas desire, in so

far as it may with propriety be done, to endorse and recommend the appointment of the Honorable John C Pollock as his successor.

NOW THEREFORE, BE IT RESOLVED, by the Board of County Commissioners of Wyandotte County, Kansas, in regular session assembled, that we endorse and recommend the appointment of his Honor, John C. Pollock, Judge of the District Court of the United States for the District of Kansas to succeed Judge Hawk as Circuit Judge. In making this recommendation, the Board of County Commissioners desires to emphasize the special and peculiar fitness of Judge Pollock for this office and to call attention to his many years of distinguished service as a jurist. Judge Pollock has had the experience necessary to qualify him in an unusual manner for this high office, his years in the legal profession have carried him into the trial of cases as an Attorney at Bar, as a trial Judge and as a Justice of the Supreme Court of Kansas. As Judge of the District Court of the United States, he has earned an enviable reputation for his fairness, impartiality and the clean-cut, unequivocal and just character of his decisions.

The Board desires, by this endorsement, to convey an expression not only of the high esteem in which Judge Pollock is held as a jurist, but likewise, our appreciation of his personal worth; and,

BE IT FURTHER RESOLVED, that the County Clerk spread this resolution upon the journal and transmit copies thereof to His Excellency, the President of the United States, and to the Attorney General of the United States.

Adopted by the Board of County Commissioners of Wyandotte County, Kansas in regular session, September 1, 1921.

September 9th, 1921

Board of County Commissioners,
Of Wyandotte County, Kansas.

Gentlemen:-

IN RE: PARALLEL ROAD
SECTION A, PROJECT 25

Permit me to state, as you probably already know, that my bond for the paving of said road expired on or about the first day of September, 1921. I at this time desire an extension of time until Nov. 1st Dec. 1st. 1921, to complete said contract. I have the assurance of the surety company, surety on my bond, that it will agree to said extension in writing.

In consideration of your granting and making this extension I hereby agree to and do waive any and all claims which I may have, or claim to have against Wyandotte County for damages or counter claim or offset in consequence of or arising out of the doing of this work. I understand in making this application and proposition that no waiver as to any claims it may have against me or my bondsmen upon my contract. I am making this application and proposition for the reason that I am now in default on my contract and under its terms, unless the extension is granted, my bondsmen may be compelled to take charge of the work and if that occurs I may suffer a considerable loss. The extension of time will enable me personally to complete this job.

Very respectfully,

Archie Turner.

Sept. 9th. 1921

To the Board of County Commissioners,
Wyandotte County, Kansas.

Gentlemen:

In Re: Archie Turner Contract
Improvement of Parallel Road
Bond 3091880

In connection with our bond for the construction of the contract on Parallel Road, we hereby consent to the extension of this contract to November 30th. 1921, and that our bond shall be held in full force and effect by such extension.

Yours very truly,

I J Talbot
State Agent

IJT/S
